

Sandia's HBE will no longer send updated health information into your Intuit Patient Portal. If you wish to delete your account and your health information, follow these easy steps:

Access iHealth:

<https://www.medfusion.net/secure/portal/index.cfm?fuseaction=home.login&dest=welcome&gid=5780&muuid=6305>

Log in to patient portal and click on View Health Information under Personal Health Record

The screenshot shows the Sandia National Laboratories HBE iHealth - Secure Patient Portal. The header includes the Sandia National Laboratories logo and the text "HBE iHealth - Secure Patient Portal". Below the header, there is a navigation bar with the HBE logo and the text "Health Benefits & Compensation Employee Services" and "Sandia National Laboratories Health, Benefits & Compensation and Employee Services". The main content area is titled "My Patient Page" and includes a welcome message "Welcome afischer testpatient1" with links for "My Account", "Log Out", and "Help". A notification banner states "You have 1 unread messages." with a "View all messages" button. The "Solutions" section lists four options: "Appointment Request", "Ask a Question", "Personal Health Record", and "Prescription Renewal". The "Personal Health Record" option is highlighted with a yellow background and an orange arrow pointing to the "View Health Information" link.

Registration Information

Verify that the following patient Registration Information is complete and up-to-date. Please note that the “user” is the person who has logged in with a valid user ID and password. The “patient” can be either the user or a person for whom the user provides care, such as the parent of a child.

Click **Save Changes** when you are done.

Important: Registration Information becomes a part of the patient’s permanent HealthRecord. To register yourself or a person for whom you provide care with Medfusion, you may submit your registration information to your health provider or register online at www.healthrecord.org.

If you would like to delete your PHR account, please [click here](#).

The screenshot shows a web interface for a Personal Health Record (PHR). At the top, there is a navigation bar with tabs for Home, Messages, Profile, Health Information, Documents, and Sharing. The 'Profile' tab is currently selected. On the left side, there is a 'Profile' sidebar with a list of options: Registration, Personal Identification, Emergency Contact, Caregiver, Employment, and Insurance. The main content area is titled 'Delete Your PHR' and contains a warning message: 'Deleting your PHR Account will also delete all Family Records and will disable you from accessing your PHR. Are you sure you want to delete the PHR for afischer testpatient1?'. Below the message are two buttons: 'Continue' (highlighted in yellow) and 'Cancel'. A large orange arrow points to the 'Continue' button.
