**Sandia National Laboratories** is pleased to provide this information about your discount program administered by Davis Vision, Inc., a leading national administrator of vision care programs. Eligibility for vision care benefits is determined by the same rules that apply to your health care benefits.

### What are my services?

Through special arrangements, Sandia National Laboratories provides a discount on an eye examination and discounts on eyewear and contact lenses to members. Please see the "Member Discount Fee Schedule" for pricing information.

### How do I receive services from a provider in the network?

- Call the network provider of your choice and schedule an appointment.
- Identify yourself as a Davis Vision and Sandia National Laboratories retiree or dependent.
- Provide the office with the member ID number located on your Davis Vision ID card and the name and date of birth of any covered dependent needing services.

It's that easy! The provider's office will verify your eligibility for services, and claim forms are not required!

### Who are the network providers?

They are licensed providers in both private practice and retail locations who are extensively reviewed and credentialed to ensure that stringent standards for quality service are maintained. Please access Davis Vision's website at [www.davisvision.com](http://www.davisvision.com) and utilize the "Find a Doctor" feature, or call **1.888.575.0191** to speak with Member Services who will supply you with the names and addresses of the network providers nearest you.

### What if my usual provider does not participate in the Davis Vision network?
