

January 1 - December 31, 2016

Evidence of Coverage:

Your Medicare Health Benefits and Services and
Prescription Drug Coverage as a Member of
Presbyterian MediCare PPO Sandia Plan

This booklet gives you the details about your Medicare health care and prescription drug coverage from January 1 – December 31, 2016. It explains how to get coverage for the health care services and prescription drugs you need. **This is an important legal document. Please keep it in a safe place.**

This plan, Presbyterian MediCare PPO Sandia Plan, is offered by Presbyterian Insurance Company, Inc. (When this Evidence of Coverage says “we,” “us,” or “our,” it means Presbyterian Insurance Company, Inc. When it says “plan” or “our plan,” it means Presbyterian MediCare PPO Sandia Plan).

Presbyterian MediCare PPO is a Medicare Advantage plan with a Medicare contract. Enrollment in Presbyterian MediCare PPO depends on contract renewal.

This information is available for free in other languages.

Please contact the Presbyterian Customer Service Center at (505) 923-6060 or 1-800-797-5343 for additional information, (TTY users should call 711). Monday through Sunday, from 8:00 a.m. to 8:00 p.m. From February 15 to September 30, the Presbyterian Customer Service Center uses a voice response system to assist you after hours, Saturday, Sunday, and holidays. Messages left will be responded to within one business day.

Customer Service has free language interpreter services available for non-English speakers.

Esta información está a su disposición gratis en otros idiomas. Comuníquese con el Centro de Servicio a los Clientes del Presbyterian al (505) 923-6060 o al 1-800-797-5343 si desea recibir más información. (Las personas que utilizan la línea telefónica TTY deben llamar al 711). Las horas del 1 de octubre al 14 de febrero son de las 8:00 de la mañana a las 8:00 de la noche, de lunes a domingo, a excepción del día de Acción de Gracias y el día de Navidad. Además, el Centro de Servicio a los Clientes ofrece gratis servicios de intérpretes de idiomas para las personas que no hablen inglés.

This document is available in other formats.

Benefits, formulary, pharmacy network, premium, and/or copayments/coinsurance may change on January 1, 2017.

2016 Evidence of Coverage

Table of Contents

This list of chapters and page numbers is your starting point. For more help in finding information you need, go to the first page of a chapter. You will find a detailed list of topics at the beginning of each chapter.

Chapter 1. Getting started as a member	4
Explains what it means to be in a Medicare health plan and how to use this booklet. Tells about materials we will send you, your plan premium, your plan membership card, and keeping your membership record up to date.	
Chapter 2. Important phone numbers and resources	19
Tells you how to get in touch with our plan (Presbyterian MediCare PPO Sandia Plan) and with other organizations including Medicare, the State Health Insurance Assistance Program (SHIP), the Quality Improvement Organization, Social Security, Medicaid (the state health insurance program for people with low incomes), programs that help people pay for their prescription drugs, and the Railroad Retirement Board.	
Chapter 3. Using the plan's coverage for your medical services	46
Explains important things you need to know about getting your medical care as a member of our plan. Topics include using the providers in the plan's network and how to get care when you have an emergency.	
Chapter 4. Medical Benefits Chart (what is covered and what you pay)	63
Gives the details about which types of medical care are covered and <i>not</i> covered for you as a member of our plan. Explains how much you will pay as your share of the cost for your covered medical care.	
Chapter 5. Using the plan's coverage for your Part D prescription drugs	110
Explains rules you need to follow when you get your Part D drugs. Tells how to use the plan's <i>List of Covered Drugs (Formulary)</i> to find out which drugs are covered. Tells which kinds of drugs are <i>not</i> covered. Explains several kinds of restrictions that apply to coverage for certain drugs. Explains where to get your prescriptions filled. Tells about the plan's programs for drug safety and managing medications.	

Chapter 6. What you pay for your Part D prescription drugs	133
Tells about the three stages of drug coverage (<i>Initial Coverage Stage</i> , <i>Coverage Gap Stage</i> , <i>Catastrophic Coverage Stage</i>) and how these stages affect what you pay for your drugs. Explains the five cost-sharing tiers for your Part D drugs and tells what you must pay for a drug in each cost-sharing tier. Tells about the late enrollment penalty.	
Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs	155
Explains when and how to send a bill to us when you want to ask us to pay you back for our share of the cost for your covered services or drugs.	
Chapter 8. Your rights and responsibilities	162
Explains the rights and responsibilities you have as a member of our plan. Tells what you can do if you think your rights are not being respected.	
Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)	175
Tells you step-by-step what to do if you are having problems or concerns as a member of our plan.	
<ul style="list-style-type: none">• Explains how to ask for coverage decisions and make appeals if you are having trouble getting the medical care or prescription drugs you think are covered by our plan. This includes asking us to make exceptions to the rules or extra restrictions on your coverage for prescription drugs, and asking us to keep covering hospital care and certain types of medical services if you think your coverage is ending too soon.• Explains how to make complaints about quality of care, waiting times, customer service, and other concerns.	
Chapter 10. Ending your membership in the plan.....	232
Explains when and how you can end your membership in the plan. Explains situations in which our plan is required to end your membership.	
Chapter 11. Legal notices	241
Includes notices about governing law and about nondiscrimination.	
Chapter 12. Definitions of important words	244
Explains key terms used in this booklet.

Section 7.1	Which plan pays first when you have other insurance?	17

SECTION 1 Introduction

Section 1.1	You are enrolled in Presbyterian MediCare PPO Sandia Plan, which is a Medicare PPO
--------------------	---

You are covered by Medicare, and you have chosen to get your Medicare health care and your prescription drug coverage through our plan, Presbyterian MediCare PPO Sandia Plan.

There are different types of Medicare health plans. Presbyterian MediCare PPO Sandia Plan is a Medicare Advantage PPO Plan (PPO stands for Preferred Provider Organization). Like all Medicare health plans, this Medicare PPO is approved by Medicare and run by a private company.

Section 1.2	What is the <i>Evidence of Coverage</i> booklet about?
--------------------	---

This *Evidence of Coverage* booklet tells you how to get your Medicare medical care and prescription drugs covered through our plan. This booklet explains your rights and responsibilities, what is covered, and what you pay as a member of the plan.

The word “coverage” and “covered services” refers to the medical care and services and the prescription drugs available to you as a member of Presbyterian MediCare PPO Sandia Plan.

It’s important for you to learn what the plan’s rules are and what services are available to you. We encourage you to set aside some time to look through this *Evidence of Coverage* booklet.

If you are confused or concerned or just have a question, please contact our plan’s Customer Service (phone numbers are printed on the back cover of this booklet).

Section 1.3	Legal information about the <i>Evidence of Coverage</i>
--------------------	--

It’s part of our contract with you

This *Evidence of Coverage* is part of our contract with you about how Presbyterian MediCare PPO Sandia Plan covers your care. Other parts of this contract include your enrollment form, the List of Covered Drugs (Formulary), and any notices you receive from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called “riders” or “amendments.”

The contract is in effect for months in which you are enrolled in Presbyterian MediCare PPO Sandia Plan between January 1, 2016 and December 31, 2016.

Each calendar year, Medicare allows us to make changes to the plans that we offer. This means we can change the costs and benefits of Presbyterian MediCare PPO Sandia Plan after

Chapter 1. Getting started as a member

December 31, 2016. We can also choose to stop offering the plan, or to offer it in a different service area, after December 31, 2016.

Medicare must approve our plan each year

Medicare (the Centers for Medicare & Medicaid Services) must approve Presbyterian MediCare PPO Sandia Plan each year. You can continue to get Medicare coverage as a member of our plan as long as we choose to continue to offer the plan and Medicare renews its approval of the plan.

SECTION 2 What makes you eligible to be a plan member?

Section 2.1 Your eligibility requirements

You are eligible for membership in our plan as long as:

- You have both Medicare Part A and Medicare Part B (section 2.2 tells you about Medicare Part A and Medicare Part B)
- -- *and* -- you live in our geographic service area (section 2.3 below describes our service area)

Section 2.2 What are Medicare Part A and Medicare Part B?

When you first signed up for Medicare, you received information about what services are covered under Medicare Part A and Medicare Part B. Remember:

- Medicare Part A generally helps cover services provided by hospitals (for inpatient services, skilled nursing facilities, or home health agencies).
- Medicare Part B is for most other medical services (such as physician's services and other outpatient services) and certain items (such as durable medical equipment and supplies).

Section 2.3 Here is the plan service area for Presbyterian MediCare PPO Sandia Plan

Although Medicare is a Federal program, Presbyterian MediCare PPO Sandia Plan is available only to individuals who live in our plan service area. To remain a member of our plan, you must continue to reside in the plan service area. The service area is described below.

Our service area includes these states: New Mexico

If you plan to move out of the service area, please contact your benefits administrator or for other plan options call Customer Service (phone numbers are printed on the back cover of this

Chapter 1. Getting started as a member

booklet). When you move, you will have a Special Enrollment Period that will allow you to switch to Original Medicare or enroll in a Medicare health or drug plan that is available in your new location.

It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

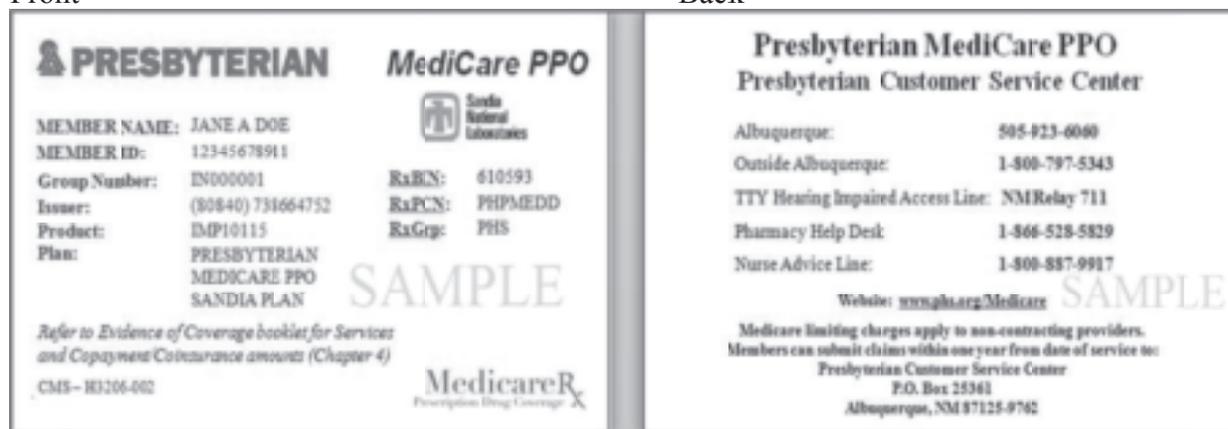

SECTION 3 What other materials will you get from us?

Section 3.1 Your plan membership card – Use it to get all covered care and prescription drugs

While you are a member of our plan, you must use your membership card for our plan whenever you get any services covered by this plan and for prescription drugs you get at network pharmacies. Here's a sample membership card to show you what yours will look like:

Front

Back

As long as you are a member of our plan **you must not use your red, white, and blue Medicare card** to get covered medical services (with the exception of routine clinical research studies and hospice services). Keep your red, white, and blue Medicare card in a safe place in case you need it later.

Here's why this is so important: If you get covered services using your red, white, and blue Medicare card instead of using your Presbyterian MediCare PPO Sandia Plan membership card while you are a plan member, you may have to pay the full cost yourself.

If your plan membership card is damaged, lost, or stolen, call Customer Service right away and we will send you a new card. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

Section 3.2	The <i>Provider Directory</i>: Your guide to all providers in the plan's network
--------------------	---

The *Provider Directory* lists our network providers.

What are “network providers”?

Network providers are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost-sharing as payment in full. We have arranged for these providers to deliver covered services to members in our plan.

Why do you need to know which providers are part of our network?

It is important to know which providers are part of our network because, with limited exceptions, while you are a member of our plan you will be required to use network providers to get your medical care and services.

As a member of our plan, you can choose to receive care from out-of-network providers. Our plan will cover services from either in-network or out-of-network providers, as long as the services are covered benefits and medically necessary. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. See Chapter 3 (*Using the plan's coverage for your medical services*) for more specific information.

If you don't have your copy of the *Provider Directory*, you can request a copy from Customer Service (phone numbers are printed on the back cover of this booklet). You may ask Customer Service for more information about our network providers, including their qualifications. You can also see the *Provider Directory* at www.phs.org/Medicare, or download it from this website. Both Customer Service and the website can give you the most up-to-date information about changes in our network providers.

Section 3.3	The <i>Provider Directory</i>: Your guide to pharmacies in our network
--------------------	---

What are “network pharmacies”?

Network pharmacies are all of the pharmacies that have agreed to fill covered prescriptions for our plan members.

Why do you need to know about network pharmacies?

You can use the *Provider Directory* to find the network pharmacy you want to use. There are changes to our network of pharmacies for next year. An updated Provider Directory is located on our website at www.phs.org/Medicare. You may also call Customer Service for updated provider

Chapter 1. Getting started as a member

information or to ask us to mail you a Provider Directory. **Please review the 2016 Provider Directory to see which pharmacies are in our network.**

If you don't have the *Provider Directory*, you can get a copy from Customer Service (phone numbers are printed on the back cover of this booklet). At any time, you can call Customer Service to get up-to-date information about changes in the pharmacy network. You can also find this information on our website at www.phs.org/Medicare.

Section 3.4	The plan's <i>List of Covered Drugs (Formulary)</i>
--------------------	--

The plan has a *List of Covered Drugs (Formulary)*. We call it the "Drug List" for short. It tells which Part D prescription drugs are covered under the Part D benefit included in Presbyterian MediCare PPO Sandia Plan. The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved the Presbyterian MediCare PPO Sandia Plan Drug List.

The Drug List also tells you if there are any rules that restrict coverage for your drugs.

We will send you a copy of the Drug List. To get the most complete and current information about which drugs are covered, you can visit the plan's website (www.phs.org/Medicare) or call Customer Service (phone numbers are printed on the back cover of this booklet).

Section 3.5	The <i>Part D Explanation of Benefits</i> (the "Part D EOB"): Reports with a summary of payments made for your Part D prescription drugs
--------------------	---

When you use your Part D prescription drug benefits, we will send you a summary report to help you understand and keep track of payments for your Part D prescription drugs. This summary report is called the *Part D Explanation of Benefits* (or the "Part D EOB").

The *Part D Explanation of Benefits* tells you the total amount you, or others on your behalf, have spent on your Part D prescription drugs and the total amount we have paid for each of your Part D prescription drugs during the month. Chapter 6 (*What you pay for your Part D prescription drugs*) gives more information about the *Part D Explanation of Benefits* and how it can help you keep track of your drug coverage.

A *Part D Explanation of Benefits* summary is also available upon request. To get a copy, please contact Customer Service (phone numbers are printed on the back cover of this booklet).

SECTION 4 Your monthly premium for Presbyterian MediCare PPO Sandia Plan

Section 4.1	How much is your plan premium?
--------------------	---------------------------------------

Your coverage is provided through a contract with your current employer, former employer, union group or trust administrator. They are responsible for paying your monthly plan premium to Presbyterian on your behalf. They determine the amount of any retiree contribution toward the monthly premium for our plan. This contribution is payable to your employer, not Presbyterian. If you have questions, please contact the employer's or union's benefits administrator for information about your plan premium.

In addition, you must continue to pay your Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

In some situations, your plan premium could be less

There are programs to help people with limited resources pay for their drugs. The "Extra Help" program helps people with limited resources pay for their drugs. Chapter 2, Section 7 tells more about this program. If you qualify, enrolling in the program might lower your monthly plan premium.

If you are *already enrolled* and getting help from one of these programs, **the information about premiums in this Evidence of Coverage may not apply to you.** We send you a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also known as the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug coverage. If you don't have this insert, please call Customer Service and ask for the "LIS Rider." (Phone numbers for Customer Service are printed on the back cover of this booklet.)

In some situations, your plan premium could be more

In some situations, your plan premium could be more than the amount listed above in Section 4.1. This situation is described below.

- Some members are required to pay a **late enrollment penalty** because they did not join a Medicare drug plan when they first became eligible or because they had a continuous period of 63 days or more when they didn't have "creditable" prescription drug coverage. ("Creditable" means the drug coverage is at least as good as Medicare's standard drug coverage.) For these members, the late enrollment penalty is added to the plan's monthly premium. Their premium amount will be the monthly plan premium plus the amount of their late enrollment penalty.
 - Under your group, Presbyterian will bill you directly for your late enrollment penalty.

Chapter 1. Getting started as a member

- If you are required to pay the late enrollment penalty, the amount of your penalty depends on how long you waited before you enrolled in drug coverage or how many months you were without drug coverage after you became eligible. Chapter 6, Section 10 *explains the late enrollment penalty*.
- If you have a late enrollment penalty and do not pay it, you could be disenrolled from the plan.

Many members are required to pay other Medicare premiums

In addition to paying the monthly plan premium, many members are required to pay other Medicare premiums. As explained in Section 2 above, in order to be eligible for our plan, you must be entitled to Medicare Part A and enrolled in Medicare Part B. For that reason, some plan members (those who aren't eligible for premium-free Part A) pay a premium for Medicare Part A. And most plan members pay a premium for Medicare Part B. **You must continue paying your Medicare premiums to remain a member of the plan.**

Some people pay an extra amount for Part D because of their yearly income, this is known as Income Related Monthly Adjustment Amounts, also known as IRMAA. If your income is greater than \$85,000 for an individual (or married individuals filing separately) or greater than \$170,000 for married couples, **you must pay an extra amount directly to the government (not the Medicare plan)** for your Medicare Part D coverage.

- **If you are required to pay the extra amount and you do not pay it, you will be disenrolled from the plan and lose prescription drug coverage.**
- If you have to pay an extra amount, Social Security, **not your Medicare plan**, will send you a letter telling you what that extra amount will be.
- For more information about Part D premiums based on income, go to Chapter 6, Section 11 of this booklet. You can also visit <http://www.medicare.gov> on the Web or call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or you may call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778.

Your copy of *Medicare & You 2016* gives information about the Medicare premiums in the section called "2016 Medicare Costs." This explains how the Medicare Part B and Part D premiums differ for people with different incomes. Everyone with Medicare receives a copy of *Medicare & You* each year in the fall. Those new to Medicare receive it within a month after first signing up. You can also download a copy of *Medicare & You 2016* from the Medicare website (<http://www.medicare.gov>). Or, you can order a printed copy by phone at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.

Section 4.2	If you pay a Part D late enrollment penalty, there are several ways you can pay your penalty.
--------------------	--

Even though your premium is paid by your employer, you are responsible for paying your Part D late enrollment penalty.

If you pay a Part D late enrollment penalty, there are four ways you can pay the penalty. You can change your payment option by calling Customer Service. (Phone numbers are printed on the back over of this booklet).

If you decide to change the way you pay your late enrollment penalty, it can take up to three months for your new payment method to take effect. While we are processing your request for a new payment method, you are responsible for making sure that your late enrollment penalty is paid on time.

Option 1: You can pay by check, money order, or cash

You may decide to pay your late enrollment penalty directly to our Plan with check, money order, or cash. If you wish to pay by check, or money order, you will receive a bill for payment for you penalty. We will send you a bill by the 14th of the month before the month of coverage. For example, you will get the bill by January 14th for February's premium. We must receive your payment on or before the last day of the month before the month of coverage. Please include the coupon from your monthly statement to ensure your payment is posted quickly and accurately. Presbyterian MediCare PPO does not accept post-dated checks.

If you do not include your coupon from your monthly statement, please write your Presbyterian MediCare PPO member ID number on your personal check or money order. If the payment is for two members, write both Presbyterian MediCare PPO member ID numbers on the check or money order, as well as the amount intended for each to avoid delays in processing. If someone else is paying the late enrollment penalty for you, be sure your name and member ID number are written on his or her check.

Your payment should be made payable to Presbyterian Network, Inc. and needs to be mailed to:

Presbyterian Network, Inc.
P.O. Box 911594
Denver, CO 80291-1594

If you pay by check and it is returned for insufficient funds, we will send you a letter at the end of the month that the late enrollment penalty was due.

- The letter will notify you that you have 60 days to make payment. If we do not receive payment for the insufficient funds check after the first notice, you will receive a second notice.

Chapter 1. Getting started as a member

- The second notice will notify you that you have 30 days remaining to make payment in full or your coverage will be terminated. If you have not paid at the end of the 60-day grace period, we will send you a notice that you have been disenrolled for non-payment of late enrollment penalty.

Please do not mail in cash.

If you prefer, you can also bring in a check, money order or cash payment in person to our office from Monday – Friday, 8:00 a.m. to 5:00 p.m. (Mountain Time). Our address is:

Presbyterian Administrative Center
9521 San Mateo Blvd, NE
Albuquerque, NM 87113

Please call Customer Service if you lose your bill. (Phone numbers are printed on the back cover of this booklet).

Option 2: You can request your plan premium be automatically withdrawn from your bank account or credit card.

If you select automatic plan premium payment, your monthly plan premium is automatically paid from your bank account (checking or savings) or charged directly to your credit or debit card. This payment method is a safe and convenient option, eliminating the need of writing checks and handling the bills. This method offers you the security of knowing your payment will never be late, will be paid even when you are away from home, and it costs you nothing extra. The transaction will appear on your monthly bank or credit card statement, serving as your permanent record of payment.

- Funds are withdrawn from your checking or savings account, or charged directly to your credit or debit card automatically on the 25th of the month of coverage (For example, January premiums are withdrawn on January 25th).

To choose Option 2 or to change the account or credit card information, you must complete the “Premium Payment Option Form”. Please call Customer Service to learn how to start or stop automatic payments of your plan premium and other details about this option. (Phone numbers are printed on the back cover of this booklet).

Chapter 1. Getting started as a member

Option 3: You can make a one-time credit card payment over the phone.

You may also pay your late enrollment penalty by credit card over the phone with your Visa, MasterCard, or Discover card. Please contact Customer Service to make a one-time credit card payment over the phone. Please contact Customer Service to make a one-time credit card payment over the phone. You do not have to speak with a Customer Service representative to use this option. For your convenience when you call, please listen to the message and press 1 (make a premium payment) and follow the instructions. Note: Using this option does not set up recurring payments. If you want to set up automatic payments, refer to Option 2 above.

Option 4: You can have the plan premium taken out of your monthly Social Security check

You can have the late enrollment penalty taken out of your monthly Social Security check. Contact Customer Service for more information on how to pay your late enrollment penalty this way. We will be happy to help you set this up. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

What to do if you are having trouble paying your plan premium

Your penalty is due in our office by the last day of the month. If we have not received your penalty payment by the last day of the month, we will send you a notice telling you that your plan membership will end if we do not receive your late enrollment penalty within 60-day grace period. If you are required to pay a late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.

If you are having trouble paying your late enrollment penalty on time, please contact Customer Service to see if we can direct you to programs that will help with your penalty. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

If we end your membership because you did not pay your late enrollment penalty, you will have health coverage under Original Medicare.

If we end your membership with the plan because you did not pay your late enrollment penalty, and you don't currently have prescription drug coverage then you may not be able to receive Part D coverage until the following year if you enroll in a new plan during the annual enrollment period. During the annual enrollment period, you may either join a stand-alone prescription drug plan or a health plan that also provides drug coverage. (If you go without "creditable" drug coverage for more than 63 days, you may have to pay a late enrollment penalty for as long as you have Part D coverage.)

At the time we end your membership, you may still owe us for the penalty you have not paid. We have the right to pursue collection of the penalty amount you owe. In the future, if you want to enroll again in our plan (or another plan that we offer), you will need to pay the amount you owe before you can enroll.

Chapter 1. Getting started as a member

If you think we have wrongfully ended your membership, you have a right to ask us to reconsider this decision by making a complaint. Chapter 9, Section 10 of this booklet tells how to make a complaint. If you had an emergency circumstance that was out of your control and it caused you to not be able to pay your premiums within our grace period, you can ask Medicare to reconsider this decision by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Section 4.3 Can we change your monthly plan premium during the year?

No. We are not allowed to change the amount we charge for the plan's monthly plan premium during the year. If the monthly plan premium changes for next year we will tell you in September and the change will take effect on January 1.

However, in some cases, you may need to start paying or may be able to stop paying a late enrollment penalty. (The late enrollment penalty may apply if you had a continuous period of 63 days or more when you didn't have "creditable" prescription drug coverage.) This could happen if you become eligible for the "Extra Help" program or if you lose your eligibility for the "Extra Help" program during the year:

- If you currently pay the late enrollment penalty and become eligible for "Extra Help" during the year, you would be able to stop paying your penalty.
- If you ever lose "Extra Help", you must maintain your Part D coverage or you could be subject to a late enrollment penalty.

You can find out more about the "Extra Help" program in Chapter 2, Section 7.

SECTION 5 Please keep your plan membership record up to date

Section 5.1 How to help make sure that we have accurate information about you

Your membership record has information from your enrollment form, including your address and telephone number. It shows your specific plan coverage including your Primary Care Practitioner (PCP).

The doctors, hospitals, pharmacists, and other providers in the plan's network need to have correct information about you. **These network providers use your membership record to know what services and drugs are covered and the cost-sharing amounts for you.** Because of this, it is very important that you help us keep your information up to date.

Let us know about these changes:

- Changes to your name, your address, or your phone number.

Chapter 1. Getting started as a member

- Changes in any other health insurance coverage you have (such as from your employer, your spouse's employer, workers' compensation, or Medicaid).
- If you have any liability claims, such as claims from an automobile accident.
- If you have been admitted to a nursing home.
- If you receive care in an out-of-area or out-of-network hospital or emergency room.
- If your designated responsible party (such as a caregiver) changes.
- If you are participating in a clinical research study.

If any of this information changes, please let us know by calling Customer Service (phone numbers are printed on the back cover of this booklet).

It is also important to contact Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

Read over the information we send you about any other insurance coverage you have

Medicare requires that we collect information from you about any other medical or drug insurance coverage that you have. That's because we must coordinate any other coverage you have with your benefits under our plan. (For more information about how our coverage works when you have other insurance, see Section 7 in this chapter.)

Once each year, we will send you a letter that lists any other medical or drug insurance coverage that we know about. Please read over this information carefully. If it is correct, you don't need to do anything. If the information is incorrect, or if you have other coverage that is not listed, please call Customer Service (phone numbers are printed on the back cover of this booklet).

SECTION 6 We protect the privacy of your personal health information

Section 6.1 We make sure that your health information is protected

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

For more information about how we protect your personal health information, please go to Chapter 8, Section 1.4 of this booklet.

SECTION 7 How other insurance works with our plan

Section 7.1 Which plan pays first when you have other insurance?
--

When you have other insurance (like employer group health coverage), there are rules set by Medicare that decide whether our plan or your other insurance pays first. The insurance that pays first is called the “primary payer” and pays up to the limits of its coverage. The one that pays second, called the “secondary payer,” only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all of the uncovered costs.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member’s current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-stage Renal Disease (ESRD):
 - If you’re under 65 and disabled and you or your family member is still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan that has more than 100 employees.
 - If you’re over 65 and you or your spouse is still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan that has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers’ compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

If you have other insurance, tell your doctor, hospital, and pharmacy. If you have questions about who pays first, or you need to update your other insurance information, call Customer Service (phone numbers are printed on the back cover of this booklet). You may need to give your plan member ID number to your other insurers (once you have confirmed their identity) so your bills are paid correctly and on time.

SECTION 2 Medicare (how to get help and information directly from the Federal Medicare program)

Medicare is the Federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The Federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (sometimes called “CMS”). This agency contracts with Medicare Advantage organizations including us.

Method	Medicare – Contact Information
CALL	1-800-MEDICARE, or 1-800-633-4227 Calls to this number are free. 24 hours a day, 7 days a week.
TTY	1-877-486-2048 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free.

WEBSITE

<http://www.medicare.gov>

This is the official government website for Medicare. It gives you up-to-date information about Medicare and current Medicare issues. It also has information about hospitals, nursing homes, physicians, home health agencies, and dialysis facilities. It includes booklets you can print directly from your computer. You can also find Medicare contacts in your state.

The Medicare website also has detailed information about your Medicare eligibility and enrollment options with the following tools:

- **Medicare Eligibility Tool:** Provides Medicare eligibility status information.
- **Medicare Plan Finder:** Provides personalized information about available Medicare prescription drug plans, Medicare health plans, and Medigap (Medicare Supplement Insurance) policies in your area. These tools provide an *estimate* of what your out-of-pocket costs might be in different Medicare plans.

You can also use the website to tell Medicare about any complaints you have about Presbyterian MediCare PPO Sandia Plan:

- **Tell Medicare about your complaint:** You can submit a complaint about Presbyterian MediCare PPO Sandia Plan directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx. Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.

If you don't have a computer, your local library or senior center may be able to help you visit this website using its computer. Or, you can call Medicare and tell them what information you are looking for. They will find the information on the website, print it out, and send it to you. (You can call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)

- **Minimum essential coverage (MCE):** Coverage under this Plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at <http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision> for more information on the individual requirement for MEC.

Chapter 2. Important phone numbers and resources

SECTION 3 State Health Insurance Assistance Program (free help, information, and answers to your questions about Medicare)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In New Mexico, the SHIP is called the New Mexico Aging and Long-Term Services Department.

The New Mexico Aging and Long-Term Services Department is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

The New Mexico Aging and Long-Term Services Department counselors can help you with your Medicare questions or problems. They can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and help you straighten out problems with your Medicare bills. The New Mexico Aging and Long-Term Services Department counselors can also help you understand your Medicare plan choices and answer questions about switching plans.

Method	New Mexico Aging and Long-Term Services Department – Contact Information
CALL	1-866-451-2901 Calls to this number are free.
TTY	(505) 476-4937 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
WRITE	New Mexico Aging and Long-Term Services Department P.O. Box 27118 Santa Fe, NM 87502-7118
WEBSITE	http://www.nmaging.state.nm.us

SECTION 4 Quality Improvement Organization (paid by Medicare to check on the quality of care for people with Medicare)

There is a designated Quality Improvement Organization for serving Medicare beneficiaries in each state. For New Mexico, the Quality Improvement Organization is called KEPRO

KEPRO has a group of doctors and other health care professionals who are paid by the Federal government. This organization is paid by Medicare to check on and help improve the quality of care for people with Medicare. KEPRO is an independent organization. It is not connected with our plan.

You should contact KEPRO in any of these situations:

- You have a complaint about the quality of care you have received.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

Method	KEPRO (New Mexico's Quality Improvement Organization) – Contact Information
CALL	1-844-430-9504 Calls to this number are free.
TTY	1-855-843-4776 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
WRITE	5700 Lombardo Center Dr. Suite 100 Seven Hills, OH 44131
WEBSITE	http://www.keproqiocom/

SECTION 5 Social Security

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. Social Security handles the enrollment

Chapter 2. Important phone numbers and resources

process for Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

Social Security is also responsible for determining who has to pay an extra amount for their Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount or if your income went down because of a life-changing event, you can call Social Security to ask for a reconsideration.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

Method	Social Security – Contact Information
CALL	<p>1-800-772-1213</p> <p>Calls to this number are free.</p> <p>Available 7:00 am to 7:00 pm, Monday through Friday.</p> <p>You can use Social Security’s automated telephone services to get recorded information and conduct some business 24 hours a day.</p>
TTY	<p>1-800-325-0778</p> <p>This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.</p> <p>Calls to this number are free.</p> <p>Available 7:00 am to 7:00 pm, Monday through Friday.</p>
WEBSITE	<p>http://www.ssa.gov</p>

SECTION 6 Centennial Care (Medicaid)

(a joint Federal and state program that helps with medical costs for some people with limited income and resources)

Medicaid is a joint Federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid.

Chapter 2. Important phone numbers and resources

In addition, there are programs offered through Medicaid that help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost-sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- **Qualified Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

SECTION 7 Information about programs to help people pay for their prescription drugs

Medicare’s “Extra Help” Program

Medicare provides “Extra Help” to pay prescription drug costs for people who have limited income and resources. Resources include your savings and stocks, but not your home or car. If you qualify, you get help paying for any Medicare drug plan’s monthly premium, yearly deductible, and prescription copayments. This “Extra Help” also counts toward your out-of-pocket costs.

People with limited income and resources may qualify for “Extra Help.” Some people automatically qualify for “Extra Help” and don’t need to apply. Medicare mails a letter to people who automatically qualify for “Extra Help.”

Chapter 2. Important phone numbers and resources

You may be able to get “Extra Help” to pay for your prescription drug premiums and costs. To see if you qualify for getting “Extra Help,” call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day, 7 days a week;
- The Social Security Office at 1-800-772-1213, between 7 am to 7 pm, Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
- Your State Medicaid Office (applications). (See Section 6 of this chapter for contact information.)

If you believe you have qualified for “Extra Help” and you believe that you are paying an incorrect cost-sharing amount when you get your prescription at a pharmacy, our plan has established a process that allows you to either request assistance in obtaining evidence of your proper copayment level, or, if you already have the evidence, to provide this evidence to us.

- Presbyterian MediCare PPO is ready to help you. Please call Customer Service at 1-800-797-5343, (TTY users should call 711) within 10 days of paying the copayment or coinsurance that you believe is not correct. We may ask you to provide us with proof of your extra help eligibility as well as your receipt from the pharmacy. Customer Service will work with you, Medicare and the pharmacy to determine if you have paid the wrong copayment or coinsurance.
- Our plan also assists newly enrolled Medicare beneficiaries through My Advocate™, a service offered on behalf of Presbyterian. Our members can receive help in determining if they qualify for financial assistance through programs like “Extra Help” and the Medicare Savings Program. This personal and confidential help is available at no cost to our members. Call 1-866-851-0324, (TTY 1-855-368-9643) to determine if you are eligible for “Extra Help.”
- When we receive the evidence showing your copayment level, we will update our system so that you can pay the correct copayment when you get your next prescription at the pharmacy. If you overpay your copayment, we will reimburse you. Either we will forward a check to you in the amount of your overpayment or we will offset future copayments. If the pharmacy hasn’t collected a copayment from you and is carrying your copayment as a debt owed by you, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Please contact Customer Service if you have questions (phone numbers are printed on the back cover of this booklet).

Medicare Coverage Gap Discount Program

Presbyterian MediCare PPO Sandia Plan

- **Does not have a coverage gap.**
- Your plan continues to cover your drugs at your regular cost-sharing amount until you qualify for the Catastrophic Coverage Stage. Please go to Chapter 6, Section 5 for more information about your coverage during the Initial Coverage Stage.

What if you have coverage from an AIDS Drug Assistance Program (ADAP)?

What is the AIDS Drug Assistance Program (ADAP)?

The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance New Mexico Department of Health AIDS Drug Assistance Program (ADAP). *Note:* To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number.

New Mexico Department of Health AIDS Drug Assistance Program (ADAP)
1190 St. Francis Dr., Suite S1200
Santa Fe, NM 87502

For information on eligibility criteria, covered drugs, or how to enroll in the program, please call New Mexico Department of Health AIDS Drug Assistance Program (ADAP) at (505) 827-2435.

What if you get “Extra Help” from Medicare to help pay your prescription drug costs?

Can you get the discounts?

No. If you get “Extra Help,” you already get coverage for your prescription drug costs during the coverage gap.

What if you don’t get a discount, and you think you should have?

If you think that you have reached the coverage gap and did not get a discount when you paid for your brand name drug, you should review your next *Part D Explanation of Benefits* (Part D EOB) notice. If the discount doesn’t appear on your *Part D Explanation of Benefits*, you should contact us to make sure that your prescription records are correct and up-to-date. If we don’t

Chapter 2. Important phone numbers and resources

agree that you are owed a discount, you can appeal. You can get help filing an appeal from your State Health Insurance Assistance Program (SHIP) (telephone numbers are in Section 3 of this Chapter) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 8 How to contact the Railroad Retirement Board

The Railroad Retirement Board is an independent Federal agency that administers comprehensive benefit programs for the nation's railroad workers and their families. If you have questions regarding your benefits from the Railroad Retirement Board, contact the agency.

If you receive your Medicare through the Railroad Retirement Board, it is important that you let them know if you move or change your mailing address.

Method	Railroad Retirement Board – Contact Information
CALL	1-877-772-5772 Calls to this number are free. Available 9:00 am to 3:30 pm, Monday through Friday If you have a touch-tone telephone, recorded information and automated services are available 24 hours a day, including weekends and holidays.
TTY	1-312-751-4701 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are <i>not</i> free.
WEBSITE	http://www.rrb.gov

SECTION 9 Do you have “group insurance” or other health insurance from an employer?

If you (or your spouse) get benefits from your (or your spouse's) employer or retiree group as part of this plan, you may call the employer/union benefits administrator or Customer Service if you have any questions. You can ask about your (or your spouse's) employer or retiree health benefits, premiums, or the enrollment period. (Phone numbers for Customer Service are printed on the back cover of this booklet.) You may also call 1-800-MEDICARE (1-800-633-4227; TTY: 1-877-486-2048) with questions related to your Medicare coverage under this plan.

Chapter 2. Important phone numbers and resources

If you have other prescription drug coverage through your (or your spouse's) employer or retiree group, please contact **that group's benefits administrator**. The benefits administrator can help you determine how your current prescription drug coverage will work with our plan.

Section 7.1	Will you own the durable medical equipment after making a certain number of payments under our plan?	60

SECTION 1 Things to know about getting your medical care covered as a member of our plan

This chapter explains what you need to know about using the plan to get your medical care coverage. It gives definitions of terms and explains the rules you will need to follow to get the medical treatments, services, and other medical care that are covered by the plan.

For the details on what medical care is covered by our plan and how much you pay when you get this care, use the benefits chart in the next chapter, Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*).

Section 1.1 What are “network providers” and “covered services”?
--

Here are some definitions that can help you understand how you get the care and services that are covered for you as a member of our plan:

- **“Providers”** are doctors and other health care professionals licensed by the state to provide medical services and care. The term “providers” also includes hospitals and other health care facilities.
- **“Network providers”** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.
- **“Covered services”** include all the medical care, health care services, supplies, and equipment that are covered by our plan. Your covered services for medical care are listed in the benefits chart in Chapter 4.

Section 1.2 Basic rules for getting your medical care covered by the plan

As a Medicare health plan, Presbyterian MediCare PPO Sandia Plan must cover all services covered by Original Medicare and must follow Original Medicare's coverage rules.

Presbyterian MediCare PPO Sandia Plan will generally cover your medical care as long as:

- **The care you receive is included in the plan's Medical Benefits Chart** (this chart is in Chapter 4 of this booklet).
- **The care you receive is considered medically necessary.** “Medically necessary” means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

- **You receive your care from a provider who is eligible to provide services under Original Medicare.** As a member of our plan, you can receive your care from either a network provider or an out-of-network provider (for more about this, see Section 2 in this chapter).
 - The providers in our network are listed in the *Provider Directory*.
 - If you use an out-of-network provider, your share of the costs for your covered services may be higher.
 - **Please note:** While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you go to a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.

SECTION 2 Using network and out-of-network providers to get your medical care

Section 2.1 You may choose a Primary Care Practitioner (PCP) to provide and oversee your medical care

What is a “PCP” and what does the PCP do for you?

As a member, you may choose any available network provider to be your Primary Care Practitioner (PCP). Choosing a PCP is optional and not a requirement of this plan. Your PCP is a physician, nurse practitioner, or other health professional that meets state requirements and is trained to give you basic medical care. As we explain below, you will get your routine or basic care from your PCP and is the first person you should call when you need medical care, except in an emergency or urgent care situation.

Your PCP will provide most of your care and will help you arrange and coordinate the rest of the covered services you get as a member of our plan. “Coordinating” your services includes checking or consulting with other network providers about your care and how it is going. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP’s office.

In-Network Practitioner or Providers:

A referral is not required to any network practitioner or provider; however:

- Some services you receive may require a prior authorization from the plan. Please see the Medical Benefits Chart in Chapter 4, Section 2 for information about what services require prior authorizations or contact Customer Service at the telephone number listed on the back cover of this booklet.

How do you choose your PCP?

As a member of Presbyterian MediCare PPO Sandia Plan, you may select your PCP at the time of enrolling in our plan. The PCP you select will be your personal physician, who will get to know you and take care of all your medical needs. Your PCP will be responsible for coordinating your care, except in an emergency or urgent care situation.

We recommend you choose a PCP close to your home. Having your PCP nearby makes receiving medical care and developing a trusting and open relationship with your PCP that much easier. The Presbyterian MediCare PPO Provider Directory provides a complete list of network practitioners and providers. If you need help choosing or changing your PCP, please contact Customer Service at the telephone number listed on the back cover of this booklet.

If you cannot find your current doctor in this directory, and would like to confirm that your doctor is in our plan, or you are selecting a new PCP and would like to know if the PCP is accepting new patients, please contact Customer Service at the telephone number listed on the back cover of this booklet. You can also email Customer Service at info@phs.org. Our listing of practitioners may change from time to time, and our representatives have the most up-to-date information available for you. You may also visit our Web site at www.phs.org/Medicare.

Changing your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP in our plan.

To change your PCP, please contact Customer Service at the telephone number listed on the back cover of this booklet. Your request may be in writing, telephone, email to info@phs.org, or on the Presbyterian Web site at www.phs.org/Medicare. PCP changes take effect on the next business day after your request. Customer Service will check to make sure the network PCP you selected is accepting new patients. Customer Service will change your membership record to show the name of your new network PCP and tell you when the change to your new network PCP will take effect.

Our goal is to make your transition to a new PCP as seamless as possible with no interruption to your care. As always, if you have an urgent or emergent medical need, we encourage you to seek care at an appropriate urgent care or emergency facility.

Section 2.2	What kinds of medical care can you get without getting approval in advance from your PCP?
--------------------	--

You can get the services listed below without getting approval in advance from your PCP.

- Routine women's health care, which includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams.
- Flu shots, Hepatitis B vaccinations, and pneumonia vaccinations.
- Emergency services from network providers or from out-of-network providers.

- Urgently needed services from network providers or from out-of-network providers when network providers are temporarily unavailable or inaccessible, e.g., when you are temporarily outside of the plan's service area.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area. If possible, please let us know before you leave the service area so we can help arrange for you to have maintenance dialysis while you are away.
- To obtain care after normal office hours call 911 in an emergency or for medical advice call PresRN at 1-800-887-9917.

Section 2.3 How to get care from specialists and other network providers

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

In-Network:

Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a member of our plan.

We do not require a referral from your PCP to see an in-network specialist.

- All Presbyterian MediCare PPO Sandia Plan members will have direct access to Presbyterian MediCare PPO participating practitioners and providers, including specialists. Referrals are not required between Presbyterian MediCare PPO participating practitioners/providers. It is expected that the personal physician will be identified before or at the time of member appointment, and communication will occur between Presbyterian MediCare PPO practitioners/providers in an effort to provide coordinated quality, cost-effective care for all Presbyterian MediCare PPO Sandia Plan members.
- Providers are required to assist Presbyterian MediCare PPO Sandia Plan members in obtaining prior authorization.
 - For some types of services and care, your provider may need to get approval in advance from our plan (this is called getting "prior authorization"). Services that need prior authorization are identified by statements in bold in the Medical Benefits Chart in Chapter 4, Section 2.1. You are responsible for making sure that your provider has obtained prior authorization from the plan before you receive care or services that require it.

Out-of-Network:

You do not need a prior authorization if you are going to see an out-of-network specialist or receive out-of-network services. However, your out-of-pocket costs may be higher than if you use our plan providers. (The exception is if you use non-plan providers for emergency care.)

What if a specialist or another network provider leaves our plan?

We may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- When possible we will provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out that your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider and managing your care.

Customer Service is available to help you locate a new specialist or provider. You can access a list of our plan providers on our Web site at www.phs.org/Medicare, or call Customer Service (phone numbers are on the back cover of this booklet).

Section 2.4	How to get care from out-of-network providers
--------------------	--

As a member of our plan, you can choose to receive care from out-of-network providers. Our plan will cover services from either network or out-of-network providers, as long as the services are covered benefits and are medically necessary. However, **if you use an out-of-network provider, your share of the costs for your covered services may be higher.** Here are other important things to know about using out-of-network providers:

- You can get your care from an out-of-network provider, however, in most cases that provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you receive care from a provider who is not eligible to participate in Medicare, you will be responsible for

the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.

- You don't need to get a referral or prior authorization when you get care from out-of-network providers. However, before getting services from out-of-network providers you may want to ask for a pre-visit coverage decision to confirm that the services you are getting are covered and are medically necessary. (See Chapter 9, Section 4 for information about asking for coverage decisions.) This is important because:
 - Without a pre-visit coverage decision, if we later determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. If we say we will not cover your services, you have the right to appeal our decision not to cover your care. See Chapter 9 (*What to do if you have a problem or complaint*) to learn how to make an appeal.
- It is best to ask an out-of-network provider to bill the plan first. But, if you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. Or if an out-of-network provider sends you a bill that you think we should pay, you can send it to us for payment. See Chapter 7 (*Asking us to pay our share of a bill you have received for covered medical services or drugs*) for information about what to do if you receive a bill or if you need to ask for reimbursement.
- If you are using an out-of-network provider for emergency care, urgently needed services, or out-of-area dialysis, you may not have to pay a higher cost-sharing amount. See Section 3 for more information about these situations.

SECTION 3 How to get covered services when you have an emergency or urgent need for care or during a disaster

Section 3.1 Getting care if you have a medical emergency
--

What is a “medical emergency” and what should you do if you have one?

A “**medical emergency**” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP.

- **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please contact the Presbyterian Customer Service Center at (505) 923-6060 or 1-800-797-5343 for additional information, (TTY users should call 711). Monday through Sunday, from 8:00 a.m. to 8:00 p.m. From February 15 to September 30, the Presbyterian Customer Service Center uses a voice response system to assist you after hours, Saturday, Sunday, and holidays. Messages left will be responded to within one business day. Customer Service also has free language interpreter services available for non-English speakers.

What is covered if you have a medical emergency?

You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. For more information, see the Medical Benefits Chart in Chapter 4 of this booklet.

Our plan covers emergency care worldwide. Please contact Customer Service for more information about emergency care coverage outside of the United States. The phone number can be found on the back page of this booklet. For more information about covered emergency medical care, see the Medical Benefits Chart in Chapter 4.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital in order to pay the in-network cost-sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered but you will pay the out-of-network cost-sharing amount for the part of your stay after you are stabilized.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn't a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor has said that it was *not* an emergency, the amount of cost-sharing that you pay will depend on whether you get the care from network providers or out-of-network providers. If you get the care from network providers, your share of the costs will usually be lower than if you get the care from out-of-network providers.

Section 3.2 Getting care when you have an urgent need for services

What are “urgently needed services”?

“Urgently needed services” are non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible. The unforeseen condition could, for example, be an unforeseen flare-up of a known condition that you have.

What if you are in the plan's service area when you have an urgent need for care?

In most situations, if you are in the plan's service area and you use an out-of-network provider, you will pay a higher share of the costs for your care. However, if the circumstances are unusual or extraordinary, and network providers are temporarily unavailable or inaccessible, we will allow you to get covered services from an out-of-network provider at the lower in-network cost-sharing amount.

We know that sometimes it is difficult to know what type of care you need. Presbyterian Medicare PPO members have access to PresRN, a nurse advice line available to you 24 hours a day, 7 days a week, including holidays. There is no charge to call our experienced registered nurses (RN) for answers to your questions and health concerns. As always, if you are having a medical emergency, please call 911. PresRN is an easy way to speak with a Presbyterian nurse if you are not feeling well and do not know what to do. Just call (505) 923-5573 or 1-800-887-9917 and one of our qualified nurses will listen to your health concerns and give you the answers that you need to care for you and your family. Our Presbyterian nurses are happy to answer general health questions when you are healthy too.

Our nurses assess your symptoms using nationally recognized protocols and give you the information you need to take care of yourself and your family. Whether your situation requires a trip to the emergency room or self-care at home, you will know what to do. Our nurses will guide you to the most appropriate care option, including:

- nurse or physician advice (no charge)
- a scheduled physician telephone visit (no charge)
- an urgent care visit (urgent care copayment applies)
- an emergency visit (emergency copayment applies)

As part of your Presbyterian healthcare team, we let your doctor, care coordinator and health coach know of your health concern so that you will have continued care and follow up. Most importantly – we are here when you need answers.

If an urgent situation occurs, you should go directly to the nearest urgent care center for treatment. We will cover the service in accordance with your benefit. You should contact your PCP following any urgent care visits.

What if you are outside the plan's service area when you have an urgent need for care?

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider at the lower in-network cost-sharing amount.

Our plan does cover emergency and urgently needed services if you receive the care outside of the United States.

Section 3.3	Getting care during a disaster
--------------------	---------------------------------------

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from your plan.

Please visit the following website: www.phs.org/Medicare for information on how to obtain needed care during a disaster.

Generally, during a disaster, your plan will allow you to obtain care from out-of-network providers at in-network cost-sharing. If you cannot use a network pharmacy during a disaster, you may be able to fill your prescription drugs at an out-of-network pharmacy. Please see Chapter 5, Section 2.5 for more information.

SECTION 4

What if you are billed directly for the full cost of your covered services?

Section 4.1	You can ask us to pay our share of the cost of covered services
--------------------	--

If you have paid more than your share for covered services, or if you have received a bill for the full cost of covered medical services, go to Chapter 7 (*Asking us to pay our share of a bill you have received for covered medical services or drugs*) for information about what to do.

Section 4.2	If services are not covered by our plan, you must pay the full cost
--------------------	--

Presbyterian MediCare PPO Sandia Plan covers all medical services that are medically necessary, are listed in the plan's Medical Benefits Chart (this chart is in Chapter 4 of this booklet), and are obtained consistent with plan rules. You are responsible for paying the full cost of services that aren't covered by our plan, either because they are not plan covered services, or plan rules were not followed.

If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get it. You also have the right to ask for this in writing. If we say we will not cover your services, you have the right to appeal our decision not to cover your care.

Chapter 9 (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*) has more information about what to do if you want a coverage decision from us or want to appeal a decision we have already made. You may also call Customer Service to get more information (phone numbers are printed on the back cover of this booklet).

For covered services that have a benefit limitation, you pay the full cost of any services you get after you have used up your benefit for that type of covered service. The costs you pay after you have reached the benefit limitation will not count toward your out-of-pocket maximum. You can call Customer Service when you want to know how much of your benefit limit you have already used.

SECTION 5 How are your medical services covered when you are in a “clinical research study”?

Section 5.1 What is a “clinical research study”?
--

A clinical research study (also called a “clinical trial”) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. They test new medical care procedures or drugs by asking for volunteers to help with the study. This kind of study is one of the final stages of a research process that helps doctors and scientists see if a new approach works and if it is safe.

Not all clinical research studies are open to members of our plan. Medicare first needs to approve the research study. If you participate in a study that Medicare has *not* approved, *you will be responsible for paying all costs for your participation in the study.*

Once Medicare approves the study, someone who works on the study will contact you to explain more about the study and see if you meet the requirements set by the scientists who are running the study. You can participate in the study as long as you meet the requirements for the study *and* you have a full understanding and acceptance of what is involved if you participate in the study.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for the covered services you receive as part of the study. When you are in a clinical research study, you may stay enrolled in our plan and continue to get the rest of your care (the care that is not related to the study) through our plan.

If you want to participate in a Medicare-approved clinical research study, you do *not* need to get approval from us or your PCP. The providers that deliver your care as part of the clinical research study do *not* need to be part of our plan's network of providers.

Although you do not need to get our plan's permission to be in a clinical research study, **you do need to tell us before you start participating in a clinical research study.** Here is why you need to tell us:

1. We can let you know whether the clinical research study is Medicare-approved.
2. We can tell you what services you will get from clinical research study providers instead of from our plan.

If you plan on participating in a clinical research study, contact Customer Service (phone numbers are printed on the back cover of this booklet).

Section 5.2	When you participate in a clinical research study, who pays for what?
--------------------	--

Once you join a Medicare-approved clinical research study, you are covered for routine items and services you receive as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

Original Medicare pays most of the cost of the covered services you receive as part of the study. After Medicare has paid its share of the cost for these services, our plan will also pay for part of the costs. We will pay the difference between the cost-sharing in Original Medicare and your cost-sharing as a member of our plan. This means you will pay the same amount for the services you receive as part of the study as you would if you received these services from our plan.

Here's an example of how the cost-sharing works: Let's say that you have a lab test that costs \$100 as part of the research study. Let's also say that your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan's benefits. In this case, Original Medicare would pay \$80 for the test and we would pay another \$10. This means that you would pay \$10, which is the same amount you would pay under our plan's benefits.

In order for us to pay for our share of the costs, you will need to submit a request for payment. With your request, you will need to send us a copy of your Medicare Summary Notices or other documentation that shows what services you received as part of the study and how much you owe. Please see Chapter 7 for more information about submitting requests for payment.

When you are part of a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare will *not* pay for the new item or service that the study is testing unless Medicare would cover the item or service even if you were *not* in a study.
- Items and services the study gives you or any participant for free.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.

Do you want to know more?

You can get more information about joining a clinical research study by reading the publication “Medicare and Clinical Research Studies” on the Medicare website (<http://www.medicare.gov>). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 6 Rules for getting care covered in a “religious non-medical health care institution”

Section 6.1	What is a religious non-medical health care institution?
--------------------	---

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility care. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we will instead provide coverage for care in a religious non-medical health care institution. You may choose to pursue medical care at any time for any reason. This benefit is provided only for Part A inpatient services (non-medical health care services). Medicare will only pay for non-medical health care services provided by religious non-medical health care institutions.

Section 6.2	What care from a religious non-medical health care institution is covered by our plan?
--------------------	---

To get care from a religious non-medical health care institution, you must sign a legal document that says you are conscientiously opposed to getting medical treatment that is “non-excepted.”

- “Non-excepted” medical care or treatment is any medical care or treatment that is *voluntary* and *not required* by any federal, state, or local law.
- “Excepted” medical treatment is medical care or treatment that you get that is *not* voluntary or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services you receive is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in your home, our plan will cover these services only if your condition would ordinarily meet the conditions for coverage of services given by home health agencies that are not religious non-medical health care institutions.
- If you get services from this institution that are provided to you in a facility, the following conditions apply:
 - You must have a medical condition that would allow you to receive covered services for inpatient hospital care or skilled nursing facility care.
 - – *and* – you must get approval in advance from our plan before you are admitted to the facility or your stay will not be covered.

For more information about our Plan's limitations, cost-sharing and benefits, please refer to chapter 4 Medical Benefits Chart, Inpatient Hospital for coverage limitations.

SECTION 7 Rules for ownership of durable medical equipment

Section 7.1	Will you own the durable medical equipment after making a certain number of payments under our plan?
--------------------	---

Durable medical equipment includes items such as oxygen equipment and supplies, wheelchairs, walkers, and hospital beds ordered by a provider for use in the home. Certain items, such as prosthetics, are always owned by the member. In this section, we discuss other types of durable medical equipment that must be rented.

In Original Medicare, people who rent certain types of durable medical equipment own the equipment after paying copayments for the item for 13 months. As a member of Presbyterian MediCare PPO Sandia Plan, however, you usually will not acquire ownership of rented durable medical equipment items no matter how many copayments you make for the item while a member of our plan. Under certain limited circumstances we will transfer ownership of the durable medical equipment item. Call Customer Service (phone numbers are printed on the back cover of this booklet) to find out about the requirements you must meet and the documentation you need to provide.

What happens to payments you have made for durable medical equipment if you switch to Original Medicare?

If you switch to Original Medicare after being a member of our plan: If you did not acquire ownership of the durable medical equipment item while in our plan, you will have to make 13 new consecutive payments for the item while in Original Medicare in order to acquire ownership of the item. Your previous payments while in our plan do not count toward these 13 consecutive payments.

If you made payments for the durable medical equipment item under Original Medicare *before* you joined our plan, these previous Original Medicare payments also do not count toward the 13 consecutive payments. You will have to make 13 consecutive payments for the item under Original Medicare in order to acquire ownership. There are no exceptions to this case when you return to Original Medicare.

CHAPTER 4

*Medical Benefits Chart
(what is covered and what you pay)*

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Section 2.1	Your medical benefits and costs as a member of the plan	66
SECTION 3	What services are not covered by the plan?	100
Section 3.1	Services we do <i>not</i> cover (exclusions)	100

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

SECTION 1 Understanding your out-of-pocket costs for covered services

This chapter focuses on your covered services and what you pay for your medical benefits. It includes a Medical Benefits Chart that lists your covered services and shows how much you will pay for each covered service as a member of Presbyterian MediCare PPO Sandia Plan. Later in this chapter, you can find information about medical services that are not covered. It also explains limits on certain services.

Section 1.1	Types of out-of-pocket costs you may pay for your covered services
--------------------	---

To understand the payment information we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services.

- A **“copayment”** is the fixed amount you pay each time you receive certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your copayments.)
- **“Coinsurance”** is the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your coinsurance.)

Some people qualify for State Medicaid programs to help them pay their out-of-pocket costs for Medicare. (These “Medicare Savings Programs” include the Qualified Medicare Beneficiary (QMB), Specified Low-Income Medicare Beneficiary (SLMB), Qualifying Individual (QI), and Qualified Disabled & Working Individuals (QDWI) programs.) If you are enrolled in one of these programs, you may still have to pay a copayment for the service, depending on the rules in your state.

Section 1.2	What is the most you will pay for covered medical services?
--------------------	--

Under our plan, there are two different limits on what you have to pay out-of-pocket for covered medical services:

- Your **in-network maximum out-of-pocket amount** is \$1,500. This is the most you pay during the calendar year for covered services received from network providers. The amounts you pay for copayments and coinsurance for covered services from network providers count toward this in-network maximum out-of-pocket amount. (The amounts you pay for plan premiums, Part D prescription drugs, and services from out-of-network providers do not count toward your in-network maximum out-of-pocket amount. If you have paid \$1,500 for covered services from network providers, you will not have any out-of-pocket costs for the rest of the year when you see our network providers.)

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

However, you must continue to pay your plan premium and the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

- Your **combined maximum out-of-pocket amount** is \$10,000. This is the most you pay during the calendar year for covered services received from both in-network and out-of-network providers. The amounts you pay for copayments and coinsurance for covered services count toward this combined maximum out-of-pocket amount. (The amounts you pay for your plan premiums and for your Part D prescription drugs do not count toward your combined maximum out-of-pocket amount. If you have paid \$10,000 for covered services, you will have 100% coverage and will not have any out-of-pocket costs for the rest of the year for covered services. However, you must continue to pay your plan premium and the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Section 1.3	Our plan does not allow providers to “balance bill” you
--------------------	--

As a member of Presbyterian MediCare PPO Sandia Plan, an important protection for you is that you only have to pay your cost-sharing amount when you get services covered by our plan. We do not allow providers to add additional separate charges, called “balance billing.” This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges.

Here is how this protection works.

- If your cost-sharing is a copayment (a set amount of dollars, for example, \$15.00), then you pay only that amount for any covered services from a network provider. You will generally have higher copays when you obtain care from out-of-network providers.
- If your cost-sharing is a coinsurance (a percentage of the total charges), then you never pay more than that percentage. However, your cost depends on which type of provider you see:
 - If you obtain covered services from a network provider, you pay the coinsurance percentage multiplied by the plan’s reimbursement rate (as determined in the contract between the provider and the plan).
 - If you obtain covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers.
 - If you obtain covered services from an out-of-network provider who does not participate with Medicare, then you pay the coinsurance amount multiplied by the Medicare payment rate for non-participating providers.
- If you believe a provider has “balance billed” you, call Customer Service (phone numbers are printed on the back cover of this booklet).

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

SECTION 2 Use the *Medical Benefits Chart* to find out what is covered for you and how much you will pay

Section 2.1 Your medical benefits and costs as a member of the plan

The Medical Benefits Chart on the following pages lists the services Presbyterian MediCare PPO Sandia Plan covers and what you pay out-of-pocket for each service. The services listed in the Medical Benefits Chart are covered only when the following coverage requirements are met:

- Your Medicare covered services must be provided according to the coverage guidelines established by Medicare.
- Your services (including medical care, services, supplies, and equipment) *must* be medically necessary. “Medically necessary” means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- Some of the services listed in the Medical Benefits Chart are covered as in-network services *only* if your doctor or other network provider gets approval in advance (sometimes called “prior authorization”) from Presbyterian MediCare PPO Sandia Plan.
 - Covered services that need approval in advance to be covered as in-network services are marked in bold **Authorization is required or Authorization rules may apply** in the Medical Benefits Chart.
 - You never need approval in advance for out-of-network services from out-of-network providers.
 - While you don’t need approval in advance for out-of-network services, you or your doctor can ask us to make a coverage decision in advance.

Other important things to know about our coverage:

- For benefits where your cost-sharing is a coinsurance percentage, the amount you pay depends on what type of provider you receive the services from:
 - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan’s reimbursement rate (as determined in the contract between the provider and the plan)
 - If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers,
 - If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

- Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay *more* in our plan than you would in Original Medicare. For others, you pay *less*. (If you want to know more about the coverage and costs of Original Medicare, look in your *Medicare & You 2016* Handbook. View it online at <http://www.medicare.gov> or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)
- For all preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition.
- Sometimes, Medicare adds coverage under Original Medicare for new services during the year. If Medicare adds coverage for any services during 2016, either Medicare or our plan will cover those services.

You will see this apple next to the preventive services in the benefits chart.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)**Medical Benefits Chart**

Services that are covered for you	What you must pay when you get these services
<p> Abdominal aortic aneurysm screening</p> <p>A one-time screening ultrasound for people at risk. The plan only covers this screening if you have certain risk factors and if a physician, physician assistant, nurse practitioner, or clinical nurse specialist requests this for you.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p>Acupuncture</p> <ul style="list-style-type: none"> • 20 visits per calendar year. 	<p>In-Network \$15 copayment.</p> <p>Out-of-Network \$55 copayment.</p>
<p>Ambulance services</p> <ul style="list-style-type: none"> • Covered ambulance services include fixed wing, rotary wing, and ground ambulance services, to the nearest appropriate facility that can provide care only if they are furnished to a member whose medical condition is such that other means of transportation could endanger the person's health or if authorized by the plan. • We also cover the services of a licensed ambulance anywhere in the world without prior authorization (including transportation through the 911 emergency response system where available) if one of the following is true: <ul style="list-style-type: none"> ○ You reasonably believe that you have an emergency medical condition and you reasonably believe that your condition requires the clinical support of ambulance transport services. 	<p><u>Authorization required for non-emergency services for In-Network only.</u></p> <p>In- and Out-of-Network \$75 copayment per one-way trip.</p> <p>One copayment per day/per trip when there is more than one trip in a single day.</p> <p>Copayment is not waived if admitted.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<ul style="list-style-type: none"> ○ Your treating physician determines that you must be transported to another facility because your emergency medical condition is not stabilized and the care you need is not available at the treating facility. ○ You may need to file a claim for reimbursement unless the provider agrees to bill us (see Chapter 7, – Section 2.1) ● Non-emergency transportation by ambulance is appropriate if it is documented that the member’s condition is such that other means of transportation could endanger the person’s health and that transportation by ambulance is medically required. 	
<p> Annual routine physical exams</p> <p>Routine physical exams are covered if the exam is medically appropriate preventive care in accord with generally accepted professional standards of practice.</p> <p>This exam is covered every 12 months.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p> Annual wellness visit</p> <p>If you’ve had Part B for longer than 12 months, you can get an annual wellness visit to develop or update a personalized prevention plan based on your current health and risk factors. This is covered once every 12 months.</p> <p>Note: Your first annual wellness visit can’t take place within 12 months of your “Welcome to Medicare” preventive visit. However, you don’t need to have had a “Welcome to Medicare” visit to be covered for annual wellness visits after you’ve had Part B for 12 months.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p> Bone mass measurement</p> <p>For qualified individuals (generally, this means people at risk of losing bone mass or at risk of osteoporosis), the following services are covered every 24 months or more frequently if medically necessary: procedures to identify bone mass, detect bone loss, or determine bone quality, including a physician's interpretation of the results.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p> Breast cancer screening (mammograms)</p> <p>Covered services include:</p> <ul style="list-style-type: none"> • One baseline mammogram between the ages of 35 and 39 • One screening mammogram every 12 months for women age 40 and older • Clinical breast exams once every 24 months 	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p>Cardiac rehabilitation services</p> <p>Comprehensive programs of cardiac rehabilitation services that include exercise, education, and counseling are covered for members who meet certain conditions with a doctor's order. The plan also covers intensive cardiac rehabilitation programs that are typically more rigorous or more intense than cardiac rehabilitation programs.</p> <p>No limit on the number of cardiac or intensive rehabilitation services.</p>	<p>In-Network No charge.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p> Cardiovascular disease risk reduction visit (therapy for cardiovascular disease)</p> <p>We cover one visit per year with your primary care doctor to help lower your risk for cardiovascular disease. During this visit, your doctor may discuss aspirin use (if appropriate), check your blood pressure, and give you tips to make sure you're eating well.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p> Cardiovascular disease testing</p> <p>Blood tests for the detection of cardiovascular disease (or abnormalities associated with an elevated risk of cardiovascular disease) once every 5 years (60 months).</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p> Cervical and vaginal cancer screening</p> <p>Covered services include:</p> <ul style="list-style-type: none"> • For all women: Pap tests and pelvic exams are covered once every 24 months • If you are at high risk of cervical cancer or have had an abnormal Pap test and are of childbearing age: one Pap test every 12 months 	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Chiropractic services</p> <p>Covered services include:</p> <ul style="list-style-type: none"> We cover only Manual manipulation of the spine to correct subluxation 	<p>In-Network \$20 copayment.</p> <p>Out-of-Network \$55 copayment.</p>
<p> Colorectal cancer screening</p> <p>For people 50 and older, the following are covered:</p> <ul style="list-style-type: none"> Flexible sigmoidoscopy (or screening barium enema as an alternative) every 48 months Fecal occult blood test, every 12 months <p>For people at high risk of colorectal cancer, we cover:</p> <ul style="list-style-type: none"> Screening colonoscopy (or screening barium enema as an alternative) every 24 months <p>For people not at high risk of colorectal cancer, we cover:</p> <ul style="list-style-type: none"> Screening colonoscopy every 10 years (120 months), but not within 48 months of a screening sigmoidoscopy 	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p>Dental services</p> <p>In general, preventive dental services (such as cleaning, routine dental exams, and dental x-rays) are not covered by Original Medicare.</p> <p>We cover:</p> <p><u>Non-routine dental care</u> (covered services by a dentist or oral surgeon are limited to surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw for radiation treatments of neoplastic disease, or services that would be covered when provided by a medical provider.)</p>	<p>In-Network \$30 copayment.</p> <p>Out-of-Network \$55 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p> Depression screening</p> <p>We cover one screening for depression per year. The screening must be done in a primary care setting that can provide follow-up treatment.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p> Diabetes screening</p> <p>We cover this screening (includes fasting glucose tests) if you have any of the following risk factors: high blood pressure (hypertension), history of abnormal cholesterol and triglyceride levels (dyslipidemia), obesity, or a history of high blood sugar (glucose). Tests may also be covered if you meet other requirements, like being overweight and having a family history of diabetes.</p> <p>Based on the results of these tests, you may be eligible for up to two diabetes screenings every 12 months.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p> Diabetes self-management training, diabetic services and supplies</p> <p>For all people who have diabetes (insulin and non-insulin users). Covered services include:</p> <ul style="list-style-type: none"> • Supplies to monitor your blood glucose: Blood glucose monitor, blood glucose test strips, lancet devices and lancets, and glucose-control solutions for checking the accuracy of test strips and monitors. • For people with diabetes who have severe diabetic foot disease: One pair per calendar year of therapeutic custom-molded shoes (including inserts provided with such shoes) and two additional pairs of inserts, or one pair of depth shoes and three pairs of inserts (not including the non-customized removable inserts provided with such shoes). Coverage includes fitting. • Diabetes self-management training is covered under certain conditions • Diabetic supplies and services are limited to specific manufactures, products and/or brands. Contact the plan for a list of covered supplies. 	<p>Authorization rules apply for In-Network services only.</p> <p>In-Network No charge for diabetic monitoring supplies, therapeutic shoes or inserts, and self-management training.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network 10% of the cost.</p>
<p>Durable medical equipment and related supplies</p> <p>(For a definition of “durable medical equipment,” see Chapter 12 of this booklet.)</p> <p>Covered items include, but are not limited to: wheelchairs, crutches, hospital bed, IV infusion pump, oxygen equipment, nebulizer, and walker.</p> <p>We cover all medically necessary durable medical equipment covered by Original Medicare. If our supplier in your area does not carry a particular brand or manufacturer, you may ask them if they can special order it for you.</p>	<p>Authorization rules may apply for In-Network services only.</p> <p>In-Network No charge for ostomy supplies.</p> <p>\$10 copayment for each durable medical equipment item.</p> <p>Out-of-Network \$50 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Emergency care</p> <p>Emergency care refers to services that are:</p> <ul style="list-style-type: none"> • Furnished by a provider qualified to furnish emergency services, and • Needed to evaluate or stabilize an emergency medical condition. <p>A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.</p> <p>You have worldwide emergency care coverage.</p> <p>If you are admitted to the hospital within 24 hours, you do not have to pay your emergency room copayment.</p> <ul style="list-style-type: none"> • You may need to file a claim for reimbursement unless the provider agrees to bill us (see Chapter 7, Section 2.1). 	<p>In- and Out-of-Network</p> <p>\$50 copayment per emergency department visit.</p> <p>This copayment does not apply if you are admitted to the hospital within 24 hours, for the same condition.</p> <p>If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital in order to pay the in-network cost-sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered but you will pay the out-of-network cost-sharing amount for the part of your stay after you are stabilized.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p> Health and wellness education programs</p> <p>Health Education program: We also cover a variety of health education counseling programs and materials to help you take an active role in protecting and improving your health, including programs for chronic medical conditions (such as asthma, chronic obstructive pulmonary disease (COPD), congestive heart failure, coronary artery disease, diabetes, heart failure and hypertension), nutrition, obesity, stress management, tobacco-cessation.</p> <p>Wellness program:</p> <p>Healthways Silver Sneakers® Fitness Center Memberships: A health and fitness benefit is provided through Healthways SilverSneakers®, Fitness Program that includes the following:</p> <ul style="list-style-type: none"> • A basic fitness membership with access to all participating fitness locations and their basic amenities. • SilverSneakers® group fitness classes, taught by certified instructors that focus on cardiovascular health, muscle strengthening, flexibility, agility, balance, and coordination. • Health education events and social activities focused on overall well-being. • Access to www.silversneakers.com/member, a secure online community for members only, with wellness advice and fitness support information. • SilverSneakers® Steps, self-directed fitness program for members without convenient access to SilverSneakers fitness locations, which includes tools and resources to help you get fit at home or on the go. <p>Non-covered services include, but are not limited to:</p> <ul style="list-style-type: none"> • programs, services, and facilities that carry additional charges, such as racquetball, tennis, and some court sports, massage therapy, lessons related to recreational sports, tournaments, personal trainers, exercise equipment, an similar fee-based activities. 	<p>In-Network No charge.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>For more information about SilverSneakers® and the list of participating fitness locations in your area, call toll-free 1-888-423-4632, Monday through Friday, 8 a.m. to 8 p.m. (EST) or visit www.silversneakers.com. Also you can simply go to a participating fitness location and show your Presbyterian MediCare PPO membership card to enroll in the program.</p>	
<p>Hearing services</p> <p>Diagnostic hearing and balance evaluations performed by your provider to determine if you need medical treatment are covered as outpatient care when furnished by a physician, audiologist, or other qualified provider.</p> <ul style="list-style-type: none"> • 1 routine hearing exam every year • Annual diagnostic hearing exam <p>Services not covered include:</p> <ul style="list-style-type: none"> • Hearing aids • Evaluations including the fitting, checking, repairs or modification of hearing aids or supplies (batteries) 	<p>In-Network \$30 copayment.</p> <p>Out-of-Network \$55 copayment.</p>
<p> HIV screening</p> <p>For people who ask for an HIV screening test or who are at increased risk for HIV infection, we cover:</p> <ul style="list-style-type: none"> • One screening exam every 12 months <p>For women who are pregnant, we cover:</p> <ul style="list-style-type: none"> • Up to three screening exams during a pregnancy 	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Home health agency care</p> <p>Prior to receiving home health services, a doctor must certify that you need home health services and will order home health services to be provided by a home health agency. You must be homebound, which means leaving home is a major effort.</p> <p>Covered services include, but are not limited to:</p> <ul style="list-style-type: none"> • Part-time or intermittent skilled nursing and home health aide services • Physical therapy, occupational therapy, and speech therapy • Medical and social services • Medical equipment and supplies <p>Non-covered services include, but are not limited to:</p> <ul style="list-style-type: none"> • Custodial Care • Personal Care Attendant • Personal Care Services (PCS) <p>Note:</p> <ul style="list-style-type: none"> • Skilled nursing - means you need a nurse for such things as wound care, catheter care, medication changes, etc. • Both the nurse and the aide are considered intermittent and that means they are there for the services needed (such as the home health aide helps with a bath) and do not stay to assist with custodial care. • A home health aide cannot provide the services by themselves; a nurse needs to be present. 	<p>Authorization rules may apply for In-Network services only.</p> <p>In- and Out-of-Network No charge.</p> <p>Home health care services are provided by Presbyterian Home Health. If another agency is referred, that agency needs to be a part of the Presbyterian network and services require prior authorization through Presbyterian's Home Health State Wide Network.</p> <p>Note: There is no cost-sharing for medical equipment and supplies covered under the home health benefit in accord with Medicare guidelines. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply if the item is covered under a different benefit, for example, durable medical equipment and related supplies.</p>
<p>Hospice care</p> <p>You may receive care from any Medicare-certified hospice program. You are eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have 6 months or less to live if your illness runs its normal course. Your hospice doctor can be a network provider or an out-of-network provider.</p>	<p>When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not our plan.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Covered services include:</p> <ul style="list-style-type: none"> • Drugs for symptom control and pain relief • Short-term respite care • Home care <p>For hospice services and for services that are covered by Medicare Part A or B and are related to your terminal prognosis: Original Medicare (rather than our plan) will pay for your hospice services and any Part A and Part B services related to your terminal prognosis. While you are in the hospice program, your hospice provider will bill Original Medicare for the services that Original Medicare pays for.</p> <p>For services that are covered by Medicare Part A or B and are not related to your terminal prognosis: If you need non-emergency, non-urgently needed services that are covered under Medicare Part A or B and that are not related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan's network:</p> <ul style="list-style-type: none"> • If you obtain the covered services from a network provider, you only pay the plan cost-sharing amount for in-network services • If you obtain the covered services from an out-of-network provider, you pay the plan cost-sharing for out-of-network services <p>For services that are covered by our plan but are not covered by Medicare Part A or B: We will continue to cover plan-covered services that are not covered under Part A or B whether or not they are related to your terminal prognosis. You pay your plan cost-sharing amount for these services.</p> <p>For drugs that may be covered by the plan's Part D benefit: Drugs are never covered by both hospice and our plan at the same time. For more information, please see Chapter 5, Section 9.4 (<i>What if you're in Medicare-certified hospice</i>).</p>	

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Note: If you need non-hospice care (care that is not related to your terminal prognosis), you should contact us to arrange the services. Getting your non-hospice care through our network providers will lower your share of the costs for the services.</p>	
<p>Our plan covers hospice consultation services (one time only) for a terminally ill person who hasn't elected the hospice benefit.</p>	<p>No charge.</p>
<p> Immunizations</p> <p>Covered Medicare Part B services include:</p> <ul style="list-style-type: none"> • Pneumonia vaccine • Flu shots, once a year in the fall or winter • Hepatitis B vaccine if you are at high or intermediate risk of getting Hepatitis B • Other vaccines if you are at risk and they meet Medicare Part B coverage rules <p>We also cover some vaccines under our Part D prescription drug benefit.</p> <ul style="list-style-type: none"> • Some vaccines may be obtained through a qualified pharmacy or your physician's office. Many vaccines are now considered Part D vaccines and they will apply to your Part D pharmacy benefit. • Formulary immunizations at a pharmacy are available for the appropriate prescription drug copayment. 	<p>In-Network</p> <p>No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network</p> <p>\$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Inpatient hospital care Includes inpatient acute, inpatient rehabilitation, long-term care hospitals and other types of inpatient hospital services. Inpatient hospital care starts the day you are formally admitted to the hospital with a doctor’s order. The day before you are discharged is your last inpatient day.</p> <p>Covered services include but are not limited to:</p> <ul style="list-style-type: none"> • Semi-private room (or a private room if medically necessary) • Meals including special diets • Regular nursing services • Costs of special care units (such as intensive care or coronary care units) • Drugs and medications • Lab tests • X-rays and other radiology services • Necessary surgical and medical supplies • Use of appliances, such as wheelchairs • Operating and recovery room costs • Physical, occupational, and speech language therapy • Inpatient substance abuse services • Under certain conditions, the following types of transplants are covered: corneal, kidney, kidney-pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell, and intestinal/multivisceral. If you need a transplant, we will arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you are a candidate for a transplant. Transplant providers may be local or outside of the service area. If our in-network transplant services are at a distant location, you may choose to go locally or distant as long as the local transplant providers are willing to accept the Original Medicare rate. If we 	<p>Authorization rules apply for In-Network services only.</p> <p>In-Network Per admission, you pay the following:</p> <p>Days 1 – 3: \$175 copayment per day.</p> <p>Therefore, there is no charge for the remainder of your covered hospital stay.</p> <p>If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your cost is the cost-sharing you would pay at a network hospital.</p> <p>Note: If you are admitted to the hospital in 2015 and are not discharged until sometime in 2016, the 2015 cost-sharing will apply to that admission until you are discharged from the hospital or skilled nursing facility.</p> <p>Out-of-Network \$750 copayment per admission.</p> <p>If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Inpatient hospital care (continued)</p> <p>provide transplant services at a distant location (outside of the service area) and you chose to obtain transplants at this distant location, we will arrange or pay for appropriate lodging and transportation costs for you and a companion. If you have questions about our plan’s transplant travel policy, please contact Customer Service at the telephone number listed on the back cover of this booklet.</p> <ul style="list-style-type: none"> • Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need. • Physician services 	<p>stabilized, you must move to a network hospital in order to pay the in-network cost-sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered but you will pay the out-of-network cost-sharing amount for the part of your stay after you are stabilized.</p>
<p>Note: To be an inpatient, your provider must write an order to admit you formally as an inpatient of the hospital. Even if you stay in the hospital overnight, you might still be considered an “outpatient.” If you are not sure if you are an inpatient or an outpatient, you should ask the hospital staff.</p>	
<p>You can also find more information in a Medicare fact sheet called “Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!” This fact sheet is available on the Web at http://www.medicare.gov/Publications/Pubs/pdf/11435.pdf or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.</p>	

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Inpatient mental health care</p> <p>Covered services include mental health care services that require a hospital stay. Medicare beneficiaries have a 190-day limit in a psychiatric hospital in a lifetime. The 190-day limit does not apply to Mental Health services provided in a psychiatric unit of a general hospital.</p>	<p><u>Authorization rules apply for In-Network services only.</u></p> <p>In-Network Per admission, you pay the following:</p> <p>Days 1 – 3: \$175 copayment per day.</p> <p>Therefore, there is no charge for the remainder of your covered hospital stay.</p> <p>Note: If you are admitted to the hospital in 2015 and are not discharged until sometime in 2016, the 2015 cost-sharing will apply to that admission until you are discharged from the hospital or skilled nursing facility.</p> <p>Out-of-Network \$750 copayment per admission.</p>
<p>Inpatient services covered during a non-covered inpatient stay</p> <p>If you have exhausted your inpatient benefits or if the inpatient stay is not reasonable and necessary, we will not cover your inpatient stay. However, in some cases, we will cover certain services you receive while you are in the hospital or the skilled nursing facility (SNF).</p> <p>Covered services include, but are not limited to:</p> <ul style="list-style-type: none"> • Physician services • Diagnostic tests (like lab tests) • X-ray, radium, and isotope therapy including technician materials and services 	<p>In- and Out-of-Network</p> <p>You are responsible for 100% of the costs incurred when services are not medically necessary or if you exceed any applicable benefit limits.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<ul style="list-style-type: none"> • Surgical dressings • Splints, casts and other devices used to reduce fractures and dislocations • Prosthetics and orthotics devices (other than dental) that replace all or part of an internal body organ (including contiguous tissue), or all or part of the function of a permanently inoperative or malfunctioning internal body organ, including replacement or repairs of such devices • Leg, arm, back, and neck braces; trusses, and artificial legs, arms, and eyes including adjustments, repairs, and replacements required because of breakage, wear, loss, or a change in the patient's physical condition • Physical therapy, speech therapy, and occupational therapy 	
<p> Medical nutrition therapy</p> <p>This benefit is for people with diabetes, renal (kidney) disease (but not on dialysis), or after a kidney transplant when ordered by your doctor.</p> <p>We cover 3 hours of one-on-one counseling services during your first year that you receive medical nutrition therapy services under Medicare (this includes our plan, any other Medicare Advantage plan, or Original Medicare), and 2 hours each year after that. If your condition, treatment, or diagnosis changes, you may be able to receive more hours of treatment with a physician's order. A physician must prescribe these services and renew their order yearly if your treatment is needed into the next calendar year.</p> <p>Additional sessions of Medical Nutrition Therapy (MNT):</p> <ul style="list-style-type: none"> • You may receive unlimited number of medical nutrition therapy (MNT) sessions provided by a registered dietician or other nutrition professional. 	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Medicare Part B prescription drugs</p> <p>These drugs are covered under Part B of Original Medicare. Members of our plan receive coverage for these drugs through our plan. Covered drugs include:</p> <ul style="list-style-type: none"> • Drugs that usually aren't self-administered by the patient and are injected or infused while you are getting physician, hospital outpatient, or ambulatory surgical center services • Drugs you take using durable medical equipment (such as nebulizers) that were authorized by the plan • Clotting factors you give yourself by injection if you have hemophilia • Immunosuppressive Drugs, if you were enrolled in Medicare Part A at the time of the organ transplant • Injectable osteoporosis drugs, if you are homebound, have a bone fracture that a doctor certifies was related to post-menopausal osteoporosis, and cannot self-administer the drug • Antigens • Certain oral anti-cancer drugs and anti-nausea drugs • Certain drugs for home dialysis, including heparin, the antidote for heparin when medically necessary, topical anesthetics, and erythropoiesis-stimulating agents (such as Procrit®,) • Intravenous Immune Globulin for the home treatment of primary immune deficiency diseases <p>Chapter 5 explains the Part D prescription drug benefit, including rules you must follow to have prescriptions covered. What you pay for your Part D prescription drugs through our plan is explained in Chapter 6.</p>	<p>SPECIALTY NETWORK PROVIDERS:</p> <p>If administered through a doctor's office some medications are required to be obtained through the designated specialty network provider and delivered to the facility or doctor's office that you have chosen.</p> <p>In- and Out-of-Network No charge for select oral immunosuppressant and nebulized inhaled medications when purchased through a retail network pharmacy.</p> <p>In-Network No charge for Part B chemotherapy drugs and other Part B covered drugs.</p> <p>Out-of-Network 20% of the cost.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Nursing Hotline - PresRN</p> <p>We know that sometimes it is difficult to know what type of care you need. Presbyterian MediCare PPO members have access to PresRN, a nurse advice line available to you 24 hours a day, 7 days a week, including holidays. There is no charge to call our experienced registered nurses (RN) for answers to your questions and health concerns. As always, if you are having a medical emergency, please call 911. PresRN is an easy way to speak with a Presbyterian nurse if you are not feeling well and do not know what to do. Just call (505) 923-5573 or 1-800-887-9917 and one of our qualified nurses will listen to your health concerns and give you the answers that you need to care for you and your family. Our Presbyterian nurses are happy to answer general health questions when you are healthy too.</p> <p>Our nurses assess your symptoms using nationally recognized protocols and give you the information you need to take care of yourself and your family. Whether your situation requires a trip to the emergency room or self-care at home, you will know what to do. Our nurses will guide you to the most appropriate care option, including:</p> <ul style="list-style-type: none"> • nurse or physician advice (no charge) • a scheduled physician telephone visit (no charge) • an urgent care visit (urgent care copayment applies) • an emergency visit (emergency copayment applies) <p>As part of your Presbyterian healthcare team, we let your doctor, care coordinator and health coach know of your health concern so that you will have continued care and follow up. Most importantly – we are here when you need answers.</p>	<p>In-Network No charge.</p> <p>Out-of-Network No charge when calling the toll free number.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p> Obesity screening and therapy to promote sustained weight loss</p> <p>If you have a body mass index of 30 or more, we cover intensive counseling to help you lose weight. This counseling is covered if you get it in a primary care setting, where it can be coordinated with your comprehensive prevention plan. Talk to your primary care doctor or practitioner to find out more.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p>Outpatient diagnostic tests and therapeutic services and supplies</p> <p>Covered services include, but are not limited to:</p> <ul style="list-style-type: none"> • X-rays • Radiation (radium and isotope) therapy including technician materials and supplies • Surgical supplies, such as dressings • Splints, casts and other devices used to reduce fractures and dislocations • Laboratory tests • Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need. • Diagnostic Mammogram 	<p><u>Authorization rules may apply for In-Network services only.</u></p> <p>In-Network No charge.</p> <p>Out-of-Network 10% of the cost for x-rays, diagnostic procedures and laboratory tests.</p> <p>20% of the cost for diagnostic radiological services and therapeutic radiological services.</p>
<ul style="list-style-type: none"> • Other outpatient diagnostic tests. <ul style="list-style-type: none"> ○ Magnetic Resonance Imaging (MRI) ○ Magnetic Resonance Angiogram (MRA) ○ Computed Tomography (CT) ○ Positron Emission Tomography (PET) 	<p>In-Network No charge.</p> <p>Out-of-Network 10% of the cost.</p>

Services that are covered for you	What you must pay when you get these services
<p>Outpatient surgery, including services provided at hospital outpatient facilities and ambulatory surgical centers</p> <p>Note: If you are having surgery in a hospital facility, you should check with your provider about whether you will be an inpatient or outpatient. Unless the provider writes an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient surgery. Even if you stay in the hospital overnight, you might still be considered an “outpatient.”</p>	<p><u>Authorization rules may apply for In-Network services only.</u></p> <p>In-Network \$150 copayment when it is provided in an outpatient or ambulatory surgery center.</p> <p>Out-of-Network 20% of the cost.</p>
<p>Partial hospitalization services</p> <p>“Partial hospitalization” is a structured program of active psychiatric treatment provided in a hospital outpatient setting or by a community mental health center, that is more intense than the care received in your doctor’s or therapist’s office and is an alternative to inpatient hospitalization.</p>	<p>In-Network \$30 copayment.</p> <p>Out-of-Network 50% of the cost.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Physician/Practitioner services, including doctor’s office visits</p> <p>Covered services include:</p> <ul style="list-style-type: none"> • Medically-necessary medical care or surgery services furnished in a physician’s office, certified ambulatory surgical center, hospital outpatient department, or any other location • Consultation, diagnosis, and treatment by a specialist • Basic hearing and balance exams performed by your PCP or specialist, if your doctor orders it to see if you need medical treatment. • Second opinion by another network provider prior to surgery • Non-routine dental care (covered services are limited to surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw for radiation treatments of neoplastic cancer disease, or services that would be covered when provided by a physician) • Allergy injections • Allergy evaluation and testing • Allergy testing and treatment materials administered during a covered visit 	<p><u>PCP office visits:</u></p> <p>In-Network \$10 copayment.</p> <p>Out-of-Network \$35 copayment.</p> <p><u>Specialist visits:</u></p> <p>In-Network \$30 copayment.</p> <p>Out-of-Network \$55 copayment.</p> <p><u>Outpatient surgery:</u></p> <p>In-Network \$150 copayment when it is provided in an outpatient or ambulatory surgery center.</p> <p>Out-of-Network 20% of the cost.</p>
<ul style="list-style-type: none"> • Chemotherapy visits 	<p>In-Network \$30 copayment for each visit and No charge for the Part B chemotherapy drug(s).</p> <p>Out-of-Network \$55 copayment for each visit, plus 20% of the cost for the Part B chemotherapy drug(s).</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<ul style="list-style-type: none"> • Certain telehealth services including consultation, diagnosis, and treatment by a physician or practitioner for patients in certain rural areas or other locations approved by Medicare. • <u>Video Visits:</u> Electronic medical appointments from your computer, laptop, or smartphone, known as Electronic Video Visit, are intended to offer an alternative to physically going to a providers office for members to receive care for medical issues such as upper respiratory infections, flu, cold, cough and allergies. <ul style="list-style-type: none"> ○ Get access to doctors and therapists by use of your computer, laptop, or smartphone twenty-four (24) hours a day, seven (7) days a week, 365 days a year with board-certified physicians and licensed therapists. • <u>Tele-monitoring:</u> Tele-monitoring is the use of telecommunications and information technology to provide access to health assessment, diagnosis, intervention, consultation, supervision and information across distance. This includes such technologies as electronic mail systems and remote patient monitoring devices which are used to collect and transmit data for monitoring and interpretation. In certain circumstances, Presbyterian can monitor and deliver targeted intervention for conditions such as COPD, Diabetes/ Hypertension, CHF/Depression and Weight Management via the use of an easy-to-use device for members. 	<p>In-Network No charge.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Podiatry services</p> <p>Covered services include:</p> <ul style="list-style-type: none"> • Diagnosis and the medical or surgical treatment of injuries and diseases of the feet (such as hammer toe or heel spurs). • Routine foot care for members with certain medical conditions affecting the lower limbs. <p>Non-covered services include, but are not limited to:</p> <ul style="list-style-type: none"> • Routine foot care for members without certain medical conditions affecting the lower limbs, which includes cutting or removing of corns or calluses, the trimming of nails (including mycotic nails), and other hygienic and preventive maintenance foot care. 	<p>In-Network No charge.</p> <p>Out-of-Network \$55 copayment.</p>
<p> Prostate cancer screening exams</p> <p>For men age 50 and older, covered services include the following - once every 12 months:</p> <ul style="list-style-type: none"> • Digital rectal exam • Prostate Specific Antigen (PSA) test 	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p>Prosthetic devices and related supplies</p> <p>Devices (other than dental) that replace all or part of a body part or function. These include, but are not limited to: colostomy bags and supplies directly related to colostomy care, pacemakers, braces, prosthetic shoes, artificial limbs, and breast prostheses (including a surgical brassiere after a mastectomy). Includes certain supplies related to prosthetic devices, and repair and/or replacement of prosthetic devices. Also includes some coverage following cataract removal or cataract surgery – see “Vision Care” later in this section for more detail.</p>	<p><u>Authorization rules may apply for In-Network services only.</u></p> <p>In-Network \$10 copayment for each prosthetic device item and related medical materials depending on the supply.</p> <p>Out-of-Network \$50 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Pulmonary rehabilitation services</p> <p>Comprehensive programs of pulmonary rehabilitation are covered for members who have moderate to very severe chronic obstructive pulmonary disease (COPD) and an order for pulmonary rehabilitation from the doctor treating the chronic respiratory disease.</p> <p>No limit on the number of supplemental pulmonary rehabilitation services.</p>	<p>In-Network No charge.</p> <p>Out-of-Network \$35 copayment.</p>
<p> Screening and counseling to reduce alcohol misuse</p> <p>We cover one alcohol misuse screening for adults with Medicare (including pregnant women) who misuse alcohol, but aren't alcohol dependent.</p> <p>If you screen positive for alcohol misuse, you can get up to 4 brief face-to-face counseling sessions per year (if you're competent and alert during counseling) provided by a qualified primary care doctor or practitioner in a primary care setting.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>
<p> Screening for sexually transmitted infections (STIs) and counseling to prevent STIs</p> <p>We cover sexually transmitted infection (STI) screenings for chlamydia, gonorrhea, syphilis, and Hepatitis B. These screenings are covered for pregnant women and for certain people who are at increased risk for an STI when the tests are ordered by a primary care provider. We cover these tests once every 12 months or at certain times during pregnancy.</p> <p>We also cover up to 2 individual 20 to 30 minute, face-to-face high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. We will only cover these counseling sessions as a preventive service if they are provided by a primary care provider and take place in a primary care setting, such as a doctor's office.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Services to treat kidney disease and conditions</p> <p>Covered services include:</p> <ul style="list-style-type: none"> • Kidney disease education services to teach kidney care and help members make informed decisions about their care. For members with stage IV chronic kidney disease when referred by their doctor, we cover up to six sessions of kidney disease education services per lifetime. • Outpatient dialysis treatments (including dialysis treatments when temporarily out of the service area, as explained in Chapter 3) 	<p>In- and Out-of-Network No charge for kidney disease education services, routine dialysis treatments, and nutritional therapy for End-Stage Renal disease.</p>
<ul style="list-style-type: none"> • Inpatient dialysis treatments (if you are admitted as an inpatient to a hospital for special care) 	<p><u>Authorization is required.</u> Per admission, you pay the following:</p> <p>In-Network Days 1 – 3 \$175 copayment per day.</p> <p>Therefore, there is no charge for the remainder of your covered hospital stay.</p> <p>Out-of-Network \$750 copayment per admission.</p>
<ul style="list-style-type: none"> • Self-dialysis training (includes training for you and anyone helping you with your home dialysis treatments). • Home dialysis equipment and supplies. • Certain home support services (such as, when necessary, visits by trained dialysis workers to check on your home dialysis, to help in emergencies, and check your dialysis equipment and water supply). 	<p>In-and Out-of-Network No charge.</p>
<ul style="list-style-type: none"> • Certain drugs for dialysis are covered under your Medicare Part B drug benefit. 	<p>For information about coverage for Part B Drugs, please go to the section, “Medicare Part B prescription drugs.”</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Skilled nursing facility (SNF) care (For a definition of “skilled nursing facility care,” see Chapter 12 of this booklet. Skilled nursing facilities are sometimes called “SNFs.”)</p> <p>Covered services include but are not limited to:</p> <ul style="list-style-type: none"> • Semiprivate room (or a private room if medically necessary) • Meals, including special diets • Skilled nursing services • Physical therapy, occupational therapy, and speech therapy • Drugs administered to you as part of your plan of care (This includes substances that are naturally present in the body, such as blood clotting factors.) • Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need. • Medical and surgical supplies ordinarily provided by SNFs • Laboratory tests ordinarily provided by SNFs • X-rays and other radiology services ordinarily provided by SNFs 	<p><u>Authorization rules apply for In-Network services only.</u> Per admission you pay the following:</p> <p>In-Network Days 1 – 20: No charge.</p> <p>Days 21 – 100: \$40 copayment per day.</p> <p>You are covered for up to 100 days in a SNF.</p> <p>Out-of-Network Per admission you pay the following:</p> <p>Days 1 – 20: No charge.</p> <p>Days 21 – 100: \$125 copayment per day.</p> <p>You are covered for up to 100 days in a SNF.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<ul style="list-style-type: none"> • Use of appliances such as wheelchairs ordinarily provided by SNFs • Physician/Practitioner services <p>Generally, you will get your SNF care from network facilities. However, under certain conditions listed below, you may be able to pay in-network cost-sharing for a facility that isn't a network provider, if the facility accepts our plan's amounts for payment.</p> <ul style="list-style-type: none"> • A nursing home or continuing care retirement community where you were living right before you went to the hospital (as long as it provides skilled nursing facility care). • A SNF where your spouse is living at the time you leave the hospital. 	
<p> Smoking and tobacco use cessation (counseling to stop smoking or tobacco use)</p> <p><u>If you use tobacco, but do not have signs or symptoms of tobacco-related disease:</u> We cover two counseling quit attempts within a 12-month period as a preventive service with no cost to you. Each counseling attempt includes up to four face-to-face visits.</p> <p><u>If you use tobacco and have been diagnosed with a tobacco-related disease or are taking medicine that may be affected by tobacco:</u> We cover cessation counseling services. We cover two counseling quit attempts within a 12-month period, however, you will pay the applicable inpatient or outpatient cost-sharing. Each counseling attempt includes up to four face-to-face visits.</p> <p>Additional smoking cessation counseling sessions:</p> <ul style="list-style-type: none"> • You may receive unlimited number of counseling sessions in person or telephone coaching. 	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<p>Urgently needed services</p> <p>Urgently needed services are provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible.</p> <ul style="list-style-type: none"> • Outside our service area: You have worldwide urgent care coverage when you travel if you need medical attention right away for an unforeseen illness or injury and you reasonably believe that your health would seriously deteriorate if you delayed treatment until you returned to our service area. <p>See Chapter 3, Section 3, for more information.</p>	<p>In-Network</p> <p><u>Office visits:</u> \$10 copayment.</p> <p>Out-of-network \$50 copayment.</p> <p><u>Emergency Department visits:</u> In- and Out-of-Network \$50 copayment per emergency department visit.</p>
<p> Vision care</p> <p>Covered services include:</p> <ul style="list-style-type: none"> • Outpatient physician services for the diagnosis and treatment of diseases and injuries of the eye, including treatment for age-related macular degeneration. Original Medicare doesn't cover routine eye exams (eye refractions) for eyeglasses/contacts. 	<p><u>In-Network</u> <u>Initial eye exam either Medicare-covered or routine:</u> No charge.</p> <p><u>Subsequent visits:</u> \$30 copayment.</p> <p>Out-of-Network \$55 copayment.</p>
<ul style="list-style-type: none"> •  For people who are at high risk of glaucoma, such as people with a family history of glaucoma, people with diabetes, and African-Americans who are age 50 and older: glaucoma screening once per year. 	<p>In-Network No charge.</p> <p>Out-of-Network \$35 copayment.</p>
<ul style="list-style-type: none"> • One pair of eyeglasses or contact lenses after each cataract surgery that includes insertion of an intraocular lens. (If you have two separate cataract operations, you cannot reserve the benefit after the first surgery and purchase two eyeglasses after the second surgery.) Corrective lenses/frames (and replacements) needed after a cataract removal without a lens implant. 	<p>In-Network \$10 copayment.</p> <p>Out-of-Network \$50 copayment.</p>

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
<ul style="list-style-type: none"> One routine eye exam every year. This includes eye refraction testing (an exam that measures how well you see a specific distances). 	<p>In-Network No charge for initial eye exam either Medicare-covered or routine.</p> <p>Out-of-Network \$55 copayment.</p>
<ul style="list-style-type: none"> Routine eyewear. 	<p>Not covered.</p>
<p> “Welcome to Medicare” Preventive Visit</p> <p>The plan covers the one-time “Welcome to Medicare” preventive visit. The visit includes a review of your health, as well as education and counseling about the preventive services you need (including certain screenings and shots), and referrals for other care if needed.</p> <p>Important: We cover the “Welcome to Medicare” preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor’s office know you would like to schedule your “Welcome to Medicare” preventive visit.</p>	<p>In-Network No charge.</p> <p>Note: There is no cost-sharing for this preventive care. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any non-preventive services you receive during or subsequent to the visit.</p> <p>Out-of-Network \$35 copayment.</p>

SECTION 3 What services are not covered by the plan?**Section 3.1 Services we do *not* cover (exclusions)**

This section tells you what services are “excluded” from Medicare coverage and therefore, are not covered by this plan. If a service is “excluded,” it means that this plan doesn’t cover the service.

The chart below lists services and items that either are not covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself. We won’t pay for the excluded medical services listed in the chart below except under the specific conditions listed. The only exception: we will pay if a service in the chart below is found upon appeal to be a medical service that we should have paid for or covered because of your specific

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 5.3 in this booklet.)

All exclusions or limitations on services are described in the Benefits Chart or in the chart below.

Even if you receive the excluded services at an emergency facility, the excluded services are still not covered and our plan will not pay for them.

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
All services related to artificial insemination and conception by artificial means, such as: ovum transplants, gamete intrafallopian transfer (GIFT), semen and eggs (and services related to their procurement and storage), invitro fertilization (IVF), and zygote intrafallopian transfer (ZIFT).	√	
Any treatment or services rendered by or at the direction of a person residing in your household, or a member of your immediate family. Immediate family is defined as spouse, mother, father, grandparents, children, grandchildren, brothers, sisters, mother-in-law, father-in-law, brothers-in-law, sisters-in-law, daughters-in-law, and sons-in-law. Adopted and step relationships are also included in immediate family.	√	
Any treatment or services rendered by, or at the direction, of a provider of health care services who is not licensed to provide the services, or who is not operating within the scope of that license.	√	
Care in a licensed intermediate care facility, unless covered by Medicare (such as covered home health care or hospice)	√	

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
care).		
Care in a residential facility where you stay overnight, except for care covered by Medicare or a licensed facility providing covered transitional residential recovery services described in the Medical Benefits Chart.	√	
Consultations for non-covered benefits.	√	
Cosmetic surgery or procedures.		<p style="text-align: center;">√</p> <ul style="list-style-type: none"> • Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member. • Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance.
Custodial care and/or Personal Care Services (PCS) is care provided in a nursing home, hospice, or other facility setting when you do not require skilled medical care or skilled nursing care. Custodial care/Personal Care Services is personal care that does not require the continuing attention of trained medial or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing.	√	
Dental services for the care, treatment, removal (extraction)	√	

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
or replacement of teeth.		
Disposable supplies for home use, such as bandages, gauze tape, antiseptics, dressings, Ace-type bandages, and diapers, underpads, and other incontinence supplies.		<p style="text-align: center;">√</p> Unless covered by Medicare (for example, ostomy or diabetic supplies).
Drugs that do not meet the definition of Part B or Part D drugs.	√	
Elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance).		<p style="text-align: center;">√</p> Except when medically necessary.
Exercise equipment.	√	
Experimental medical and surgical procedures, equipment and medications. Experimental procedures and items are those items and procedures determined by our plan and Original Medicare to not be generally accepted by the medical community.		<p style="text-align: center;">√</p> May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan. (See Chapter 3, Section 5 for more information on clinical research studies.)
Eyewear items that do not require a prescription by law (other than eyeglass frames), such as eyeglass holders, eyeglass cases, and repair kits.	√	
Fees charged for care by your immediate relatives or members of your household.	√	
Fitting and dispensing of contact lenses.	√	
Full-time nursing care in your home.	√	

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Hearing aids or evaluations including the fittings, checking, repairs or modifications of hearing aids or supplies (batteries).	√	
Homemaker services include basic household assistance, including light housekeeping or light meal preparation.	√	
Industrial frames.	√	
Items and services that are not health care items and services. For example, we do not cover: <ul style="list-style-type: none"> • Teaching manners, etiquette, planning skills, how to read, or skills for employment. • Items and services that increase academic knowledge, skills, or intelligence. 	√	
Low-vision aids and services.	√	
Massage therapy.		√ Except when ordered as part of a physical therapy program in accord with Medicare guidelines.
Meals delivered to your home.	√	
Naturopath services (uses natural or alternative treatments).	√	
Non-routine dental care.		√ Dental care required to treat illness or injury may be covered as inpatient or outpatient care.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Orthopedic shoes.		<p style="text-align: center;">√</p> If shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease.
Outpatient oral nutrition, such as dietary supplements and herbal supplements.	√	
Outpatient prescription drugs for treatment of sexual dysfunction, including erectile dysfunction, impotence, and anorgasmy or hyporgasmy.	√	
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television.	√	
Personal trainers.	√	
Private duty nurses.	√	
Private room in a hospital.		<p style="text-align: center;">√</p> Covered only when medically necessary.
Replacement of drugs due to being lost, stolen, damaged or destroyed.	√	
Replacement of lost, broken, or damaged lenses or frames.	√	
Reversal of sterilization procedures, and non-prescription contraceptive supplies.	√	
Routine care not associated with the clinical trial is subject to all terms, conditions, restrictions, exclusions, and other coverage under our Plan.	√	
Routine chiropractic care.		<p style="text-align: center;">√</p> Manual manipulation of the spine to correct a subluxation is covered.
Routine dental care, such as cleanings, fillings or dentures.	√	

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Routine or elective services, including lab work or medical care, when provided by nonplan providers without prior approval by Presbyterian Health Plan's Medical Director.	√	
Routine eye examinations, eyeglasses, radial keratotomy, LASIK surgery, vision therapy and other low vision aids.		√ Eye exam and one pair of eyeglasses (or contact lenses) are covered for people after cataract surgery.
Routine foot care.		√ Some limited coverage provided according to Medicare guidelines, e.g., if you have diabetes.
Routine hearing exams, hearing aids, or exams to fit hearing aids.	√	
Routine transportation.	√	
Services considered not reasonable and necessary, according to the standards of Original Medicare.	√	
Services for any illness or injury that occurs in the course of employment and which you are eligible for compensation under any worker's compensation act or employer liability law, regardless of whether you claim the benefits or recover losses from a third party.	√	
Services not approved by the federal Food and Drug Administration. Drugs, supplements, tests, vaccines, devices, radioactive materials, and any other services that by law require federal Food and Drug Administration (FDA) approval in order to be sold in the U.S., but are not approved by the FDA. This exclusion	√	

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
applies to services provided anywhere, even outside of the U.S. It does not apply to Medicare-covered clinical trials or covered emergency care you receive outside the U.S.		
Services provided to veterans in Veterans Affairs (VA) facilities. However, when emergency services are received at VA hospital and the VA cost sharing is more than the cost sharing under our plan, we will reimburse veterans for the difference. Members are still responsible for our cost-sharing amounts.	√	
Supportive devices for the feet.		√ Orthopedic or therapeutic shoes for people with diabetic foot disease.
Surgery that is performed to alter or reshape normal structures of the body in order to improve appearance.	√	
Surgical treatment for morbid obesity.		√ Except when it is considered medically necessary and covered under Original Medicare.
Take home outpatient prescription drugs.	√	
Transportation by car, taxi, bus, wheelchair van, and any other type of transportation (other than a licensed ambulance), even if it is the only way to travel to a network provider.	√	
Vision therapy/rehabilitation.		√ Except when covered in accord with Medicare guidelines.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Weight loss treatment, including but not limited to medications, self-help groups, exercise and weight loss programs and dietary supplements.	√	
When a service or item is not covered, all services related to the non-covered service or item are excluded.		√ Except for services or items we would otherwise cover to treat complications of the non-covered service or item, or if covered in accord with Medicare guidelines.

The plan will not cover the excluded services listed above. Even if you receive the services at an emergency facility, the excluded services are still not covered.

Chapter 5. Using the plan's coverage for your Part D prescription drugs

**Did you know there are programs to help people pay for their drugs?**

The “Extra Help” program helps people with limited resources pay for their drugs. For more information, see Chapter 2, Section 7.

Are you currently getting help to pay for your drugs?

If you are in a program that helps pay for your drugs, **some information in this *Evidence of Coverage* about the costs for Part D prescription drugs may not apply to you.** We send you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Customer Service and ask for the “LIS Rider.” (Phone numbers for Customer Service are printed on the back cover of this booklet.)

SECTION 1 Introduction

Section 1.1 This chapter describes your coverage for Part D drugs
--

This chapter **explains rules for using your coverage for Part D drugs.** The next chapter tells what you pay for Part D drugs (Chapter 6, *What you pay for your Part D prescription drugs*).

In addition to your coverage for Part D drugs, Presbyterian MediCare PPO Sandia Plan also covers some drugs under the plan’s medical benefits. Through its coverage of Medicare A benefits, our plan generally covers drugs you are given during covered stays in the hospital or in a skilled nursing facility. Through its coverage of Medicare Part B benefits, our plan covers drugs including certain chemotherapy drugs, certain drug injections you are given during an office visit, and drugs you are given at a dialysis facility. Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*) tells about the benefits and costs for drugs during a covered hospital or skilled nursing facility stay, as well as your benefits and costs for Part B drugs.

Your drugs may be covered by Original Medicare if you are in Medicare hospice. Our plan only covers Medicare Parts A, B, and D services and drugs that are unrelated to your terminal prognosis and related conditions and therefore not covered under the Medicare hospice benefit. For more information, please see Section 9.4 (*What if you’re in Medicare-certified hospice*). For information on hospice coverage and Part C, see the hospice section of Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*).

The following sections discuss coverage of your drugs under the plan’s Part D benefit rules. Section 9, *Part D drug coverage in special situations* includes more information on your Part D coverage and Original Medicare.

Chapter 5. Using the plan's coverage for your Part D prescription drugs

Section 1.2 Basic rules for the plan's Part D drug coverage

The plan will generally cover your drugs as long as you follow these basic rules:

- You must have a provider (a doctor, dentist or other prescriber) write your prescription.
- Your prescriber must either accept Medicare or file documentation with CMS showing that he or she is qualified to write prescriptions, or your Part D claim will be denied. You should ask your prescribers the next time you call or visit if they meet this condition. If not, please be aware it takes time for your prescriber to submit the necessary paperwork to be processed.
- You generally must use a network pharmacy to fill your prescription. (See Section 2, *Fill your prescriptions at a network pharmacy* or through the plan's mail-order service.)
- Your drug must be on the plan's *List of Covered Drugs (Formulary)* (we call it the "Drug List" for short). (See Section 3, *Your drugs need to be on the plan's "Drug List."*)
- Your drug must be used for a medically accepted indication. A "medically accepted indication" is a use of the drug that is either approved by the Food and Drug Administration or supported by certain reference books. (See Section 3 for more information about a medically accepted indication.)

SECTION 2 Fill your prescription at a network pharmacy or through the plan's mail-order service

Section 2.1 To have your prescription covered, use a network pharmacy

In most cases, your prescriptions are covered *only* if they are filled at the plan's network pharmacies. (See Section 2.5 for information about when we would cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with the plan to provide your covered prescription drugs. The term "covered drugs" means all of the Part D prescription drugs that are covered on the plan's Drug List.

Section 2.2 Finding network pharmacies**How do you find a network pharmacy in your area?**

To find a network pharmacy, you can look in your *Provider Directory*, visit our website (www.phs.or/Medicare), or call Customer Service (phone numbers are printed on the back cover of this booklet).

Chapter 5. Using the plan's coverage for your Part D prescription drugs

You may go to any of our network pharmacies. If you switch from one network pharmacy to another, and you need a refill of a drug you have been taking, you can ask either to have a new prescription written by a provider or to have your prescription transferred to your new network pharmacy.

What if the pharmacy you have been using leaves the network?

If the pharmacy you have been using leaves the plan's network, you will have to find a new pharmacy that is in the network. To find another network pharmacy in your area, you can get help from Customer Service (phone numbers are printed on the back cover of this booklet) or use the *Provider Directory*. You can also find information on our website at www.phs.org/Medicare.

What if you need a specialized pharmacy?

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, a long-term care facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact Customer Service.
- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (*Note:* This scenario should happen rarely.)

To locate a specialized pharmacy, look in your *Provider Directory* or call Customer Service (phone numbers are printed on the back cover of this booklet).

Section 2.3	Using the plan's mail-order services
--------------------	---

For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs provided through mail order are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Our plan's mail-order service allows you to order **up to a 90-day supply**.

To get order forms and information about filling your prescriptions by mail visit our Web site at www.phs.org/Medicare. You can call Customer Service (phone numbers are on the back cover) or

Chapter 5. Using the plan's coverage for your Part D prescription drugs

e-mail Customer Service at info@phs.org. If you use a mail-order pharmacy not in the plan's network, your prescription will not be covered.

Usually a mail-order pharmacy order will get to you in no more than 10 days. If your mail-order is delayed, you can call Customer Service and make a one-time request to have your prescription filled at a retail pharmacy.

New prescriptions the pharmacy receives directly from your doctor's office.

After the pharmacy receives a prescription from a health care provider, it will contact you to see if you want the medication filled immediately or at a later time. This will give you an opportunity to make sure that the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allow you to stop or delay the order before you are billed and it is shipped. It is important that you respond each time you are contacted by the pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping.

Refills on mail order prescriptions. For refills of your drugs, you have the option to sign up for an automatic refill program "Walgreens Mail Order". Under this program we will start to process your next refill automatically when our records show you should be close to running out of your drug. The pharmacy will contact you prior to shipping each refill to make sure you are in need of more medication, and you can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use our auto refill program, please contact your pharmacy 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

To opt out of our program Walgreens Mail Order program that automatically prepares mail order refills, please contact Walgreens Mail Order directly at the phone numbers listed below or on-line at Walgreens.com/MailService.

Toll-free: 1-866-845-3590

TTY: 1-800-925-0178

(En español) toll-free: 1-800-778-5427

(En español) TTY: 1-877-220-6173

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you. You may contact Walgreens Mail Order by phone at the phone numbers listed below or on-line at Walgreens.com/MailService.

(En español) TTY: 1-877-220-6173

Chapter 5. Using the plan's coverage for your Part D prescription drugs

Section 2.4 How can you get a long-term supply of drugs?

When you get a long-term supply of drugs, your cost-sharing may be lower. The plan offers two ways to get a long-term supply (also called an “extended supply”) of “maintenance” drugs on our plan’s Drug List. (Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.) You may order this supply through mail order (see Section 2.3) or you may go to a retail pharmacy.

1. **Some retail pharmacies** in our network allow you to get a long-term supply of maintenance drugs. Your *Provider Directory* tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Customer Service for more information (phone numbers are printed on the back cover of this booklet).
2. For certain kinds of drugs, you can use the plan’s network **mail-order services**. Our plan’s mail-order service allows you to order up to a 90-day supply. See Section 2.3 for more information about using our mail-order services.

Section 2.5 When can you use a pharmacy that is not in the plan’s network?**Your prescription may be covered in certain situations**

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you are not able to use a network pharmacy. To help you, we have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan. If you cannot use a network pharmacy, here are the circumstances when we would cover prescriptions filled at an out-of-network pharmacy:

- We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgent care. In this situation, you may have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described later.
- If you are unable to get a covered drug in a timely manner within our service area because there are no network pharmacies within a reasonable driving distance that provide 24-hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible network retail or mail-order pharmacy (including high cost and unique drugs).

Chapter 5. Using the plan's coverage for your Part D prescription drugs

- If you are traveling within the US, but outside of the Plan's service area, and you become ill, lose, or run out of your prescription drugs, and you cannot access a network pharmacy.
- During any State or Federal disaster declaration or other public health emergency declaration in which a member with Part D prescription drug coverage is evacuated or otherwise displaced from their place of residence and cannot reasonably be expected to obtain covered Part D drugs at a network pharmacy, or circumstances arise in which normal distribution channels for Part D drugs are unavailable.

In these situations, **please check first with Customer Service** to see if there is a network pharmacy nearby. (Phone numbers for Customer Service are printed on the back cover of this booklet.) You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost that we would cover at an in-network pharmacy.

How do you ask for reimbursement from the plan?

If you must use an out-of-network pharmacy, you will generally have to pay the full cost (rather than your normal share of the cost) at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. (Chapter 7, Section 2.1 explains how to ask the plan to pay you back.)

SECTION 3 Your drugs need to be on the plan's "Drug List"

Section 3.1 The "Drug List" tells which Part D drugs are covered

The plan has a "*List of Covered Drugs (Formulary)*." In this *Evidence of Coverage*, **we call it the "Drug List" for short.**

The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved the plan's Drug List.

The drugs on the Drug List are only those covered under Medicare Part D (earlier in this chapter, Section 1.1 explains about Part D drugs).

We will generally cover a drug on the plan's Drug List as long as you follow the other coverage rules explained in this chapter and the use of the drug is a medically accepted indication. A "medically accepted indication" is a use of the drug that is *either*:

- Approved by the Food and Drug Administration. (That is, the Food and Drug Administration has approved the drug for the diagnosis or condition for which it is being prescribed.)
- -- *or* -- Supported by certain reference books. (These reference books are the American Hospital Formulary Service Drug Information; the DRUGDEX Information System; and

Chapter 5. Using the plan's coverage for your Part D prescription drugs

the USPDI or its successor; and, for cancer, the National Comprehensive Cancer Network and Clinical Pharmacology or their successors.)

The Drug List includes both brand name and generic drugs

A generic drug is a prescription drug that has the same active ingredients as the brand name drug. Generally, it works just as well as the brand name drug and usually costs less. There are generic drug substitutes available for many brand name drugs.

What is *not* on the Drug List?

The plan does not cover all prescription drugs.

- In some cases, the law does not allow any Medicare plan to cover certain types of drugs (for more about this, see Section 7.1 in this chapter).
- In other cases, we have decided not to include a particular drug on our Drug List.

Section 3.2 There are five “cost-sharing tiers” for drugs on the Drug List

Every drug on the plan's Drug List is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug:

- Cost-Sharing Tier 1 includes preferred generic drugs (Lowest Tier).
- Cost-Sharing Tier 2 includes generic drugs.
- Cost-Sharing Tier 3 includes preferred brand drugs.
- Cost-Sharing Tier 4 includes non-preferred brand drugs.
- Cost-Sharing Tier 5 includes specialty drugs (Highest Tier).

To find out which cost-sharing tier your drug is in, look it up in the plan's Drug List.

The amount you pay for drugs in each cost-sharing tier is shown in Chapter 6 (*What you pay for your Part D prescription drugs*).

Section 3.3 How can you find out if a specific drug is on the Drug List?

You have three ways to find out:

1. Check the most recent Drug List we sent you in the mail.
2. Visit the plan's website (www.phs.org/Medicare). The Drug List on the website is always the most current.

Chapter 5. Using the plan's coverage for your Part D prescription drugs

3. Call Customer Service to find out if a particular drug is on the plan's Drug List or to ask for a copy of the list. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

SECTION 4 There are restrictions on coverage for some drugs

Section 4.1 Why do some drugs have restrictions?

For certain prescription drugs, special rules restrict how and when the plan covers them. A team of doctors and pharmacists developed these rules to help our members use drugs in the most effective ways. These special rules also help control overall drug costs, which keeps your drug coverage more affordable.

In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective. Whenever a safe, lower-cost drug will work just as well medically as a higher-cost drug, the plan's rules are designed to encourage you and your provider to use that lower-cost option. We also need to comply with Medicare's rules and regulations for drug coverage and cost-sharing.

If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug. If you want us to waive the restriction for you, you will need to use the coverage decision process and ask us to make an exception. We may or may not agree to waive the restriction for you. (See Chapter 9, Section 6.2 for information about asking for exceptions.)

Please note that sometimes a drug may appear more than once in our drug list. This is because different restrictions or cost-sharing may apply based on factors such as the strength, amount, or form of the drug prescribed by your health care provider (for instance, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid).

Section 4.2 What kinds of restrictions?

Our plan uses different types of restrictions to help our members use drugs in the most effective ways. The sections below tell you more about the types of restrictions we use for certain drugs.

Restricting brand name drugs when a generic version is available

Generally, a "generic" drug works the same as a brand name drug and usually costs less. **When a generic version of a brand name drug is available, our network pharmacies will provide you the generic version.** We usually will not cover the brand name drug when a generic version is available. However, if your provider has told us the medical reason that the generic drug will not work for you, then we will cover the brand name drug. (Your share of the cost may be greater for the brand name drug than for the generic drug.)

Chapter 5. Using the plan's coverage for your Part D prescription drugs

Getting plan approval in advance

For certain drugs, you or your provider need to get approval from the plan before we will agree to cover the drug for you. This is called “**prior authorization**.” Sometimes the requirement for getting approval in advance helps guide appropriate use of certain drugs. If you do not get this approval, your drug might not be covered by the plan.

Trying a different drug first

This requirement encourages you to try less costly but just as effective drugs before the plan covers another drug. For example, if Drug A and Drug B treat the same medical condition, the plan may require you to try Drug A first. If Drug A does not work for you, the plan will then cover Drug B. This requirement to try a different drug first is called “**step therapy**.”

Quantity limits

For certain drugs, we limit the amount of the drug that you can have by limiting how much of a drug you can get each time you fill your prescription. For example, if it is normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

Section 4.3	Do any of these restrictions apply to your drugs?
--------------------	--

The plan's Drug List includes information about the restrictions described above. To find out if any of these restrictions apply to a drug you take or want to take, check the Drug List. For the most up-to-date information, call Customer Service (phone numbers are printed on the back cover of this booklet) or check our website (www.phs.org/Medicare).

If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug. If there is a restriction on the drug you want to take, you should contact Customer Service to learn what you or your provider would need to do to get coverage for the drug. If you want us to waive the restriction for you, you will need to use the coverage decision process and ask us to make an exception. We may or may not agree to waive the restriction for you. (See Chapter 9, Section 6.2 for information about asking for exceptions.)

SECTION 5 What if one of your drugs is not covered in the way you'd like it to be covered?

Section 5.1 There are things you can do if your drug is not covered in the way you'd like it to be covered
--

We hope that your drug coverage will work well for you. But it's possible that there could be a prescription drug you are currently taking, or one that you and your provider think you should be taking that is not on our formulary or is on our formulary with restrictions. For example:

- The drug might not be covered at all. Or maybe a generic version of the drug is covered but the brand name version you want to take is not covered.
- The drug is covered, but there are extra rules or restrictions on coverage for that drug. As explained in Section 4, some of the drugs covered by the plan have extra rules to restrict their use. For example, you might be required to try a different drug first, to see if it will work, before the drug you want to take will be covered for you. Or there might be limits on what amount of the drug (number of pills, etc.) is covered during a particular time period. In some cases, you may want us to waive the restriction for you.
- The drug is covered, but it is in a cost-sharing tier that makes your cost-sharing more expensive than you think it should be. The plan puts each covered drug into one of five different cost-sharing tiers. How much you pay for your prescription depends in part on which cost-sharing tier your drug is in.

There are things you can do if your drug is not covered in the way that you'd like it to be covered. Your options depend on what type of problem you have:

- If your drug is not on the Drug List or if your drug is restricted, go to Section 5.2 to learn what you can do.
- If your drug is in a cost-sharing tier that makes your cost more expensive than you think it should be, go to Section 5.3 to learn what you can do.

Section 5.2 What can you do if your drug is not on the Drug List or if the drug is restricted in some way?
--

If your drug is not on the Drug List or is restricted, here are things you can do:

- You may be able to get a temporary supply of the drug (only members in certain situations can get a temporary supply). This will give you and your provider time to change to another drug or to file a request to have the drug covered.
- You can change to another drug.

Chapter 5. Using the plan's coverage for your Part D prescription drugs

- You can request an exception and ask the plan to cover the drug or remove restrictions from the drug.

You may be able to get a temporary supply

Under certain circumstances, the plan can offer a temporary supply of a drug to you when your drug is not on the Drug List or when it is restricted in some way. Doing this gives you time to talk with your provider about the change in coverage and figure out what to do.

To be eligible for a temporary supply, you must meet the two requirements below:

1. The change to your drug coverage must be one of the following types of changes:

- The drug you have been taking is **no longer on the plan's Drug List**.
- -- or -- the drug you have been taking is **now restricted in some way** (Section 4 in this chapter tells about restrictions).

2. You must be in one of the situations described below:

- **For those members who are new or who were in the plan last year and aren't in a long-term care (LTC) facility:**

We will cover a temporary supply of your drug **during the first 90 days of your membership in the plan if you were new and during the first 90 days of the calendar year if you were in the plan last year**. This temporary supply will be for a maximum of 30 days. If your prescription is written for fewer days, we will allow multiple fills to provide up to a maximum of 30-day supply of medication. The prescription must be filled at a network pharmacy.

- **For those members who are new or who were in the plan last year and reside in a long-term care (LTC) facility:**

We will cover a temporary supply of your drug **during the first 90 days of your membership in the plan if you are new and during the first 90 days of the calendar year if you were in the plan last year**. The total supply will be for a maximum of a 98 days. If your prescription is written for fewer days, we will allow multiple fills to provide up to a maximum of a 98-day supply of medication. (Please note that the long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)

- **For those members who have been in the plan for more than 90 days and reside in a long-term care (LTC) facility and need a supply right away:**

We will cover one a 31-day supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above long-term care transition supply.

Presbyterian will provide an emergency supply of non-formulary medications, including Part D medications that are on the formulary but require prior

Chapter 5. Using the plan's coverage for your Part D prescription drugs

authorization or step therapy under our utilization management rules. This emergency supply will be for at least 31 days of medications, unless the prescription is written for less than 31 days. The emergency supply is to ensure that members receive their medications while an exception has been requested.

- **Level of Care Change**

Members may experience unplanned level of care changes, for example, discharged or admitted to a LTC facility, hospital, nursing facility, etc. In these circumstances, Presbyterian will provide a one-time temporary fill for a level of care change. This fill will be authorized for up to a maximum of a 31-day supply, unless the prescription is written for less than 31 days.

- **Please Note:** Our transition policy applies only to those drugs that are “Part D drugs” and bought at a network pharmacy. The transition policy can’t be used to buy a non-Part D drug or a drug out of network, unless you qualify for out of network access.

To ask for a temporary supply, call Customer Service (phone numbers are printed on the back cover of this booklet).

During the time when you are getting a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug. The sections below tell you more about these options.

You can change to another drug

Start by talking with your provider. Perhaps there is a different drug covered by the plan that might work just as well for you. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

You can ask for an exception

You and your provider can ask the plan to make an exception for you and cover the drug in the way you would like it to be covered. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception to the rule. For example, you can ask the plan to cover a drug even though it is not on the plan’s Drug List. Or you can ask the plan to make an exception and cover the drug without restrictions.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Chapter 5. Using the plan's coverage for your Part D prescription drugs

Section 5.3 What can you do if your drug is in a cost-sharing tier you think is too high?

If your drug is in a cost-sharing tier you think is too high, here are things you can do:

You can change to another drug

If your drug is in a cost-sharing tier you think is too high, start by talking with your provider. Perhaps there is a different drug in a lower cost-sharing tier that might work just as well for you. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

You can ask for an exception

For drugs in Tier 2 and Tier 4, you and your provider can ask the plan to make an exception in the cost-sharing tier for the drug so that you pay less for it. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception to the rule.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Drugs in our Tier 5, Specialty are not eligible for this type of exception. We do not lower the cost-sharing amount for drugs in this tier.

SECTION 6 What if your coverage changes for one of your drugs?

Section 6.1 The Drug List can change during the year

Most of the changes in drug coverage happen at the beginning of each year (January 1). However, during the year, the plan might make changes to the Drug List. For example, the plan might:

- **Add or remove drugs from the Drug List.** New drugs become available, including new generic drugs. Perhaps the government has given approval to a new use for an existing drug. Sometimes, a drug gets recalled and we decide not to cover it. Or we might remove a drug from the list because it has been found to be ineffective.
- **Move a drug to a higher or lower cost-sharing tier.**
- **Add or remove a restriction on coverage for a drug** (for more information about restrictions to coverage, see Section 4 in this chapter).

Chapter 5. Using the plan's coverage for your Part D prescription drugs

- **Replace a brand name drug with a generic drug.**

In almost all cases, we must get approval from Medicare for changes we make to the plan's Drug List.

Section 6.2	What happens if coverage changes for a drug you are taking?
--------------------	--

How will you find out if your drug's coverage has been changed?

If there is a change to coverage *for a drug you are taking*, the plan will send you a notice to tell you. Normally, **we will let you know at least 60 days ahead of time.**

Once in a while, a drug is **suddenly recalled** because it's been found to be unsafe or for other reasons. If this happens, the plan will immediately remove the drug from the Drug List. We will let you know of this change right away. Your provider will also know about this change, and can work with you to find another drug for your condition.

Do changes to your drug coverage affect you right away?

If any of the following types of changes affect a drug you are taking, the change will not affect you until January 1 of the next year if you stay in the plan:

- If we move your drug into a higher cost-sharing tier.
- If we put a new restriction on your use of the drug.
- If we remove your drug from the Drug List, but not because of a sudden recall or because a new generic drug has replaced it.

If any of these changes happens for a drug you are taking, then the change won't affect your use or what you pay as your share of the cost until January 1 of the next year. Until that date, you probably won't see any increase in your payments or any added restriction to your use of the drug. However, on January 1 of the next year, the changes will affect you.

In some cases, you will be affected by the coverage change before January 1:

- If a **brand name drug you are taking is replaced by a new generic drug**, the plan must give you at least 60 days' notice or give you a 60-day refill of your brand name drug at a network pharmacy.
 - During this 60-day period, you should be working with your provider to switch to the generic or to a different drug that we cover.
 - Or you and your provider can ask the plan to make an exception and continue to cover the brand name drug for you. For information on how to ask for an exception, see Chapter 9 (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*).

Chapter 5. Using the plan's coverage for your Part D prescription drugs

- Again, if a drug is **suddenly recalled** because it's been found to be unsafe or for other reasons, the plan will immediately remove the drug from the Drug List. We will let you know of this change right away.
 - Your provider will also know about this change, and can work with you to find another drug for your condition.

SECTION 7 What types of drugs are *not* covered by the plan?

Section 7.1	Types of drugs we do not cover
--------------------	---------------------------------------

This section tells you what kinds of prescription drugs are “excluded.” This means Medicare does not pay for these drugs.

If you get drugs that are excluded, you must pay for them yourself. We won't pay for the drugs that are listed in this section. The only exception: If the requested drug is found upon appeal to be a drug that is not excluded under Part D and we should have paid for or covered it because of your specific situation. (For information about appealing a decision we have made to not cover a drug, go to Chapter 9, Section 6.5 in this booklet.)

Here are three general rules about drugs that Medicare drug plans will not cover under Part D:

- Our plan's Part D drug coverage cannot cover a drug that would be covered under Medicare Part A or Part B.
- Our plan cannot cover a drug purchased outside the United States and its territories.
- Our plan usually cannot cover off-label use. “Off-label use” is any use of the drug other than those indicated on a drug's label as approved by the Food and Drug Administration.
 - Generally, coverage for “off-label use” is allowed only when the use is supported by certain reference books. These reference books are the American Hospital Formulary Service Drug Information, the DRUGDEX Information System, for cancer, the National Comprehensive Cancer Network and Clinical Pharmacology, or their successors. If the use is not supported by any of these reference books, then our plan cannot cover its “off-label use.”

Also, by law, these categories of drugs are not covered by Medicare drug plans:

- Non-prescription drugs (also called over-the-counter drugs).
- Drugs when used to promote fertility.
- Drugs when used for the relief of cough or cold symptoms.
- Drugs when used for cosmetic purposes or to promote hair growth.

Chapter 5. Using the plan's coverage for your Part D prescription drugs

- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations.
- Drugs when used for the treatment of sexual or erectile dysfunction, such as Viagra, Cialis, Levitra, and Caverject.
- Drugs when used for treatment of anorexia, weight loss, or weight gain.
- Outpatient drugs for which the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale.

If you receive “Extra Help” paying for your drugs, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Please contact your state Medicaid program to determine what drug coverage may be available to you. (You can find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)

SECTION 8 Show your plan membership card when you fill a prescription

Section 8.1 Show your membership card

To fill your prescription, show your plan membership card at the network pharmacy you choose. When you show your plan membership card, the network pharmacy will automatically bill the plan for *our* share of your covered prescription drug cost. You will need to pay the pharmacy *your* share of the cost when you pick up your prescription.

Section 8.2 What if you don't have your membership card with you?

If you don't have your plan membership card with you when you fill your prescription, ask the pharmacy to call the plan to get the necessary information.

If the pharmacy is not able to get the necessary information, **you may have to pay the full cost of the prescription when you pick it up.** (You can then **ask us to reimburse you** for our share. See Chapter 7, Section 2.1 for information about how to ask the plan for reimbursement.)

SECTION 9 Part D drug coverage in special situations

Section 9.1 What if you're in a hospital or a skilled nursing facility for a stay that is covered by the plan?

If you are admitted to a hospital or to a skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, the plan will cover your drugs as long as the drugs meet all of

Chapter 5. Using the plan's coverage for your Part D prescription drugs

our rules for coverage. See the previous parts of this section that tell about the rules for getting drug coverage. Chapter 6 (*What you pay for your Part D prescription drugs*) gives more information about drug coverage and what you pay.

Please Note: When you enter, live in, or leave a skilled nursing facility, you are entitled to a Special Enrollment Period. During this time period, you can switch plans or change your coverage. (Chapter 10, *Ending your membership in the plan*, tells when you can leave our plan and join a different Medicare plan.)

Section 9.2 What if you're a resident in a long-term care (LTC) facility?

Usually, a long-term care facility (LTC) (such as a nursing home) has its own pharmacy, or a pharmacy that supplies drugs for all of its residents. If you are a resident of a long-term care facility, you may get your prescription drugs through the facility's pharmacy as long as it is part of our network.

Check your *Provider Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't, or if you need more information, please contact Customer Service (phone numbers are printed on the back cover of this booklet).

What if you're a resident in a long-term care (LTC) facility and become a new member of the plan?

If you need a drug that is not on our Drug List or is restricted in some way, the plan will cover a **temporary supply** of your drug during the first 90 days of your membership. The total supply will be for a maximum of a 98-day supply, or less if your prescription is written for fewer days. (Please note that the long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.) If you have been a member of the plan for more than 90 days and need a drug that is not on our Drug List or if the plan has any restriction on the drug's coverage, we will cover one 31-day supply, or less if your prescription is written for fewer days.

During the time when you are getting a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. Perhaps there is a different drug covered by the plan that might work just as well for you. Or you and your provider can ask the plan to make an exception for you and cover the drug in the way you would like it to be covered. If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do.

Section 9.3 What if you're also getting drug coverage from an employer or retiree group plan?

Do you currently have other prescription drug coverage through your (or your spouse's) employer or retiree group? If so, please contact **that group's benefits administrator**. He or she can help you determine how your current prescription drug coverage will work with our plan.

Chapter 5. Using the plan's coverage for your Part D prescription drugs

In general, if you are currently employed, the prescription drug coverage you get from us will be *secondary* to your employer or retiree group coverage. That means your group coverage would pay first.

Special note about 'creditable coverage':

Each year your employer or retiree group should send you a notice that tells if your prescription drug coverage for the next calendar year is "creditable" and the choices you have for drug coverage.

If the coverage from the group plan is "**creditable**," it means that the plan has drug coverage that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage.

Keep these notices about creditable coverage, because you may need them later. If you enroll in a Medicare plan that includes Part D drug coverage, you may need these notices to show that you have maintained creditable coverage. If you didn't get a notice about creditable coverage from your employer or retiree group plan, you can get a copy from the employer or retiree group's benefits administrator or the employer or union.

Section 9.4	What if you're in Medicare-certified hospice?
--------------------	--

Drugs are never covered by both hospice and our plan at the same time. If you are enrolled in Medicare hospice and require an anti-nausea, laxative, pain medication or antianxiety drug that is not covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must receive notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in receiving any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

In the event you either revoke your hospice election or are discharged from hospice our plan should cover all your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify your revocation or discharge. See the previous parts of this section that tell about the rules for getting drug coverage under Part D Chapter 6 (*What you pay for your Part D prescription drugs*) gives more information about drug coverage and what you pay.

SECTION 10 Programs on drug safety and managing medications

Section 10.1 Programs to help members use drugs safely

We conduct drug use reviews for our members to help make sure that they are getting safe and appropriate care. These reviews are especially important for members who have more than one provider who prescribes their drugs.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems such as:

- Possible medication errors
- Drugs that may not be necessary because you are taking another drug to treat the same medical condition
- Drugs that may not be safe or appropriate because of your age or gender
- Certain combinations of drugs that could harm you if taken at the same time
- Prescriptions written for drugs that have ingredients you are allergic to
- Possible errors in the amount (dosage) of a drug you are taking.

If we see a possible problem in your use of medications, we will work with your provider to correct the problem.

Section 10.2 Medication Therapy Management (MTM) programs to help members manage their medications

We have programs that can help our members with complex health needs. For example, some members have several medical conditions, take different drugs at the same time, and have high drug costs.

These programs are voluntary and free to members. A team of pharmacists and doctors developed the programs for us. These programs can help make sure that our members get the most benefit from the drugs they take.

One program is called a Medication Therapy Management (MTM) program. Some members who take medications for different medical conditions may be able to get services through a MTM program. A pharmacist or other health professional will give you a comprehensive review of all your medications. You can talk about how best to take your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your medications, with space for you to take notes or write down any follow-up questions. You'll also get a personal medication list that will include all the medications you're taking and why you take them.

Chapter 5. Using the plan's coverage for your Part D prescription drugs

It's a good idea to have your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, keep your medication list with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we will automatically enroll you in the program and send you information. If you decide not to participate, please notify us and we will withdraw you from the program. If you have any questions about these programs, please contact Customer Service (phone numbers are printed on the back cover of this booklet).

CHAPTER 6

*What you pay for your Part D
prescription drugs*

Chapter 6. What you pay for your Part D prescription drugs

SECTION 1	Introduction	135
Section 1.1	Use this chapter together with other materials that explain your drug coverage.....	135
Section 1.2	Types of out-of-pocket costs you may pay for covered drugs	136
SECTION 2	What you pay for a drug depends on which “drug payment stage” you are in when you get the drug	136
Section 2.1	What are the drug payment stages for Presbyterian MediCare PPO Sandia Plan members?	136
SECTION 3	We send you reports that explain payments for your drugs and which payment stage you are in.....	137
Section 3.1	We send you a monthly report called the “ <i>Part D Explanation of Benefits</i> ” (the “Part D EOB”).....	137
Section 3.2	Help us keep our information about your drug payments up to date	138
SECTION 4	There is no deductible for Presbyterian MediCare PPO	139
Section 4.1	You do not pay a deductible for your Part D drugs.....	139
SECTION 5	During the Initial Coverage Stage, the plan pays its share of your drug costs and you pay your share	139
Section 5.1	What you pay for a drug depends on the drug and where you fill your prescription.....	139
Section 5.2	A table that shows your costs for a <i>one-month</i> supply of a drug	140
Section 5.3	If your doctor prescribes less than a full month’s supply, you may not have to pay the cost of the entire month’s supply	142
Section 5.4	A table that shows your costs for a <i>long-term</i> (up to a 90-day) supply of a drug.....	142
Section 5.5	You stay in the Initial Coverage Stage until your out-of-pocket costs for the year reach \$4,850.....	143
Section 5.6	How Medicare calculates your out-of-pocket costs for prescription drugs.	144
SECTION 6	There is no coverage gap for Presbyterian MediCare PPO Sandia Plan	146
Section 6.1	You do not have a coverage gap for your Part D drugs	146

SECTION 7	During the Catastrophic Coverage Stage, the plan pays most of the cost for your drugs	146
Section 7.1	Once you are in the Catastrophic Coverage Stage, you will stay in this stage for the rest of the year	146
SECTION 8	What you pay for vaccinations covered by Part D depends on how and where you get them	146
Section 8.1	Our plan may have separate coverage for the Part D vaccine medication itself and for the cost of giving you the vaccine.....	146
Section 8.2	You may want to call us at Customer Service before you get a vaccination.....	148
SECTION 9	Do you have to pay the Part D “late enrollment penalty”?	149
Section 9.1	What is the Part D “late enrollment penalty”?	149
Section 9.2	How much is the Part D late enrollment penalty?.....	149
Section 9.3	In some situations, you can enroll late and not have to pay the penalty	150
Section 9.4	What can you do if you disagree about your late enrollment penalty?	151
SECTION 10	Do you have to pay an extra Part D amount because of your income?.....	151
Section 10.1	Who pays an extra Part D amount because of income?	151
Section 10.2	How much is the extra Part D amount?.....	152
Section 10.3	What can you do if you disagree about paying an extra Part D amount? ...	152
Section 10.4	What happens if you do not pay the extra Part D amount?.....	153

Did you know there are programs to help people pay for their drugs?

The “Extra Help” program helps people with limited resources pay for their drugs. For more information, see Chapter 2, Section 7.

Are you currently getting help to pay for your drugs?

If you are in a program that helps pay for your drugs, **some information in this *Evidence of Coverage* about the costs for Part D prescription drugs may not apply to you.** We send you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Customer Service and ask for the “LIS Rider.” (Phone numbers for Customer Service are printed on the back cover of this booklet.)

SECTION 1 Introduction

Section 1.1	Use this chapter together with other materials that explain your drug coverage
--------------------	---

This chapter focuses on what you pay for your Part D prescription drugs. To keep things simple, we use “drug” in this chapter to mean a Part D prescription drug. As explained in Chapter 5, not all drugs are Part D drugs – some drugs are covered under Medicare Part A or Part B and other drugs are excluded from Medicare coverage by law.

To understand the payment information we give you in this chapter, you need to know the basics of what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Here are materials that explain these basics:

- **The plan’s *List of Covered Drugs (Formulary)*.** To keep things simple, we call this the “Drug List.”
 - This Drug List tells which drugs are covered for you.
 - It also tells which of the five “cost-sharing tiers” the drug is in and whether there are any restrictions on your coverage for the drug.
 - If you need a copy of the Drug List, call Customer Service (phone numbers are printed on the back cover of this booklet). You can also find the Drug List on our website at www.phs.org/Medicare. The Drug List on the website is always the most current.
- **Chapter 5 of this booklet.** Chapter 5 gives the details about your prescription drug coverage, including rules you need to follow when you get your covered drugs. Chapter 5 also tells which types of prescription drugs are not covered by our plan.

- **The plan’s *Provider Directory*.** In most situations you must use a network pharmacy to get your covered drugs (see Chapter 5 for the details). The *Provider Directory* has a list of pharmacies in the plan’s network. It also tells you which pharmacies in our network can give you a long-term supply of a drug (such as filling a prescription for a three-month’s supply).

Section 1.2	Types of out-of-pocket costs you may pay for covered drugs
--------------------	---

To understand the payment information we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services. The amount that you pay for a drug is called “cost-sharing,” and there are three ways you may be asked to pay.

- The “**deductible**” is the amount you must pay for drugs before our plan begins to pay its share.
- “**Copayment**” means that you pay a fixed amount each time you fill a prescription.
- “**Coinsurance**” means that you pay a percent of the total cost of the drug each time you fill a prescription.

SECTION 2	What you pay for a drug depends on which “drug payment stage” you are in when you get the drug
------------------	---

Section 2.1	What are the drug payment stages for Presbyterian MediCare PPO Sandia Plan members?
--------------------	--

As shown in the table below, there are “drug payment stages” for your prescription drug coverage under Presbyterian MediCare PPO Sandia Plan. How much you pay for a drug depends on which of these stages you are in at the time you get a prescription filled or refilled. Keep in mind you are always responsible for the plan’s monthly premium regardless of the drug payment stage.

Stage 1 <i>Yearly Deductible Stage</i>	Stage 2 <i>Initial Coverage Stage</i>	Stage 3 <i>Coverage Gap Stage</i>	Stage 4 <i>Catastrophic Coverage Stage</i>
<p>Because there is no deductible for the plan, this payment stage does not apply to you.</p>	<p>You begin in this stage when you fill your first prescription of the year.</p> <p>During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost.</p> <p>You stay in this stage until your year-to-date: “total drug costs” (your payments plus any Part D plan’s payments) total \$4,850.</p> <p>(Details are in Section 5 of this chapter.)</p>	<p>Because there is no coverage gap in your plan, this stage does not apply to you.</p>	<p>During this stage, the plan will pay most of the cost of your drugs for the rest of the calendar year (through December 31, 2016).</p> <p>(Details are in Section 7 of this chapter.)</p>

SECTION 3 We send you reports that explain payments for your drugs and which payment stage you are in

Section 3.1 We send you a monthly report called the “Part D Explanation of Benefits” (the “Part D EOB”)

Our plan keeps track of the costs of your prescription drugs and the payments you have made when you get your prescriptions filled or refilled at the pharmacy. This way, we can tell you when you have moved from one drug payment stage to the next. In particular, there are two types of costs we keep track of:

- We keep track of how much you have paid. This is called your **“out-of-pocket”** cost.
- We keep track of your **“total drug costs.”** This is the amount you pay out-of-pocket or others pay on your behalf plus the amount paid by the plan.

Chapter 6. What you pay for your Part D prescription drugs

Our plan will prepare a written report called the *Part D Explanation of Benefits* (it is sometimes called the “Part D EOB”) when you have had one or more prescriptions filled through the plan during the previous month. It includes:

- **Information for that month.** This report gives the payment details about the prescriptions you have filled during the previous month. It shows the total drugs costs, what the plan paid, and what you and others on your behalf paid.
- **Totals for the year since January 1.** This is called “year-to-date” information. It shows you the total drug costs and total payments for your drugs since the year began.

Section 3.2	Help us keep our information about your drug payments up to date
--------------------	---

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up to date:

- **Show your membership card when you get a prescription filled.** To make sure we know about the prescriptions you are filling and what you are paying, show your plan membership card every time you get a prescription filled.
- **Make sure we have the information we need.** There are times you may pay for prescription drugs when we will not automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, you may give us copies of receipts for drugs that you have purchased. (If you are billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2 of this booklet.) Here are some types of situations when you may want to give us copies of your drug receipts to be sure we have a complete record of what you have spent for your drugs:
 - When you purchase a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan’s benefit.
 - When you made a copayment for drugs that are provided under a drug manufacturer patient assistance program.
 - Any time you have purchased covered drugs at out-of-network pharmacies or other times you have paid the full price for a covered drug under special circumstances.
- **Send us information about the payments others have made for you.** Payments made by certain other individuals and organizations also count toward your out-of-pocket costs and help qualify you for catastrophic coverage. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs. You should keep a record of these payments and send them to us so we can track your costs.

- **Check the written report we send you.** When you receive an *Part D Explanation of Benefits* (a Part D EOB) in the mail, please look it over to be sure the information is complete and correct. If you think something is missing from the report, or you have any questions, please call us at Customer Service (phone numbers are printed on the back cover of this booklet). Be sure to keep these reports. They are an important record of your drug expenses.

SECTION 4 There is no deductible for Presbyterian MediCare PPO Sandia Plan

Section 4.1 You do not pay a deductible for your Part D drugs

There is no deductible for Presbyterian MediCare PPO Sandia Plan. You begin in the Initial Coverage Stage when you fill your first prescription of the year. See Section 5 for information about your coverage in the Initial Coverage Stage.

SECTION 5 During the Initial Coverage Stage, the plan pays its share of your drug costs and you pay your share

Section 5.1 What you pay for a drug depends on the drug and where you fill your prescription
--

During the Initial Coverage Stage, the plan pays its share of the cost of your covered prescription drugs, and you pay your share (your copayment or coinsurance amount). Your share of the cost will vary depending on the drug and where you fill your prescription.

The plan has five cost-sharing tiers

Every drug on the plan's Drug List is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier number, the higher your cost for the drug:

- Cost-Sharing Tier 1 includes preferred generic drugs (Lowest Tier).
- Cost-Sharing Tier 2 includes generic drugs.
- Cost-Sharing Tier 3 includes preferred brand drugs.
- Cost-Sharing Tier 4 includes non-preferred brand drugs.
- Cost-Sharing Tier 5 includes specialty drugs (Highest Tier).

To find out which cost-sharing tier your drug is in, look it up in the plan's Drug List.

Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- A retail pharmacy that is in our plan's network
- A pharmacy that is not in the plan's network
- The plan's mail-order pharmacy

For more information about these pharmacy choices and filling your prescriptions, see Chapter 5 in this booklet and the plan's *Provider Directory*.

Section 5.2	A table that shows your costs for a <i>one-month</i> supply of a drug
--------------------	--

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or coinsurance.

- **“Copayment”** means that you pay a fixed amount each time you fill a prescription.
- **“Coinsurance”** means that you pay a percent of the total cost of the drug each time you fill a prescription.

As shown in the table on the next page, the amount of the copayment or coinsurance depends on which cost-sharing tier your drug is in. Please note:

- If your covered drug costs less than the copayment amount listed in the chart, you will pay that lower price for the drug. You pay *either* the full price of the drug *or* the copayment amount, *whichever is lower*.
- We cover prescriptions filled at out-of-network pharmacies in only limited situations. Please see Chapter 5, Section 2.5 for information about when we will cover a prescription filled at an out-of-network pharmacy.

Your share of the cost when you get a *one-month* supply of a covered Part D prescription drug:

Tier	Standard retail cost-sharing (in-network) (up to a 30-day supply)	Mail-order cost-sharing (up to a 30-day supply)	Long-term care (LTC) cost-sharing (up to a 31-day supply)	Out-of-network cost-sharing (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
Cost-Sharing Tier 1 (Preferred Generic Drugs)	\$4 copayment	\$4 copayment	\$4 copayment	\$4 copayment
Cost-Sharing Tier 2 (Generic Drugs)	\$12 copayment	\$12 copayment	\$12 copayment	\$12 copayment
Cost-Sharing Tier 3 (Preferred Brand Drugs)	\$20 copayment	\$20 copayment	\$20 copayment	\$20 copayment
Cost-Sharing Tier 4 (Non-Preferred Brand Drugs)	\$40 copayment	\$40 copayment	\$40 copayment	\$40 copayment
Cost-Sharing Tier 5* (Specialty Drugs)	25% coinsurance	25% coinsurance	25% coinsurance	25% coinsurance

**Certain drugs on Tier 5 may be available only at certain pharmacies. For more information consult your Provider Directory or call Customer Service (phone numbers are printed on the back cover of this booklet)*

Section 5.3 **If your doctor prescribes less than a full month’s supply, you may not have to pay the cost of the entire month’s supply**

Typically, the amount you pay for a prescription drug covers you a full month’s supply of a covered drug. However your doctor can prescribe less than a month’s supply of drugs. There may be times when you want to ask your doctor about prescribing less than a month’s supply of a drug (for example, when you are trying a medication for the first time that is known to have serious side effects). If your doctor prescribes less than a full month’s supply, you will not have to pay for the full month’s supply for certain drugs.

The amount you pay when you get less than a full month’s supply will depend on whether you are responsible for paying coinsurance (a percentage of the total cost) or a copayment (a flat dollar amount).

- If you are responsible for coinsurance, you pay a *percentage* of the total cost of the drug. You pay the same percentage regardless of whether the prescription is for a full month’s supply or for fewer days. However, because the entire drug cost will be lower if you get less than a full month’s supply, the *amount* you pay will be less.
- If you are responsible for a copayment for the drug, your copay will be based on the number of days of the drug that you receive. We will calculate the amount you pay per day for your drug (the “daily cost-sharing rate”) and multiply it by the number of days of the drug you receive.
 - Here’s an example: Let’s say the copay for your drug for a full month’s supply (a 30-day supply) is \$30. This means that the amount you pay per day for your drug is \$1. If you receive a 7 days’ supply of the drug, your payment will be \$1 per day multiplied by 7 days, for a total payment of \$7.

Daily cost-sharing allows you to make sure a drug works for you before you have to pay for an entire month’s supply. You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month’s supply of a drug or drugs, if this will help you better plan refill date for different prescriptions so that you can take fewer trips to the pharmacy. The amount you pay will depend upon the days’ supply you receive.

Section 5.4 **A table that shows your costs for a *long-term* (up to a 90-day) supply of a drug**

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 90-day supply. (For details on where and how to get a long-term supply of a drug, see Chapter 5, Section 2.4.)

Chapter 6. What you pay for your Part D prescription drugs

The table below shows what you pay when you get a long-term (up to a 90-day) supply of a drug.

- Please note: If your covered drug costs less than the copayment amount listed in the chart, you will pay that lower price for the drug. You pay *either* the full price of the drug *or* the copayment amount, *whichever is lower*.

Your share of the cost when you get a long-term supply of a covered Part D prescription drug:

Tier	Standard retail cost-sharing (in-network) (up to a 90-day supply)	Mail-order cost-sharing (up to a 90-day supply)
Cost-Sharing Tier 1 (Preferred Generic Drugs)	\$12 copayment	\$8 copayment
Cost-Sharing Tier 2 (Generic Drugs)	\$36 copayment	\$24 copayment
Cost-Sharing Tier 3 (Preferred Brand Drugs)	\$60 copayment	\$40 copayment
Cost-Sharing Tier 4 (Non-Preferred Brand Drugs)	\$120 copayment	\$80 copayment
Cost-Sharing Tier 5 (Specialty Drugs)	A long-term supply is not available for drugs in Cost-Sharing Tier 5.	A long-term supply is not available for drugs in Cost-Sharing Tier 5.

Section 5.5	You stay in the Initial Coverage Stage until your total drug costs for the year reach \$4,850
--------------------	--

You stay in the Initial Coverage Stage until the total out-of-pocket costs reach \$4,850. Medicare has rules about what counts and what does not count as your out-of-pocket costs. (See Section 5.6 for information about how Medicare counts your out-of-pocket costs.) When you reach an out-of-pocket limit of \$4,850 you leave the Initial Coverage Stage and move on to the Catastrophic Coverage Stage.

The *Part D Explanation of Benefits* (Part D EOB) that we send to you will help you keep track of how much you and the plan, as well as any third parties, have spent on your behalf for your drugs during the year. Many people do not reach the \$4,850 limit in a year.

We will let you know if you reach this \$4,850 amount. If you do reach this amount, you will leave the Initial Coverage Stage and move on to the Catastrophic Coverage Stage.

Section 5.6	How Medicare calculates your out-of-pocket costs for prescription drugs
--------------------	--

Medicare has rules about what counts and what does *not* count as your out-of-pocket costs. When you reach an out-of-pocket limit of \$4,850, you leave the Initial Coverage Stage and move on to the Catastrophic Coverage Stage.

Here are Medicare’s rules that we must follow when we keep track of your out-of-pocket costs for your drugs.

These payments are included in your out-of-pocket costs

When you add up your out-of-pocket costs, you **can include** the payments listed below (as long as they are for Part D covered drugs and you followed the rules for drug coverage that are explained in Chapter 5 of this booklet):

- The amount you pay for drugs when you are in any of the following drug payment stages:
 - The Initial Coverage Stage.
- Any payments you made during this calendar year as a member of a different Medicare prescription drug plan before you joined our plan.

It matters who pays:

- If you make these payments **yourself**, they are included in your out-of-pocket costs.
- These payments are *also included* if they are made on your behalf by **certain other individuals or organizations**. This includes payments for your drugs made by a friend or relative, by most charities, by AIDS drug assistance programs, or by the Indian Health Service. Payments made by Medicare’s “Extra Help” Program are also included.
- Some of the payments made by the Medicare Coverage Gap Discount Program are included. The amount the manufacturer pays for your brand name drugs is included. But the amount the plan pays for your generic drugs is not included.

Moving on to the Catastrophic Coverage Stage:

When you (or those paying on your behalf) have spent a total of \$4,850 in out-of-pocket costs within the calendar year, you will move from the Initial Coverage Stage to the Catastrophic Coverage Stage.

These payments are not included in your out-of-pocket costs

When you add up your out-of-pocket costs, you **are not allowed to include** any of these types of payments for prescription drugs:

- Drugs you buy outside the United States and its territories.
- Drugs that are not covered by our plan.
- Drugs you get at an out-of-network pharmacy that do not meet the plan's requirements for out-of-network coverage.
- Non-Part D drugs, including prescription drugs covered by Part A or Part B and other drugs excluded from coverage by Medicare.
- Payments you make toward prescription drugs not normally covered in a Medicare Prescription Drug Plan.
- Payments for your drugs that are made by group health plans including employer health plans.
- Payments for your drugs that are made by certain insurance plans and government-funded health programs such as TRICARE and the Veteran's Administration.
- Payments for your drugs made by a third-party with a legal obligation to pay for prescription costs (for example, Worker's Compensation).

Reminder: If any other organization such as the ones listed above pays part or all of your out-of-pocket costs for drugs, you are required to tell our plan. Call Customer Service to let us know (phone numbers are printed on the back cover of this booklet).

How can you keep track of your out-of-pocket total?

- **We will help you.** The *Part D Explanation of Benefits* (Part D EOB) report we send to you includes the current amount of your out-of-pocket costs (Section 3 in this chapter tells about this report). When you reach a total of \$4,850 in out-of-pocket costs for the year, this report will tell you that you have left the Initial Coverage Stage and have moved on to the Catastrophic Coverage Stage.
- **Make sure we have the information we need.** Section 3.2 tells what you can do to help make sure that our records of what you have spent are complete and up to date.

SECTION 6 There is no coverage gap for Presbyterian MediCare PPO Sandia Plan

Section 6.1 You do not have a coverage gap for your Part D drugs
--

There is no coverage gap for Presbyterian MediCare PPO Sandia Plan. Once you leave the Initial Coverage Stage, you move on to the Catastrophic Coverage Stage. See Section 7 for information about your coverage in the Catastrophic Coverage Stage.

SECTION 7 During the Catastrophic Coverage Stage, the plan pays most of the cost for your drugs

Section 7.1 Once you are in the Catastrophic Coverage Stage, you will stay in this stage for the rest of the year

You qualify for the Catastrophic Coverage Stage when your out-of-pocket costs have reached the \$4,850 limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year.

During this stage, the plan will pay most of the cost for your drugs.

- **Your share** of the cost for a covered drug will be either coinsurance or a copayment, whichever is the *larger* amount:
 - – *either* – coinsurance of 5% of the cost of the drug
 - – *or* – \$2.95 for a generic drug or a drug that is treated like a generic and \$7.40 for all other drugs.
- **Our plan pays the rest** of the cost.

SECTION 8 What you pay for vaccinations covered by Part D depends on how and where you get them

Section 8.1 Our plan may have separate coverage for the Part D vaccine medication itself and for the cost of giving you the vaccine

Our plan provides coverage of a number of Part D vaccines. We also cover vaccines that are considered medical benefits. You can find out about coverage of these vaccines by going to the Medical Benefits Chart in Chapter 4, Section 2.1.

There are two parts to our coverage of Part D vaccinations:

- The first part of coverage is the cost of **the vaccine medication itself**. The vaccine is a prescription medication.
- The second part of coverage is for the cost of **giving you the vaccine**. (This is sometimes called the “administration” of the vaccine.)

What do you pay for a Part D vaccination?

What you pay for a Part D vaccination depends on three things:

- 1. The type of vaccine** (what you are being vaccinated for).
 - Some vaccines are considered medical benefits. You can find out about your coverage of these vaccines by going to Chapter 4, *Medical Benefits Chart (what is covered and what you pay)*.
 - Other vaccines are considered Part D drugs. You can find these vaccines listed in the plan’s *List of Covered Drugs (Formulary)*.
- 2. Where you get the vaccine medication.**
- 3. Who gives you the vaccine?**

What you pay at the time you get the Part D vaccination can vary depending on the circumstances. For example:

- Sometimes when you get your vaccine, you will have to pay the entire cost for both the vaccine medication and for getting the vaccine. You can ask our plan to pay you back for our share of the cost.
- Other times, when you get the vaccine medication or the vaccine, you will pay only your share of the cost.

To show how this works, here are three common ways you might get a Part D vaccine. Remember you are responsible for all of the costs associated with vaccines (including their administration) during the Coverage Gap Stage of your benefit.

- Situation 1:* You buy the Part D vaccine at the pharmacy and you get your vaccine at the network pharmacy. (Whether you have this choice depends on where you live. Some states do not allow pharmacies to administer a vaccination.)
- You will have to pay the pharmacy the amount of your copayment for the vaccine and the cost of giving you the vaccine.
 - Our plan will pay the remainder of the costs.

Situation 2: You get the Part D vaccination at your doctor’s office.

Chapter 6. What you pay for your Part D prescription drugs

- When you get the vaccination, you will pay for the entire cost of the vaccine and its administration.
- You can then ask our plan to pay our share of the cost by using the procedures that are described in Chapter 7 of this booklet (*Asking us to pay our share of a bill you have received for covered medical services or drugs*).
- You will be reimbursed the amount you paid less your normal copayment for the vaccine (including administration) less any difference between the amount the doctor charges and what we normally pay. (If you get “Extra Help,” we will reimburse you for this difference.)

Situation 3: You buy the Part D vaccine at your pharmacy, and then take it to your doctor’s office where they give you the vaccine.

- You will have to pay the pharmacy the amount of your copayment for the vaccine itself.
- When your doctor gives you the vaccine, you will pay the entire cost for this service. You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7 of this booklet.
- You will be reimbursed the amount charged by the doctor for administering the vaccine less any difference between the amount the doctor charges and what we normally pay. (If you get “Extra Help,” we will reimburse you for this difference.)

Section 8.2**You may want to call us at Customer Service before you get a vaccination**

The rules for coverage of vaccinations are complicated. We are here to help. We recommend that you call us first at Customer Service whenever you are planning to get a vaccination. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

- We can tell you about how your vaccination is covered by our plan and explain your share of the cost.
- We can tell you how to keep your own cost down by using providers and pharmacies in our network.
- If you are not able to use a network provider and pharmacy, we can tell you what you need to do to get payment from us for our share of the cost.

SECTION 9 Do you have to pay the Part D “late enrollment penalty”?

Section 9.1	What is the Part D “late enrollment penalty”?
--------------------	--

Note: If you receive “Extra Help” from Medicare to pay for your prescription drugs, you will not pay a late enrollment penalty.

The late enrollment penalty is an amount that is added to your Part D premium. You may owe a late enrollment penalty if at any time after your initial enrollment period is over, there is a period of 63 days or more in a row when you did not have Part D or other creditable prescription drug coverage. “Creditable prescription drug coverage” is coverage that meets Medicare’s minimum standards since it is expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage.) The amount of the penalty depends on how long you waited to enroll in a creditable prescription drug coverage plan any time after the end of your initial enrollment period or how many full calendar months you went without creditable prescription drug coverage. You will have to pay this penalty for as long as you have Part D coverage.

The penalty is billed to you separately because your Employer Group pays your premium. When you first enroll in Presbyterian MediCare PPO Sandia Plan, we let you know the amount of the penalty. Your late enrollment penalty is considered part of your plan premium.

Section 9.2	How much is the Part D late enrollment penalty?
--------------------	--

Medicare determines the amount of the penalty. Here is how it works:

- First count the number of full months that you delayed enrolling in a Medicare drug plan, after you were eligible to enroll. Or count the number of full months in which you did not have creditable prescription drug coverage, if the break in coverage was 63 days or more. The penalty is 1% for every month that you didn’t have creditable coverage. For example, if you go 14 months without coverage, the penalty will be 14%.
- Then Medicare determines the amount of the average monthly premium for Medicare drug plans in the nation from the previous year. For 2016, this average premium amount is \$34.10.
- To calculate your monthly penalty, you multiply the penalty percentage and the average monthly premium and then round it to the nearest 10 cents. In the example here it would be 14% times \$34.10, which equals \$4.774. This rounds to \$4.78. This amount would be added to the monthly premium for someone with a late enrollment penalty.

There are three important things to note about this monthly late enrollment penalty:

- First, **the penalty may change each year**, because the average monthly premium can change each year. If the national average premium (as determined by Medicare) increases, your penalty will increase.
- Second, **you will continue to pay a penalty** every month for as long as you are enrolled in a plan that has Medicare Part D drug benefits.
- Third, if you are under 65 and currently receiving Medicare benefits, the late enrollment penalty will reset when you turn 65. After age 65, your late enrollment penalty will be based only on the months that you don't have coverage after your initial enrollment period for aging into Medicare.

Section 9.3	In some situations, you can enroll late and not have to pay the penalty
--------------------	--

Even if you have delayed enrolling in a plan offering Medicare Part D coverage when you were first eligible, sometimes you do not have to pay the late enrollment penalty.

You will not have to pay a penalty for late enrollment if you are in any of these situations:

- If you already have prescription drug coverage that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. Medicare calls this "**creditable drug coverage.**" Please note:
 - Creditable coverage could include drug coverage from a former employer or union, TRICARE, or the Department of Veterans Affairs. Your insurer or your human resources department will tell you each year if your drug coverage is creditable coverage. This information may be sent to you in a letter or included in a newsletter from the plan. Keep this information, because you may need it if you join a Medicare drug plan later.
 - Please note: If you receive a "certificate of creditable coverage" when your health coverage ends, it may not mean your prescription drug coverage was creditable. The notice must state that you had "creditable" prescription drug coverage that expected to pay as much as Medicare's standard prescription drug plan pays.
 - The following are *not* creditable prescription drug coverage: prescription drug discount cards, free clinics, and drug discount websites.
 - For additional information about creditable coverage, please look in your *Medicare & You 2016 Handbook* or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.
- If you were without creditable coverage, but you were without it for less than 63 days in a row.

- If you are receiving “Extra Help” from Medicare.

Section 9.4	What can you do if you disagree about your late enrollment penalty?
--------------------	--

If you disagree about your late enrollment penalty, you or your representative can ask for a review of the decision about your late enrollment penalty. Generally, you must request this review **within 60 days** from the date on the letter you receive stating you have to pay a late enrollment penalty. Call Customer Service to find out more about how to do this (phone numbers are printed on the back cover of this booklet).

Important: Do not stop paying your late enrollment penalty while you’re waiting for a review of the decision about your late enrollment penalty. If you do, you could be disenrolled for failure to pay your plan premiums.

SECTION 10	Do you have to pay an extra Part D amount because of your income?
-------------------	--

Section 10.1	Who pays an extra Part D amount because of income?
---------------------	---

Most people pay a standard monthly Part D premium. However, some people pay an extra amount because of their yearly income. If your income is \$85,000 or above for an individual (or married individuals filing separately) or \$170,000 or above for married couples, you must pay an extra amount directly to the government for your Medicare Part D coverage.

If you have to pay an extra amount, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be and how to pay it. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay your plan premium, unless your monthly benefit isn’t enough to cover the extra amount owed. If your benefit check isn’t enough to cover the extra amount, you will get a bill from Medicare. **You must pay the extra amount to the government. It cannot be paid with your monthly plan premium.**

Section 10.2 How much is the extra Part D amount?

If your modified adjusted gross income (MAGI) as reported on your IRS tax return is above a certain amount, you will pay an extra amount in addition to your monthly plan premium.

The chart below shows the extra amount based on your income.

If you filed an individual tax return and your income in 2014 was:	If you were married but filed a separate tax return and your income in 2014 was:	If you filed a joint tax return and your income in 2014 was:	This is the monthly cost of your extra Part D amount (to be paid in addition to your plan premium)
Equal to or less than \$85,000	Equal to or less than \$85,000	Equal to or less than \$170,000	\$0
Greater than \$85,000 and less than or equal to \$107,000		Greater than \$170,000 and less than or equal to \$214,000	\$12.70
Greater than \$107,000 and less than or equal to \$160,000		Greater than \$214,000 and less than or equal to \$320,000	\$32.80
Greater than \$160,000 and less than or equal to \$214,000	Greater than \$85,000 and less than or equal to \$129,000	Greater than \$320,000 and less than or equal to \$428,000	\$52.80
Greater than \$214,000	Greater than \$129,000	Greater than \$428,000	\$72.90

Section 10.3 What can you do if you disagree about paying an extra Part D amount?

If you disagree about paying an extra amount because of your income, you can ask Social Security to review the decision. To find out more about how to do this, contact Social Security at 1-800-772-1213 (TTY 1-800-325-0778).

Section 10.4	What happens if you do not pay the extra Part D amount?
---------------------	--

The extra amount is paid directly to the government (not your Medicare plan) for your Medicare Part D coverage. If you are required to pay the extra amount and you do not pay it, you will be disenrolled from the plan and lose prescription drug coverage.

CHAPTER 7

*Asking us to pay our share of a bill
you have received for covered
medical services or drugs*

Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs

Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs

SECTION 1	Situations in which you should ask us to pay our share of the cost of your covered services or drugs	156

Section 2.1	How and where to send us your request for payment	158
SECTION 3	We will consider your request for payment and say yes or no	159
Section 3.1	We check to see whether we should cover the service or drug and how much we owe.....	159
Section 3.2	If we tell you that we will not pay for all or part of the medical care or drug, you can make an appeal	159
SECTION 4	Other situations in which you should save your receipts and send copies to us.....	160
Section 4.1	In some cases, you should send copies of your receipts to us to help us track your out-of-pocket drug costs.....	160

Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs**SECTION 1 Situations in which you should ask us to pay our share of the cost of your covered services or drugs****Section 1.1 If you pay our plan's share of the cost of your covered services or drugs, or if you receive a bill, you can ask us for payment**

Sometimes when you get medical care or a prescription drug, you may need to pay the full cost right away. Other times, you may find that you have paid more than you expected under the coverage rules of the plan. In either case, you can ask our plan to pay you back (paying you back is often called “reimbursing” you). It is your right to be paid back by our plan whenever you’ve paid more than your share of the cost for medical services or drugs that are covered by our plan.

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

Here are examples of situations in which you may need to ask our plan to pay you back or to pay a bill you have received:

1. When you’ve received medical care from a provider who is not in our plan’s network

When you received care from a provider who is not part of our network, you are only responsible for paying your share of the cost, not for the entire cost. (Your share of the cost may be higher for an out-of-network provider than for a network provider.) You should ask the provider to bill the plan for our share of the cost.

- If you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- At times you may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
 - If the provider is owed anything, we will pay the provider directly.
 - If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.
- **Please note:** While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive.

Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs

2. When a network provider sends you a bill you think you should not pay

Network providers should always bill the plan directly, and ask you only for your share of the cost. But sometimes they make mistakes, and ask you to pay more than your share.

- You only have to pay your cost-sharing amount when you get services covered by our plan. We do not allow providers to add additional separate charges, called “balance billing.” This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges. For more information about “balance billing,” go to Chapter 4, Section 1.3.
- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and resolve the billing problem.
- If you have already paid a bill to a network provider, but you feel that you paid too much, send us the bill along with documentation of any payment you have made and ask us to pay you back the difference between the amount you paid and the amount you owed under the plan.

3. If you are retroactively enrolled in our plan.

Sometimes a person’s enrollment in the plan is retroactive. (Retroactive means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back for our share of the costs. You will need to submit paperwork for us to handle the reimbursement.

Please call Customer Service for additional information about how to ask us to pay you back and deadlines for making your request. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

4. When you use an out-of-network pharmacy to get a prescription filled

If you go to an out-of-network pharmacy and try to use your membership card to fill a prescription, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription. (We cover prescriptions filled at out-of-network pharmacies only in a few special situations. Please go to Chapter 5, Section 2.5 to learn more.)

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost.

Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs

5. When you pay the full cost for a prescription because you don't have your plan membership card with you

If you do not have your plan membership card with you, you can ask the pharmacy to call the plan or to look up your plan enrollment information. However, if the pharmacy cannot get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost.

6. When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find that the drug is not covered for some reason.

- For example, the drug may not be on the plan's *List of Covered Drugs (Formulary)*; or it could have a requirement or restriction that you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor in order to pay you back for our share of the cost.

All of the examples above are types of coverage decisions. This means that if we deny your request for payment, you can appeal our decision. Chapter 9 of this booklet (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*) has information about how to make an appeal.

SECTION 2 How to ask us to pay you back or to pay a bill you have received

Section 2.1 How and where to send us your request for payment

Send us your request for payment, along with your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form, but it will help us process the information faster.
- Either download a copy of the form from our website (www.phs.org/Medicare) or call Customer Service and ask for the form. (Phone numbers for Customer Service are printed on the back cover of this booklet.)

Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs

Mail your request for payment together with any bills or receipts to us at this address:

Presbyterian MediCare PPO
P.O. Box 26267
Albuquerque, NM 87125-6267

You must submit your claim to us within one-year of the date you received the service, item, or drug.

Contact Customer Service if you have any questions (phone numbers are printed on the back cover of this booklet). If you don't know what you should have paid, or you receive bills and you don't know what to do about those bills, we can help. You can also call if you want to give us more information about a request for payment you have already sent to us.

SECTION 3 We will consider your request for payment and say yes or no

Section 3.1 We check to see whether we should cover the service or drug and how much we owe
--

When we receive your request for payment, we will let you know if we need any additional information from you. Otherwise, we will consider your request and make a coverage decision.

- If we decide that the medical care or drug is covered and you followed all the rules for getting the care or drug, we will pay for our share of the cost. If you have already paid for the service or drug, we will mail your reimbursement of our share of the cost to you. If you have not paid for the service or drug yet, we will mail the payment directly to the provider. (Chapter 3 explains the rules you need to follow for getting your medical services covered. Chapter 5 explains the rules you need to follow for getting your Part D prescription drugs covered.)
- If we decide that the medical care or drug is *not* covered, or you did *not* follow all the rules, we will not pay for our share of the cost. Instead, we will send you a letter that explains the reasons why we are not sending the payment you have requested and your rights to appeal that decision.

Section 3.2 If we tell you that we will not pay for all or part of the medical care or drug, you can make an appeal
--

If you think we have made a mistake in turning down your request for payment or you don't agree with the amount we are paying, you can make an appeal. If you make an appeal, it means you are asking us to change the decision we made when we turned down your request for payment.

Chapter 7. Asking us to pay our share of a bill you have received for covered medical services or drugs

For the details on how to make this appeal, go to Chapter 9 of this booklet (*What to do if you have a problem or complaint (coverage decisions, appeals, complaints)*). The appeals process is a formal process with detailed procedures and important deadlines. If making an appeal is new to you, you will find it helpful to start by reading Section 4 of Chapter 9. Section 4 is an introductory section that explains the process for coverage decisions and appeals and gives definitions of terms such as “appeal.” Then after you have read Section 4, you can go to the section in Chapter 9 that tells what to do for your situation:

- If you want to make an appeal about getting paid back for a medical service, go to Section 5.3 in Chapter 9.
- If you want to make an appeal about getting paid back for a drug, go to Section 6.5 of Chapter 9.

SECTION 4 Other situations in which you should save your receipts and send copies to us

Section 4.1 In some cases, you should send copies of your receipts to us to help us track your out-of-pocket drug costs
--

There are some situations when you should let us know about payments you have made for your drugs. In these cases, you are not asking us for payment. Instead, you are telling us about your payments so that we can calculate your out-of-pocket costs correctly. This may help you to qualify for the Catastrophic Coverage Stage more quickly.

Here is a situation when you should send us copies of receipts to let us know about payments you have made for your drugs:

1. When you get a drug through a patient assistance program offered by a drug manufacturer

Some members are enrolled in a patient assistance program offered by a drug manufacturer that is outside the plan benefits. If you get any drugs through a program offered by a drug manufacturer, you may pay a copayment to the patient assistance program.

- Save your receipt and send a copy to us so that we can have your out-of-pocket expenses count toward qualifying you for the Catastrophic Coverage Stage.
- **Please note:** Because you are getting your drug through the patient assistance program and not through the plan’s benefits, we will not pay for any share of these drug costs. But sending a copy of the receipt allows us to calculate your out-of-pocket costs correctly and may help you qualify for the Catastrophic Coverage Stage more quickly.

Since you are not asking for payment in the two cases described above, these situations are not considered coverage decisions. Therefore, you cannot make an appeal if you disagree with our decision.

CHAPTER 8

Your rights and responsibilities

Chapter 8. Your rights and responsibilities

Chapter 8. Your rights and responsibilities

SECTION 1	Our plan must honor your rights as a member of the plan	163
Section 1.1	We must provide information in a way that works for you (in languages other than English, or other alternate formats, etc.)	163
Sección 1.1	Debemos proporcionarle información de una manera adecuada para usted (en otros idiomas distintos al inglés o en otros formatos alternativos, etc.)	163
Section 1.2	We must treat you with fairness and respect at all times	164
Section 1.3	We must ensure that you get timely access to your covered services and drugs	164
Section 1.4	We must protect the privacy of your personal health information	164
Section 1.5	We must give you information about the plan, its network of providers, and your covered services	165
Section 1.6	We must support your right to make decisions about your care, your right to use an advance directive or name someone to help you make those decisions	167
Section 1.7	You have the right to make complaints and to ask us to reconsider decisions we have made	169
Section 1.8	What can you do if you believe you are being treated unfairly or your rights are not being respected?	170
Section 1.9	How to get more information about your rights	170
SECTION 2	You have some responsibilities as a member of the plan	171
Section 2.1	What are your responsibilities?	171

SECTION 1 Our plan must honor your rights as a member of the plan

Section 1.1	We must provide information in a way that works for you (in languages other than English, or other alternate formats, etc.)
--------------------	--

To get information from us in a way that works for you, please call Customer Service (phone numbers are printed on the back cover of this booklet).

Our plan has people and free language interpreter services available to answer questions from non-English speaking members. We can also give you information in Spanish, or other alternate formats if you need it. If you are eligible for Medicare because of a disability, we are required to give you information about the plan's benefits that is accessible and appropriate for you. To get information from us in a way that works for you, please call Customer Service (phone numbers are printed on the back cover of this booklet).

If you have any trouble getting information from our plan because of problems related to language or a disability, please call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and tell them that you want to file a complaint. TTY users call 1-877-486-2048.

Sección 1.1	Debemos proporcionarle información de una manera adecuada para usted (en otros idiomas distintos al inglés o en otros formatos alternativos, etc.)
--------------------	---

Para obtener información de una manera adecuada para usted, sírvase llamar al Servicio de Atención al Cliente (en la contratapa de este folleto encontrará los números de teléfono).

Nuestro plan cuenta con personal y servicios gratis de intérpretes, disponibles para responder a las preguntas de los socios que no hablan inglés. También podemos darle información en español o en formatos alternativos si usted lo necesitara. Si usted es elegible para Medicare debido a una discapacidad, tenemos la obligación de darle la información sobre los beneficios del plan de manera accesible y apropiada para usted.

Si usted tuviera cualquier dificultad para obtener información sobre nuestro plan debido a un problema relacionado con el idioma o con una discapacidad, sírvase llamar a Medicare al 1-800-MEDICARE (1-800-633-4227), donde atienden las 24 horas del día, los 7 días de la semana, y dígame que desea presentar una queja. Los usuarios de TTY deben llamar al 1-877-486-2048.

Chapter 8. Your rights and responsibilities

Section 1.2 We must treat you with fairness and respect at all times

Our plan must obey laws that protect you from discrimination or unfair treatment. **We do not discriminate** based on a person's race, ethnicity, national origin, religion, gender, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area.

If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services' **Office for Civil Rights** 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights.

If you have a disability and need help with access to care, please call us at Customer Service (phone numbers are printed on the back cover of this booklet). If you have a complaint, such as a problem with wheelchair access, Customer Service can help.

Section 1.3 We must ensure that you get timely access to your covered services and drugs

You have the right to choose a provider for your care. You have the right to choose a provider in the plan's network. Call Customer Service to learn which doctors are accepting new patients (phone numbers are printed on the back cover of this booklet). You also have the right to go to a women's health specialist (such as a gynecologist) without a referral and still pay the in-network cost-sharing amount.

As a plan member, you have the right to get appointments and covered services from your providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think that you are not getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9, Section 10 of this booklet tells what you can do. (If we have denied coverage for your medical care or drugs and you don't agree with our decision, Chapter 9, Section 4 tells what you can do.)

Section 1.4 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your "personal health information" includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.

Chapter 8. Your rights and responsibilities

- The laws that protect your privacy give you rights related to getting information and controlling how your health information is used. We give you a written notice, called a “Notice of Privacy Practice,” that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don’t see or change your records.
- In most situations, if we give your health information to anyone who isn’t providing your care or paying for your care, *we are required to get written permission (authorization) from you first*. Written permission can be given by you or by someone you have given legal power to make decisions for you.
- There are certain exceptions that do not require us to get your written permission first. These exceptions are allowed or required by law.
 - For example, we are required to release health information to government agencies that are checking on quality of care.
 - Because you are a member of our plan through Medicare, we are required to give Medicare your health information including information about your Part D prescription drugs. If Medicare releases your information for research or other uses, this will be done according to Federal statutes and regulations.

You can see the information in your records and know how it has been shared with others

You have the right to look at your medical records held at the plan, and to get a copy of your records. We are allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we will work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that are not routine.

If you have questions or concerns about the privacy of your personal health information, please call Customer Service (phone numbers are printed on the back cover of this booklet).

Whenever possible, Presbyterian uses or shares health information that doesn’t identify you. We have policies and procedures to protect the privacy of health information that does identify you. We have a training program to educate our employees and others about our privacy policies. Your health information is only used or shared for our business purposes or as otherwise required or allowed by law. When a service involving your health information is being performed by a third party, we require a written agreement with them to protect the privacy of your health information.

Chapter 8. Your rights and responsibilities

We gave you a copy of our Notice of Privacy Practices when you enrolled and we share it with you every year in a newsletter. If you want to read it again, you can find the most current copy online at www.phs.org/Medicare. If you want a paper copy, you can contact Customer Service to request a one. Call (505) 923-6060 or toll-free at 1-800-797-5343, (TTY users should call 711). Monday through Sunday from 8 a.m. to 8 p.m.

Section 1.5	We must give you information about the plan, its network of providers, and your covered services
--------------------	---

As a member of Presbyterian MediCare PPO Sandia Plan, you have the right to get several kinds of information from us. (As explained above in Section 1.1, you have the right to get information from us in a way that works for you. This includes getting the information in languages other than English and in large print or other alternate formats.)

If you want any of the following kinds of information, please call Customer Service (phone numbers are printed on the back cover of this booklet):

- **Information about our plan.** This includes, for example, information about the plan's financial condition. It also includes information about the number of appeals made by members and the plan's performance ratings, including how it has been rated by plan members and how it compares to other Medicare health plans.
 - You may also request a copy of our Rights and Responsibilities Statement and make recommendations to us regarding our member rights and responsibilities document.
 - For more information about our plan, Call Customer Services (phone numbers are printed on the back cover of this booklet).
- **Information about our network providers including our network pharmacies.**
 - For example, you have the right to get information from us about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
 - For a list of the providers and pharmacies in the plan's network, see the Presbyterian MediCare PPO Provider Directory.
 - For more detailed information about our providers or pharmacies, you can call Customer Service (phone numbers are printed on the back cover of this booklet) or visit our website at www.phs.org/Medicare.
- **Information about your coverage and the rules you must follow when using your coverage.**
 - In Chapters 3 and 4 of this booklet, we explain what medical services are covered for you, any restrictions to your coverage, and what rules you must follow to get your covered medical services.

Chapter 8. Your rights and responsibilities

- To get the details on your Part D prescription drug coverage, see Chapters 5 and 6 of this booklet plus the plan's *List of Covered Drugs (Formulary)*. These chapters, together with the *List of Covered Drugs (Formulary)*, tell you what drugs are covered and explain the rules you must follow and the restrictions to your coverage for certain drugs.
- If you have questions about the rules or restrictions, please call Customer Service (phone numbers are printed on the back cover of this booklet).
- **Information about why something is not covered and what you can do about it.**
 - If a medical service or Part D drug is not covered for you, or if your coverage is restricted in some way, you can ask us for a written explanation. You have the right to this explanation even if you received the medical service or drug from an out-of-network provider or pharmacy.
 - If you are not happy or if you disagree with a decision we make about what medical care or Part D drug is covered for you, you have the right to ask us to change the decision. You can ask us to change the decision by making an appeal. For details on what to do if something is not covered for you in the way you think it should be covered, see Chapter 9 of this booklet. It gives you the details about how to make an appeal if you want us to change our decision. (Chapter 9 also tells about how to make a complaint about quality of care, waiting times, and other concerns.)
 - If you want to ask our plan to pay our share of a bill you have received for medical care or a Part D prescription drug, see Chapter 7 of this booklet.

Section 1.6**We must support your right to make decisions about your care, your right to use an advance directive or name someone to help you make those decisions****You have the right to know your treatment options and participate in decisions about your health care**

You have the right to get full information from your doctors and other health care providers when you go for medical care. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all of your choices.** This means that you have the right to be told about all of the treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.

Chapter 8. Your rights and responsibilities

- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say “no.”** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. Of course, if you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.
- **To receive an explanation if you are denied coverage for care.** You have the right to receive an explanation from us if a provider has denied care that you believe you should receive. To receive this explanation, you will need to ask us for a coverage decision. Chapter 9 of this booklet tells how to ask the plan for a coverage decision.

You have the right to give instructions about what is to be done if you are not able to make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you are in this situation. This means that, *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

The legal documents that you can use to give your directions in advance in these situations are called “**advance directives**.” There are different types of advance directives and different names for them. Documents called “**living will**” and “**power of attorney for health care**” are examples of advance directives.

If you want to use an “advance directive” to give your instructions, here is what to do:

- **Get the form.** If you want to have an advance directive, you can get a form from your lawyer, from a social worker, or from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare. You can also contact Customer Service to ask for the forms (phone numbers are printed on the back cover of this booklet) or you can download a copy of an Advance Directive Form at www.phs.org/Medicare.
- **Fill it out and sign it.** Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to appropriate people.** You should give a copy of the form to your doctor and to the person you name on the form as the one to make decisions for you if you can't.

Chapter 8. Your rights and responsibilities

You may want to give copies to close friends or family members as well. Be sure to keep a copy at home.

If you know ahead of time that you are going to be hospitalized, and you have signed an advance directive, **take a copy with you to the hospital.**

- If you are admitted to the hospital, they will ask you whether you have signed an advance directive form and whether you have it with you.
- If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice whether you want to fill out an advance directive (including whether you want to sign one if you are in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you have signed an advance directive.

What if your instructions are not followed?

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with the New Mexico Department of Health by phone at (505) 827-2613 or in writing at:

New Mexico Department of Health
1190 S. St. Francis Drive
Santa Fe, NM 87502

Section 1.7	You have the right to make complaints and to ask us to reconsider decisions we have made
--------------------	---

If you have any problems or concerns about your covered services or care, Chapter 9 of this booklet tells what you can do. It gives the details about how to deal with all types of problems and complaints. What you need to do to follow up on a problem or concern depends on the situation. You might need to ask our plan to make a coverage decision for you, make an appeal to us to change a coverage decision, or make a complaint. Whatever you do – ask for a coverage decision, make an appeal, or make a complaint – **we are required to treat you fairly.**

You have the right to get a summary of information about the appeals and complaints that other members have filed against our plan in the past. To get this information, please call Customer Service (phone numbers are printed on the back cover of this booklet).

Section 1.8	What can you do if you believe you are being treated unfairly or your rights are not being respected?
--------------------	--

If it is about discrimination, call the Office for Civil Rights

If you believe you have been treated unfairly or your rights have not been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, you should call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 or TTY 1-800-537-7697, or call your local Office for Civil Rights.

Is it about something else?

If you believe you have been treated unfairly or your rights have not been respected, *and it's not* about discrimination, you can get help dealing with the problem you are having:

- You can **call Customer Service** (phone numbers are printed on the back cover of this booklet).
- You can **call the State Health Insurance Assistance Program**. For details about this organization and how to contact it, go to Chapter 2, Section 3.
- Or, **you can call Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Section 1.9	How to get more information about your rights
--------------------	--

There are several places where you can get more information about your rights:

- You can **call Customer Service** (phone numbers are printed on the back cover of this booklet).
- You can **call the State Health Insurance Assistance Program**. For details about this organization and how to contact it, go to Chapter 2, Section 3.
- You can contact **Medicare**.
 - You can visit the Medicare website to read or download the publication "Your Medicare Rights & Protections." (The publication is available at: <http://www.medicare.gov/Pubs/pdf/11534.pdf>.)
 - Or, you can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 2 You have some responsibilities as a member of the plan

Section 2.1 What are your responsibilities?

Things you need to do as a member of the plan are listed below. If you have any questions, please call Customer Service (phone numbers are printed on the back cover of this booklet). We're here to help.

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this Evidence of Coverage booklet to learn what is covered for you and the rules you need to follow to get your covered services.
 - Chapters 3 and 4 give the details about your medical services, including what is covered, what is not covered, rules to follow, and what you pay.
 - Chapters 5 and 6 give the details about your coverage for Part D prescription drugs.
- If you have any other health insurance coverage or prescription drug coverage in addition to our plan, you are required to tell us. Please call Customer Service to let us know (phone numbers are printed on the back cover of this booklet).
 - We are required to follow rules set by Medicare to make sure that you are using all of your coverage in combination when you get your covered services from our plan. This is called “**coordination of benefits**” because it involves coordinating the health and drug benefits you get from our plan with any other health and drug benefits available to you. We'll help you coordinate your benefits. (For more information about coordination of benefits, go to Chapter 1, Section 7.)
- **Tell your doctor and other health care providers that you are enrolled in our plan.** Show your plan membership card whenever you get your medical care or Part D prescription drugs.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
 - To help your doctors and other health providers give you the best care, learn as much as you are able to about your health problems and give them the information they need about you and your health. Work with your doctor to set goals, and follow the treatment plans and instructions that you and your doctors agree upon.
 - Make sure your doctors know all of the drugs you are taking, including over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask. Your doctors and other health care providers are supposed to explain things in a way you can understand. If you ask a question and you don't understand the answer you are given, ask again.

Chapter 8. Your rights and responsibilities

- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - You must pay your plan premiums to continue being a member of our plan.
 - In order to be eligible for our plan, you must have Medicare Part A and Medicare Part B. For that reason, some plan members must pay a premium for Medicare Part A and most plan members must pay a premium for Medicare Part B to remain a member of the plan.
 - For most of your medical services or drugs covered by the plan, you must pay your share of the cost when you get the service or drug. This will be a copayment (a fixed amount) or coinsurance (a percentage of the total cost). Chapter 4 tells what you must pay for your medical services. Chapter 6 tells what you must pay for your Part D prescription drugs.
 - If you get any medical services or drugs that are not covered by our plan or by other insurance you may have, you must pay the full cost.
 - If you disagree with our decision to deny coverage for a service or drug, you can make an appeal. Please see Chapter 9 of this booklet for information about how to make an appeal.
 - If you are required to pay a late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.
 - If you are required to pay the extra amount for Part D because of your yearly income, you must pay the extra amount directly to the government to remain a member of the plan.
- **Tell us if you move.** If you are going to move, it's important to tell us right away. Call Customer Service (phone numbers are printed on the back cover of this booklet).
 - **If you move *outside* of our plan service area, you cannot remain a member of our plan.** (Chapter 1 tells about our service area.) We can help you figure out whether you are moving outside our service area. If you are leaving our service area, you will have a Special Enrollment Period when you can join any Medicare plan available in your new area. We can let you know if we have a plan in your new area.
 - **If you move *within* our service area, we still need to know** so we can keep your membership record up to date and know how to contact you.
 - If you move, it is also important to tell Social Security (or the Railroad Retirement Board). You can find phone numbers and contact information for these organizations in Chapter 2.

Chapter 8. Your rights and responsibilities

- **Call Customer Service for help if you have questions or concerns.** We also welcome any suggestions you may have for improving our plan.
 - Phone numbers and calling hours for Customer Service are printed on the back cover of this booklet.
 - For more information on how to reach us, including our mailing address, please see Chapter 2.

Section 10.4 You can also make complaints about quality of care to the Quality Improvement Organization..... 229

Section 10.5 You can also tell Medicare about your complaint..... 229

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)****BACKGROUND****SECTION 1 Introduction****Section 1.1 What to do if you have a problem or concern**

This chapter explains two types of processes for handling problems and concerns:

- For some types of problems, you need to use the **process for coverage decisions and appeals**.
- For other types of problems, you need to use the **process for making complaints**.

Both of these processes have been approved by Medicare. To ensure fairness and prompt handling of your problems, each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

Which one do you use? That depends on the type of problem you are having. The guide in Section 3 will help you identify the right process to use.

Section 1.2 What about the legal terms?

There are technical legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people and can be hard to understand.

To keep things simple, this chapter explains the legal rules and procedures using simpler words in place of certain legal terms. For example, this chapter generally says “making a complaint” rather than “filing a grievance,” “coverage decision” rather than “organization determination” or “coverage determination,” and “Independent Review Organization” instead of “Independent Review Entity.” It also uses abbreviations as little as possible.

However, it can be helpful – and sometimes quite important – for you to know the correct legal terms for the situation you are in. Knowing which terms to use will help you communicate more clearly and accurately when you are dealing with your problem and get the right help or information for your situation. To help you know which terms to use, we include legal terms when we give the details for handling specific types of situations.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

**SECTION 2 You can get help from government organizations that
are not connected with us**

Section 2.1 Where to get more information and personalized assistance

Sometimes it can be confusing to start or follow through the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step.

Get help from an independent government organization

We are always available to help you. But in some situations you may also want help or guidance from someone who is not connected with us. You can always contact your **State Health Insurance Assistance Program (SHIP)**. This government program has trained counselors in every state. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you are having. They can also answer your questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers in Chapter 2, Section 3 of this booklet.

You can also get help and information from Medicare

For more information and help in handling a problem, you can also contact Medicare. Here are two ways to get information directly from Medicare:

- You can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- You can visit the Medicare website (<http://www.medicare.gov>).

**SECTION 3 To deal with your problem, which process should you
use?**

**Section 3.1 Should you use the process for coverage decisions and
appeals? Or should you use the process for making
complaints?**

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The guide that follows will help.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

To figure out which part of this chapter will help with your specific problem or concern,
START HERE

Is your problem or concern about your benefits or coverage?

(This includes problems about whether particular medical care or prescription drugs are covered or not, the way in which they are covered, and problems related to payment for medical care or prescription drugs.)

Yes. My problem is about benefits or coverage.

Go on to the next section of this chapter, **Section 4, “A guide to the basics of coverage decisions and appeals.”**

No. My problem is not about benefits or coverage.

Skip ahead to **Section 10** at the end of this chapter: **“How to make a complaint about quality of care, waiting times, customer service or other concerns.”**

COVERAGE DECISIONS AND APPEALS

SECTION 4 A guide to the basics of coverage decisions and appeals

Section 4.1	Asking for coverage decisions and making appeals: the big picture
--------------------	--

The process for coverage decisions and appeals deals with problems related to your benefits and coverage for medical services and prescription drugs, including problems related to payment. This is the process you use for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services or drugs. For example, your plan network doctor makes a

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

(favorable) coverage decision for you whenever you receive medical care from him or her or if your network doctor refers you to a medical specialist. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we will cover a particular medical service or refuses to provide medical care you think that you need. In other words, if you want to know if we will cover a medical service before you receive it, you can ask us to make a coverage decision for you.

We are making a coverage decision for you whenever we decide what is covered for you and how much we pay. In some cases we might decide a service or drug is not covered or is no longer covered by Medicare for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision and you are not satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check to see if we were following all of the rules properly. Your appeal is handled by different reviewers than those who made the original unfavorable decision. When we have completed the review, we give you our decision. Under certain circumstances, which we discuss later, you can request an expedited or “fast coverage decision” or fast appeal of a coverage decision.

If we say no to all or part of your Level 1 Appeal, you can go on to a Level 2 Appeal. The Level 2 Appeal is conducted by an independent organization that is not connected to us. (In some situations, your case will be automatically sent to the independent organization for a Level 2 Appeal. If this happens, we will let you know. In other situations, you will need to ask for a Level 2 Appeal.) If you are not satisfied with the decision at the Level 2 Appeal, you may be able to continue through additional levels of appeal.

Section 4.2	How to get help when you are asking for a coverage decision or making an appeal
--------------------	--

Would you like some help? Here are resources you may wish to use if you decide to ask for any kind of coverage decision or appeal a decision:

- You **can call us at Customer Service** (phone numbers are printed on the back cover of this booklet).
- To **get free help from an independent organization** that is not connected with our plan, contact your State Health Insurance Assistance Program (see Section 2 of this chapter).

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

- **Your doctor can make a request for you.**
 - For medical care, your doctor can request a coverage decision or a Level 1 Appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2. To request any appeal after Level 2, your doctor must be appointed as your representative.
 - For Part D prescription drugs, your doctor or other prescriber can request a coverage decision or a Level 1 or Level 2 Appeal on your behalf. To request any appeal after Level 2, your doctor or other prescriber must be appointed as your representative.
- **You can ask someone to act on your behalf.** If you want to, you can name another person to act for you as your “representative” to ask for a coverage decision or make an appeal.
 - There may be someone who is already legally authorized to act as your representative under State law.
 - If you want a friend, relative, your doctor or other provider, or other person to be your representative, call Customer Service (phone numbers are printed on the back cover of this booklet) and ask for the “Appointment of Representative” form. (The form is also available on Medicare’s website at <http://www.cms.hhs.gov/cmsforms/downloads/cms1696.pdf> .) The form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.
- **You also have the right to hire a lawyer to act for you.** You may contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you are not required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

Section 4.3 Which section of this chapter gives the details for your situation?

There are four different types of situations that involve coverage decisions and appeals. Since each situation has different rules and deadlines, we give the details for each one in a separate section:

- **Section 5** of this chapter: “Your medical care: How to ask for a coverage decision or make an appeal”
- **Section 6** of this chapter: “Your Part D prescription drugs: How to ask for a coverage decision or make an appeal”
- **Section 7** of this chapter: “How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon”

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **Section 8** of this chapter: “How to ask us to keep covering certain medical services if you think your coverage is ending too soon” (*Applies to these services only*: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you’re not sure which section you should be using, please call Customer Service (phone numbers are printed on the back cover of this booklet). You can also get help or information from government organizations such as your State Health Insurance Assistance Program (Chapter 2, Section 3, of this booklet has the phone numbers for this program).

SECTION 5 Your medical care: How to ask for a coverage decision or make an appeal

-  **Have you read Section 4 of this chapter (*A guide to “the basics” of coverage decisions and appeals*)? If not, you may want to read it before you start this section.**

Section 5.1	This section tells what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care
--------------------	--

This section is about your benefits for medical care and services. These benefits are described in Chapter 4 of this booklet: *Medical Benefits Chart (what is covered and what you pay)*. To keep things simple, we generally refer to “medical care coverage” or “medical care” in the rest of this section, instead of repeating “medical care or treatment or services” every time.

This section tells what you can do if you are in any of the five following situations:

1. You are not getting certain medical care you want, and you believe that this care is covered by our plan.
2. Our plan will not approve the medical care your doctor or other medical provider wants to give you, and you believe that this care is covered by the plan.
3. You have received medical care or services that you believe should be covered by the plan, but we have said we will not pay for this care.
4. You have received and paid for medical care or services that you believe should be covered by the plan, and you want to ask our plan to reimburse you for this care.
5. You are being told that coverage for certain medical care you have been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health.
 - **NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient**

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter because special rules apply to these types of care. Here's what to read in those situations:

- Chapter 9, Section 7: *How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon.*
- Chapter 9, Section 8: *How to ask us to keep covering certain medical services if you think your coverage is ending too soon.* This section is about three services only: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.
- For *all other* situations that involve being told that medical care you have been getting will be stopped, use this section (Section 5) as your guide for what to do.

Which of these situations are you in?

If you are in this situation:	This is what you can do:
Do you want to find out whether we will cover the medical care or services you want?	You can ask us to make a coverage decision for you. Go to the next section of this chapter, Section 5.2 .
Have we already told you that we will not cover or pay for a medical service in the way that you want it to be covered or paid for?	You can make an appeal . (This means you are asking us to reconsider.) Skip ahead to Section 5.3 of this chapter.
Do you want to ask us to pay you back for medical care or services you have already received and paid for?	You can send us the bill. Skip ahead to Section 5.5 of this chapter.

Section 5.2	Step-by-step: How to ask for a coverage decision (how to ask our plan to authorize or provide the medical care coverage you want)
--------------------	---

Legal Terms

When a coverage decision involves your medical care, it is called an “**organization determination**.”

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Step 1: You ask our plan to make a coverage decision on the medical care you are requesting. If your health requires a quick response, you should ask us to make a “fast coverage decision.”

Legal Terms
A “fast coverage decision” is called an “expedited determination.”

How to request coverage for the medical care you want

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this.
- For the details on how to contact us, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are asking for a coverage decision about your medical care.*

Generally we use the standard deadlines for giving you our decision

When we give you our decision, we will use the “standard” deadlines unless we have agreed to use the “fast” deadlines. **A standard coverage decision means we will give you an answer within 14 calendar days** after we receive your request.

- **However, we can take up to 14 more calendar days** if you ask for more time, or if we need information (such as medical records from out-of-network providers) that may benefit you. If we decide to take extra days to make the decision, we will tell you in writing.
- If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (The process for making a complaint is different from the process for coverage decisions and appeals. For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)

If your health requires it, ask us to give you a “fast coverage decision”

- **A fast coverage decision means we will answer within 72 hours.**
 - **However, we can take up to 14 more calendar days** if we find that some information that may benefit you is missing (such as medical records from out-of-network providers), or if you need time to get information to us for the review. If we decide to take extra days, we will tell you in writing.
 - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. (For more information about the

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

process for making complaints, including fast complaints, see Section 10 of this chapter.) We will call you as soon as we make the decision.

- **To get a fast coverage decision, you must meet two requirements:**
 - You can get a fast coverage decision *only* if you are asking for coverage for medical care *you have not yet received*. (You cannot get a fast coverage decision if your request is about payment for medical care you have already received.)
 - You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision.**
- If you ask for a fast coverage decision on your own, without your doctor’s support, we will decide whether your health requires that we give you a fast coverage decision.
 - If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will send you a letter that says so (and we will use the standard deadlines instead).
 - This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.
 - The letter will also tell how you can file a “fast complaint” about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)

Step 2: We consider your request for medical care coverage and give you our answer.***Deadlines for a “fast” coverage decision***

- Generally, for a fast coverage decision, we will give you our answer **within 72 hours**.
 - As explained above, we can take up to 14 more calendar days under certain circumstances. If we decide to take extra days to make the coverage decision, we will tell you in writing.
 - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)
 - If we do not give you our answer within 72 hours (or if there is an extended time period, by the end of that period), you have the right to appeal. Section 5.3 on the next page tells how to make an appeal.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

- **If our answer is yes to part or all of what you requested**, we must authorize or provide the medical care coverage we have agreed to provide within 72 hours after we received your request. If we extended the time needed to make our coverage decision, we will authorize or provide the coverage by the end of that extended period.
- **If our answer is no to part or all of what you requested**, we will send you a detailed written explanation as to why we said no.

Deadlines for a “standard” coverage decision

- Generally, for a standard coverage decision, we will give you our answer **within 14 calendar days of receiving your request**.
 - We can take up to 14 more calendar days (“an extended time period”) under certain circumstances. If we decide to take extra days to make the coverage decision, we will tell you in writing.
 - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)
 - If we do not give you our answer within 14 calendar days (or if there is an extended time period, by the end of that period), you have the right to appeal. Section 5.3 below tells how to make an appeal.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 14 calendar days after we received your request. If we extended the time needed to make our coverage decision, we will authorize or provide the coverage by the end of that extended period.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no.

Step 3: If we say no to your request for coverage for medical care, you decide if you want to make an appeal.

- If we say no, you have the right to ask us to reconsider – and perhaps change – this decision by making an appeal. Making an appeal means making another try to get the medical care coverage you want.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (see Section 5.3 on the next page).

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

**Section 5.3 Step-by-step: How to make a Level 1 Appeal
(how to ask for a review of a medical care coverage decision
made by our plan)**

Legal Terms

An appeal to the plan about a medical care coverage decision is called a plan “**reconsideration.**”

Step 1: You contact us and make your appeal. If your health requires a quick response, you must ask for a “**fast appeal.**”

What to do

- **To start an appeal, you, your doctor, or your representative, must contact us.** For details on how to reach us for any purpose related to your appeal, go to Chapter 2, Section 1 and look for section called, *How to contact us when you are making an appeal about your medical care.*
- **If you are asking for a standard appeal, make your standard appeal in writing by submitting a request.** You may also ask for an appeal by calling us at the phone number shown in Chapter 2, Section 1 (*How to contact us when you are making an appeal about your medical care*).
 - If you have someone appealing our decision for you other than your doctor, your appeal must include an Appointment of Representative form authorizing this person to represent you. (To get the form, call Customer Service (phone numbers are printed on the back cover of this booklet) and ask for the “Appointment of Representative” form. It is also available on Medicare’s website at <http://www.cms.hhs.gov/cmsforms/downloads/cms1696.pdf>.) While we can accept an appeal request without the form, we cannot begin or complete our review until we receive it. If we do not receive the form within 44 calendar days after receiving your appeal request (our deadline for making a decision on your appeal), your appeal request will be dismissed. If this happens, we will send you a written notice explaining your right to ask the Independent Review Organization to review our decision.
- **If you are asking for a fast appeal, make your appeal in writing or call us** at the phone number shown in Chapter 2, Section 1 (*How to contact us when you are making an appeal about your medical care*).
- **You must make your appeal request within 60 calendar days** from the date on the written notice we sent to tell you our answer to your request for a coverage decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good cause for missing the deadline may include if you had a serious illness that prevented you from

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.

- **You can ask for a copy of the information regarding your medical decision and add more information to support your appeal.**
 - You have the right to ask us for a copy of the information regarding your appeal. We are allowed to charge a fee for copying and sending this information to you.
 - If you wish, you and your doctor may give us additional information to support your appeal.

If your health requires it, ask for a “fast appeal” (you can make a request by calling us)

Legal Terms
A “fast appeal” is also called an “ expedited reconsideration. ”

- If you are appealing a decision we made about coverage for care you have not yet received, you and/or your doctor will need to decide if you need a “fast appeal.”
- The requirements and procedures for getting a “fast appeal” are the same as those for getting a “fast coverage decision.” To ask for a fast appeal, follow the instructions for asking for a fast coverage decision. (These instructions are given earlier in this section.)
- If your doctor tells us that your health requires a “fast appeal,” we will give you a fast appeal.

Step 2: We consider your appeal and we give you our answer.

- When our plan is reviewing your appeal, we take another careful look at all of the information about your request for coverage of medical care. We check to see if we were following all the rules when we said no to your request.
- We will gather more information if we need it. We may contact you or your doctor to get more information.

Deadlines for a “fast” appeal

- When we are using the fast deadlines, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires us to do so.
 - However, if you ask for more time, or if we need to gather more information that may benefit you, we **can take up to 14 more calendar days**. If we decide to take extra days to make the decision, we will tell you in writing.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If we do not give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we are required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we tell you about this organization and explain what happens at Level 2 of the appeals process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written denial notice informing you that we have automatically sent your appeal to the Independent Review Organization for a Level 2 Appeal.

Deadlines for a “standard” appeal

- If we are using the standard deadlines, we must give you our answer **within 30 calendar days** after we receive your appeal if your appeal is about coverage for services you have not yet received. We will give you our decision sooner if your health condition requires us to.
 - However, if you ask for more time, or if we need to gather more information that may benefit you, **we can take up to 14 more calendar days**.
 - If you believe we should *not* take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)
 - If we do not give you an answer by the deadline above (or by the end of the extended time period if we took extra days), we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent outside organization. Later in this section, we talk about this review organization and explain what happens at Level 2 of the appeals process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 30 calendar days after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written denial notice informing you that we have automatically sent your appeal to the Independent Review Organization for a Level 2 Appeal.

Step 3: If our plan says no to part or all of your appeal, your case will automatically be sent on to the next level of the appeals process.

- To make sure we were following all the rules when we said no to your appeal, **we are required to send your appeal to the “Independent Review Organization.”** When

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

we do this, it means that your appeal is going on to the next level of the appeals process, which is Level 2.

Section 5.4 Step-by-step: How a Level 2 Appeal is done

If we say no to your Level 1 Appeal, your case will *automatically* be sent on to the next level of the appeals process. During the Level 2 Appeal, the **Independent Review Organization** reviews our decision for your first appeal. This organization decides whether the decision we made should be changed.

Legal Terms

The formal name for the “Independent Review Organization” is the “**Independent Review Entity.**” It is sometimes called the “**IRE.**”

Step 1: The Independent Review Organization reviews your appeal.

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with us and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- We will send the information about your appeal to this organization. This information is called your “case file.” **You have the right to ask us for a copy of your case file.** We are allowed to charge you a fee for copying and sending this information to you.
- You have a right to give the Independent Review Organization additional information to support your appeal.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal.

If you had a “fast” appeal at Level 1, you will also have a “fast” appeal at Level 2

- If you had a fast appeal to our plan at Level 1, you will automatically receive a fast appeal at Level 2. The review organization must give you an answer to your Level 2 Appeal within 72 hours of when it receives your appeal.
- However, if the Independent Review Organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days.**

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

If you had a “standard” appeal at Level 1, you will also have a “standard” appeal at Level 2

- If you had a standard appeal to our plan at Level 1, you will automatically receive a standard appeal at Level 2. The review organization must give you an answer to your Level 2 Appeal **within 30 calendar days** of when it receives your appeal.
- However, if the Independent Review Organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**.

Step 2: The Independent Review Organization gives you their answer.

The Independent Review Organization will tell you its decision in writing and explain the reasons for it.

- **If the review organization says yes to part or all of what you requested**, we must authorize the medical care coverage within 72 hours or provide the service within 14 calendar days after we receive the decision from the review organization.
- **If this organization says no to part or all of your appeal**, it means they agree with us that your request (or part of your request) for coverage for medical care should not be approved. (This is called “upholding the decision.” It is also called “turning down your appeal.”)
 - If the Independent Review Organization “upholds the decision” you have the right to a Level 3 appeal. However, to make another appeal at Level 3, the dollar value of the medical care coverage you are requesting must meet a certain minimum. If the dollar value of the coverage you are requesting is too low, you cannot make another appeal, which means that the decision at Level 2 is final. The written notice you get from the Independent Review Organization will tell you how to find out the dollar amount to continue the appeals process.

Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).
- If your Level 2 Appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go on to Level 3 and make a third appeal. The details on how to do this are in the written notice you got after your Level 2 Appeal.
- The Level 3 Appeal is handled by an administrative law judge. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)****Section 5.5 What if you are asking us to pay you for our share of a bill you have received for medical care?**

If you want to ask us for payment for medical care, start by reading Chapter 7 of this booklet: *Asking us to pay our share of a bill you have received for covered medical services or drugs*. Chapter 7 describes the situations in which you may need to ask for reimbursement or to pay a bill you have received from a provider. It also tells how to send us the paperwork that asks us for payment.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork that asks for reimbursement, you are asking us to make a coverage decision (for more information about coverage decisions, see Section 4.1 of this chapter). To make this coverage decision, we will check to see if the medical care you paid for is a covered service (see Chapter 4: *Medical Benefits Chart (what is covered and what you pay)*). We will also check to see if you followed all the rules for using your coverage for medical care (these rules are given in Chapter 3 of this booklet: *Using the plan's coverage for your medical services*).

We will say yes or no to your request

- If the medical care you paid for is covered and you followed all the rules, we will send you the payment for our share of the cost of your medical care within 60 calendar days after we receive your request. Or, if you haven't paid for the services, we will send the payment directly to the provider. When we send the payment, it's the same as saying *yes* to your request for a coverage decision.)
- If the medical care is *not* covered, or you did *not* follow all the rules, we will not send payment. Instead, we will send you a letter that says we will not pay for the services and the reasons why in detail. (When we turn down your request for payment, it's the same as saying *no* to your request for a coverage decision.)

What if you ask for payment and we say that we will not pay?

If you do not agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you are asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals that we describe in part 5.3 of this section. Go to this part for step-by-step instructions. When you are following these instructions, please note:

- If you make an appeal for reimbursement, we must give you our answer within

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

60 calendar days after we receive your appeal. (If you are asking us to pay you back for medical care you have already received and paid for yourself, you are not allowed to ask for a fast appeal.)

- If the Independent Review Organization reverses our decision to deny payment, we must send the payment you have requested to you or to the provider within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you requested to you or to the provider within 60 calendar days.

SECTION 6 Your Part D prescription drugs: How to ask for a coverage decision or make an appeal

Have you read Section 4 of this chapter (*A guide to “the basics” of coverage decisions and appeals*)? If not, you may want to read it before you start this section.

Section 6.1	This section tells you what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug
--------------------	--

Your benefits as a member of our plan include coverage for many prescription drugs. Please refer to our plan’s *List of Covered Drugs (Formulary)*. To be covered, the drug must be used for a medically accepted indication. (A “medically accepted indication” is a use of the drug that is either approved by the Food and Drug Administration or supported by certain reference books. See Chapter 5, Section 3 for more information about a medically accepted indication.)

- **This section is about your Part D drugs only.** To keep things simple, we generally say “drug” in the rest of this section, instead of repeating “covered outpatient prescription drug” or “Part D drug” every time.
- For details about what we mean by Part D drugs, the *List of Covered Drugs (Formulary)*, rules and restrictions on coverage, and cost information, see Chapter 5 (*Using our plan’s coverage for your Part D prescription drugs*) and Chapter 6 (*What you pay for your Part D prescription drugs*).

Part D coverage decisions and appeals

As discussed in Section 4 of this chapter, a coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your drugs.

Legal Terms
An initial coverage decision about your Part D drugs is called a “ coverage determination. ”

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Here are examples of coverage decisions you ask us to make about your Part D drugs:

- You ask us to make an exception, including:
 - Asking us to cover a Part D drug that is not on the plan's *List of Covered Drugs (Formulary)*
 - Asking us to waive a restriction on the plan's coverage for a drug (such as limits on the amount of the drug you can get)
 - Asking to pay a lower cost-sharing amount for a covered non-preferred drug
- You ask us whether a drug is covered for you and whether you satisfy any applicable coverage rules. (For example, when your drug is on the plan's *List of Covered Drugs (Formulary)* but we require you to get approval from us before we will cover it for you.)
 - *Please note:* If your pharmacy tells you that your prescription cannot be filled as written, you will get a written notice explaining how to contact us to ask for a coverage decision.
- You ask us to pay for a prescription drug you already bought. This is a request for a coverage decision about payment.

If you disagree with a coverage decision we have made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to request an appeal. Use the chart on the next page to help you determine which part has information for your situation:

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Which of these situations are you in?

<p>Do you need a drug that isn't on our Drug List or need us to waive a rule or restriction on a drug we cover?</p>	<p>Do you want us to cover a drug on our Drug List and you believe you meet any plan rules or restrictions (such as getting approval in advance) for the drug you need?</p>	<p>Do you want to ask us to pay you back for a drug you have already received and paid for?</p>	<p>Have we already told you that we will not cover or pay for a drug in the way that you want it to be covered or paid for?</p>
<p>You can ask us to make an exception. (This is a type of coverage decision.) Start with Section 6.2 of this chapter.</p>	<p>You can ask us for a coverage decision. Skip ahead to Section 6.4 of this chapter.</p>	<p>You can ask us to pay you back. (This is a type of coverage decision.) Skip ahead to Section 6.4 of this chapter.</p>	<p>You can make an appeal. (This means you are asking us to reconsider.) Skip ahead to Section 6.5 of this chapter.</p>

Section 6.2 What is an exception?

If a drug is not covered in the way you would like it to be covered, you can ask us to make an “exception.” An exception is a type of coverage decision. Similar to other types of coverage decisions, if we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. We will then consider your request. Here are three examples of exceptions that you or your doctor or other prescriber can ask us to make:

- 1. Covering a Part D drug for you that is not on our *List of Covered Drugs (Formulary)*.**
(We call it the “Drug List” for short.)

Legal Terms

Asking for coverage of a drug that is not on the Drug List is sometimes called asking for a **“formulary exception.”**

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If we agree to make an exception and cover a drug that is not on the Drug List, you will need to pay the cost-sharing amount that applies to drugs in Tier 4. You cannot ask for an exception to the copayment or coinsurance amount we require you to pay for the drug.
- 2. Removing a restriction on our coverage for a covered drug.** There are extra rules or restrictions that apply to certain drugs on our *List of Covered Drugs (Formulary)* (for more information, go to Chapter 5 and look for Section 4).

Legal Terms
Asking for removal of a restriction on coverage for a drug is sometimes called asking for a “formulary exception.”

- The extra rules and restrictions on coverage for certain drugs include:
 - *Being required to use the generic version* of a drug instead of the brand name drug.
 - *Getting plan approval in advance* before we will agree to cover the drug for you. (This is sometimes called “prior authorization.”)
 - *Being required to try a different drug first* before we will agree to cover the drug you are asking for. (This is sometimes called “step therapy.”)
 - *Quantity limits.* For some drugs, there are restrictions on the amount of the drug you can have.
 - If we agree to make an exception and waive a restriction for you, you can ask for an exception to the copayment or coinsurance amount we require you to pay for the drug.
- 3. Changing coverage of a drug to a lower cost-sharing tier.** Every drug on our Drug List is in one of five cost-sharing tiers. In general, the lower the cost-sharing tier number, the less you will pay as your share of the cost of the drug.

Legal Terms
Asking to pay a lower price for a covered non-preferred drug is sometimes called asking for a “tiering exception.”

- If your drug is in Tier 2, Generic, you can ask us to cover it at the cost-sharing amount that applies to drugs in Tier 1, Preferred Generic. This would lower your share of the cost for the drug.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

- If your drug is in Tier 4, Non-Preferred Brand, you can ask us to cover it at the cost-sharing amount that applies to drugs in Tier 3, Preferred Brand. This would lower your share of the cost for the drug.
- You cannot ask us to change the cost-sharing tier for any drug in Tier 5 Specialty.

Section 6.3 Important things to know about asking for exceptions**Your doctor must tell us the medical reasons**

Your doctor or other prescriber must give us a statement that explains the medical reasons for requesting an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug List includes more than one drug for treating a particular condition. These different possibilities are called “alternative” drugs. If an alternative drug would be just as effective as the drug you are requesting and would not cause more side effects or other health problems, we will generally *not* approve your request for an exception.

We can say yes or no to your request

- If we approve your request for an exception, our approval usually is valid until the end of the plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say no to your request for an exception, you can ask for a review of our decision by making an appeal. Section 6.5 tells how to make an appeal if we say no.

The next section tells you how to ask for a coverage decision, including an exception.

Section 6.4 Step-by-step: How to ask for a coverage decision, including an exception

Step 1: You ask us to make a coverage decision about the drug(s) or payment you need. If your health requires a quick response, you must ask us to make a “**fast coverage decision.**” **You cannot ask for a fast coverage decision if you are asking us to pay you back for a drug you already bought.**

What to do

- **Request the type of coverage decision you want.** Start by calling, writing, or faxing us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can also access the coverage decision process through our website. For the details, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are asking for a coverage decision about your Part D prescription drugs.* Or if you are asking us to pay you back for a drug, go

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

to the section called, *Where to send a request that asks us to pay for our share of the cost for medical care or a drug you have received.*

- **You or your doctor or someone else who is acting on your behalf** can ask for a coverage decision. Section 4 of this chapter tells how you can give written permission to someone else to act as your representative. You can also have a lawyer act on your behalf.
- **If you want to ask us to pay you back for a drug**, start by reading Chapter 7 of this booklet: *Asking us to pay our share of a bill you have received for covered medical services or drugs.* Chapter 7 describes the situations in which you may need to ask for reimbursement. It also tells how to send us the paperwork that asks us to pay you back for our share of the cost of a drug you have paid for.
- **If you are requesting an exception, provide the “supporting statement.”** Your doctor or other prescriber must give us the medical reasons for the drug exception you are requesting. (We call this the “supporting statement.”) Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary. See Sections 6.2 and 6.3 for more information about exception requests.
- **We must accept any written request**, including a request submitted on the CMS Model Coverage Determination Request Form or on our plan’s form, which is available on our website.

If your health requires it, ask us to give you a “fast coverage decision”

Legal Terms
A “fast coverage decision” is called an “ expedited coverage determination. ”

- When we give you our decision, we will use the “standard” deadlines unless we have agreed to use the “fast” deadlines. A standard coverage decision means we will give you an answer within 72 hours after we receive your doctor’s statement. A fast coverage decision means we will answer within 24 hours after we receive your doctor’s statement.
- **To get a fast coverage decision, you must meet two requirements:**
 - You can get a fast coverage decision *only* if you are asking for a *drug you have not yet received.* (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you have already bought.)
 - You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function.*
- **If your doctor or other prescriber tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision.**

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If you ask for a fast coverage decision on your own (without your doctor's or other prescriber's support), we will decide whether your health requires that we give you a fast coverage decision.
 - If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will send you a letter that says so (and we will use the standard deadlines instead).
 - This letter will tell you that if your doctor or other prescriber asks for the fast coverage decision, we will automatically give a fast coverage decision.
 - The letter will also tell how you can file a complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. It tells how to file a "fast" complaint, which means you would get our answer to your complaint within 24 hours of receiving the complaint. (The process for making a complaint is different from the process for coverage decisions and appeals. For more information about the process for making complaints, see Section 10 of this chapter.)

Step 2: We consider your request and we give you our answer.

Deadlines for a "fast" coverage decision

- If we are using the fast deadlines, we must give you our answer **within 24 hours**.
 - Generally, this means within 24 hours after we receive your request. If you are requesting an exception, we will give you our answer within 24 hours after we receive your doctor's statement supporting your request. We will give you our answer sooner if your health requires us to.
 - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent outside organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.
- **If our answer is yes to part or all of what you requested**, we must provide the coverage we have agreed to provide within 24 hours after we receive your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how to appeal.

Deadlines for a "standard" coverage decision about a drug you have not yet received

- If we are using the standard deadlines, we must give you our answer **within 72 hours**.
 - Generally, this means within 72 hours after we receive your request. If you are requesting an exception, we will give you our answer within 72 hours after we

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

receive your doctor's statement supporting your request. We will give you our answer sooner if your health requires us to.

- If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.
- **If our answer is yes to part or all of what you requested –**
 - If we approve your request for coverage, we must **provide the coverage** we have agreed to provide **within 72 hours** after we receive your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how to appeal.

Deadlines for a "standard" coverage decision about payment for a drug you have already bought

- We must give you our answer **within 14 calendar days** after we receive your request.
 - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.
- **If our answer is yes to part or all of what you requested**, we are also required to make payment to you within 14 calendar days after we receive your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how to appeal.

Step 3: If we say no to your coverage request, you decide if you want to make an appeal.

- If we say no, you have the right to request an appeal. Requesting an appeal means asking us to reconsider – and possibly change – the decision we made.

Section 6.5

Step-by-step: How to make a Level 1 Appeal

(how to ask for a review of a coverage decision made by our plan)

Legal Terms

An appeal to the plan about a Part D drug coverage decision is called a plan **"redetermination."**

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Step 1: You contact us and make your Level 1 Appeal. If your health requires a quick response, you must ask for a “fast appeal.”

What to do

- **To start your appeal, you (or your representative or your doctor or other prescriber) must contact us.**
 - For details on how to reach us by phone, fax, or mail, or on our website, for any purpose related to your appeal, go to Chapter 2, Section 1, and look for the section called, *How to contact us when you are making an appeal about your Part D prescription drugs.*
- **If you are asking for a standard appeal, make your appeal by submitting a written request.** You may also ask for an appeal by calling us at the phone number shown in Chapter 2, Section 1 (*How to contact our plan when you are making an appeal about your Part D prescription drugs.*).
- **If you are asking for a fast appeal, you may make your appeal in writing or you may call us at the phone number shown in Chapter 2, Section 1** (*How to contact our plan when you are making an appeal about your part D prescription drugs.*).
- **We must accept any written request**, including a request submitted on the CMS Model Coverage Determination Request Form, which is available on our website.
- **You must make your appeal request within 60 calendar days** from the date on the written notice we sent to tell you our answer to your request for a coverage decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good cause for missing the deadline may include if you had a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.
- **You can ask for a copy of the information in your appeal and add more information.**
 - You have the right to ask us for a copy of the information regarding your appeal. We are allowed to charge a fee for copying and sending this information to you.
 - If you wish, you and your doctor or other prescriber may give us additional information to support your appeal.

If your health requires it, ask for a “fast appeal”

Legal Terms
A “fast appeal” is also called an “expedited redetermination.”

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If you are appealing a decision we made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a “fast appeal.”
- The requirements for getting a “fast appeal” are the same as those for getting a “fast coverage decision” in Section 6.4 of this chapter.

Step 2: We consider your appeal and we give you our answer.

- When we are reviewing your appeal, we take another careful look at all of the information about your coverage request. We check to see if we were following all the rules when we said no to your request. We may contact you or your doctor or other prescriber to get more information.

Deadlines for a “fast” appeal

- If we are using the fast deadlines, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires it.
 - If we do not give you an answer within 72 hours, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an Independent Review Organization. Later in this section, we talk about this review organization and explain what happens at Level 2 of the appeals process.
- **If our answer is yes to part or all of what you requested**, we must provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no and how to appeal our decision.

Deadlines for a “standard” appeal

- If we are using the standard deadlines, we must give you our answer **within 7 calendar days** after we receive your appeal. We will give you our decision sooner if you have not received the drug yet and your health condition requires us to do so. If you believe your health requires it, you should ask for “fast” appeal.
 - If we do not give you a decision within 7 calendar days, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an Independent Review Organization. Later in this section, we tell about this review organization and explain what happens at Level 2 of the appeals process.
- **If our answer is yes to part or all of what you requested –**
 - If we approve a request for coverage, we must **provide the coverage** we have agreed to provide as quickly as your health requires, but **no later than 7 calendar days** after we receive your appeal.
 - If we approve a request to pay you back for a drug you already bought, we are required to **send payment to you within 30 calendar days** after we receive your appeal request.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no and how to appeal our decision.

Step 3: If we say no to your appeal, you decide if you want to continue with the appeals process and make *another* appeal.

- If we say no to your appeal, you then choose whether to accept this decision or continue by making another appeal.
- If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process (see next page).

Section 6.6 Step-by-step: How to make a Level 2 Appeal

If we say no to your appeal, you then choose whether to accept this decision or continue by making another appeal. If you decide to go on to a Level 2 Appeal, the **Independent Review Organization** reviews the decision we made when we said no to your first appeal. This organization decides whether the decision we made should be changed.

Legal Terms

The formal name for the “Independent Review Organization” is the “**Independent Review Entity.**” It is sometimes called the “**IRE.**”

Step 1: To make a Level 2 Appeal, you (or your representative or your doctor or other prescriber) must contact the Independent Review Organization and ask for a review of your case.

- If we say no to your Level 1 Appeal, the written notice we send you will include **instructions on how to make a Level 2 Appeal** with the Independent Review Organization. These instructions will tell who can make this Level 2 Appeal, what deadlines you must follow, and how to reach the review organization.
- When you make an appeal to the Independent Review Organization, we will send the information we have about your appeal to this organization. This information is called your “case file.” **You have the right to ask us for a copy of your case file.** We are allowed to charge you a fee for copying and sending this information to you.
- You have a right to give the Independent Review Organization additional information to support your appeal.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Step 2: The Independent Review Organization does a review of your appeal and gives you an answer.

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with us and it is not a government agency. This organization is a company chosen by Medicare to review our decisions about your Part D benefits with us.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal. The organization will tell you its decision in writing and explain the reasons for it.

Deadlines for “fast” appeal at Level 2

- If your health requires it, ask the Independent Review Organization for a “fast appeal.”
- If the review organization agrees to give you a “fast appeal,” the review organization must give you an answer to your Level 2 Appeal **within 72 hours** after it receives your appeal request.
- **If the Independent Review Organization says yes to part or all of what you requested,** we must provide the drug coverage that was approved by the review organization **within 24 hours** after we receive the decision from the review organization.

Deadlines for “standard” appeal at Level 2

- If you have a standard appeal at Level 2, the review organization must give you an answer to your Level 2 Appeal **within 7 calendar days** after it receives your appeal.
- **If the Independent Review Organization says yes to part or all of what you requested –**
 - If the Independent Review Organization approves a request for coverage, we must **provide the drug coverage** that was approved by the review organization **within 72 hours** after we receive the decision from the review organization.
 - If the Independent Review Organization approves a request to pay you back for a drug you already bought, we are required to **send payment to you within 30 calendar days** after we receive the decision from the review organization.

What if the review organization says no to your appeal?

If this organization says no to your appeal, it means the organization agrees with our decision not to approve your request. (This is called “upholding the decision.” It is also called “turning down your appeal.”)

If the Independent Review Organization “upholds the decision” you have the right to a Level 3 appeal. However, to make another appeal at Level 3, the dollar value of the drug coverage you

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

are requesting must meet a minimum amount. If the dollar value of the drug coverage you are requesting is too low, you cannot make another appeal and the decision at Level 2 is final. The notice you get from the Independent Review Organization will tell you the dollar value that must be in dispute to continue with the appeals process.

Step 3: If the dollar value of the coverage you are requesting meets the requirement, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).
- If your Level 2 Appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go on to Level 3 and make a third appeal. If you decide to make a third appeal, the details on how to do this are in the written notice you got after your second appeal.
- The Level 3 Appeal is handled by an administrative law judge. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 7 How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon

When you are admitted to a hospital, you have the right to get all of your covered hospital services that are necessary to diagnose and treat your illness or injury. For more information about our coverage for your hospital care, including any limitations on this coverage, see Chapter 4 of this booklet: *Medical Benefits Chart (what is covered and what you pay)*.

During your covered hospital stay, your doctor and the hospital staff will be working with you to prepare for the day when you will leave the hospital. They will also help arrange for care you may need after you leave.

- The day you leave the hospital is called your “**discharge date**.”
- When your discharge date has been decided, your doctor or the hospital staff will let you know.
- If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered. This section tells you how to ask.

Section 7.1 During your inpatient hospital stay, you will get a written notice from Medicare that tells about your rights

During your covered hospital stay, you will be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice whenever they are admitted to a hospital. Someone at the hospital (for example, a caseworker or nurse) must give it to you within two days after you are admitted. If you do not get the notice,

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

ask any hospital employee for it. If you need help, please call Customer Service (phone numbers are printed on the back cover of this booklet). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

- 1. Read this notice carefully and ask questions if you don't understand it.** It tells you about your rights as a hospital patient, including:
 - Your right to receive Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
 - Your right to be involved in any decisions about your hospital stay, and know who will pay for it.
 - Where to report any concerns you have about quality of your hospital care.
 - Your right to appeal your discharge decision if you think you are being discharged from the hospital too soon.

Legal Terms
The written notice from Medicare tells you how you can “ request an immediate review. ” Requesting an immediate review is a formal, legal way to ask for a delay in your discharge date so that we will cover your hospital care for a longer time. (Section 7.2 on the next page tells you how you can request an immediate review.)

- 2. You must sign the written notice to show that you received it and understand your rights.**
 - You or someone who is acting on your behalf must sign the notice. (Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.)
 - Signing the notice shows *only* that you have received the information about your rights. The notice does not give your discharge date (your doctor or hospital staff will tell you your discharge date). Signing the notice **does not mean** you are agreeing on a discharge date.
- 3. Keep your copy** of the signed notice so you will have the information about making an appeal (or reporting a concern about quality of care) handy if you need it.
 - If you sign the notice more than two days before the day you leave the hospital, you will get another copy before you are scheduled to be discharged.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

- To look at a copy of this notice in advance, you can call Customer Service (phone numbers are printed on the back cover of this booklet) or 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can also see it online at <http://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html>

Section 7.2 Step-by-step: How to make a Level 1 Appeal to change your hospital discharge date

If you want to ask for your inpatient hospital services to be covered by us for a longer time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.** Each step in the first two levels of the appeals process is explained below.
- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do.
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service (phone numbers are printed on the back cover of this booklet). Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance (see Section 2 of this chapter).

During a Level 1 Appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you.

Step 1: Contact the Quality Improvement Organization for your state and ask for a “fast review” of your hospital discharge. You must act quickly.

What is the Quality Improvement Organization?

- This organization is a group of doctors and other health care professionals who are paid by the Federal government. These experts are not part of our plan. This organization is paid by Medicare to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare.

How can you contact this organization?

- The written notice you received (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2, Section 4, of this booklet.)

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than your planned discharge date**. (Your “planned discharge date” is the date that has been set for you to leave the hospital.)
 - If you meet this deadline, you are allowed to stay in the hospital *after* your discharge date *without paying for it* while you wait to get the decision on your appeal from the Quality Improvement Organization.
 - If you do *not* meet this deadline, and you decide to stay in the hospital after your planned discharge date, *you may have to pay all of the costs* for hospital care you receive after your planned discharge date.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to our plan instead. For details about this other way to make your appeal, see Section 7.4.

Ask for a “fast review”:

- You must ask the Quality Improvement Organization for a **“fast review”** of your discharge. Asking for a “fast review” means you are asking for the organization to use the “fast” deadlines for an appeal instead of using the standard deadlines.

Legal Terms
A “fast review” is also called an “immediate review” or an “expedited review.”

Step 2: The Quality Improvement Organization conducts an independent review of your case.

What happens during this review?

- Health professionals at the Quality Improvement Organization (we will call them “the reviewers” for short) will ask you (or your representative) why you believe coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.
- The reviewers will also look at your medical information, talk with your doctor, and review information that the hospital and we have given to them.
- By noon of the day after the reviewers informed our plan of your appeal, you will also get a written notice that gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Legal Terms

This written explanation is called the “**Detailed Notice of Discharge.**” You can get a sample of this notice by calling Customer Service (phone numbers are printed on the back cover of this booklet) or 1-800-MEDICARE (1-800-633-4227, 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.) Or you can see a sample notice online at <http://www.cms.hhs.gov/BNI/>

Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.

What happens if the answer is yes?

- If the review organization says *yes* to your appeal, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services. (See Chapter 4 of this booklet).

What happens if the answer is no?

- If the review organization says *no* to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day *after* the Quality Improvement Organization gives you its answer to your appeal.
- If the review organization says *no* to your appeal and you decide to stay in the hospital, then **you may have to pay the full cost** of hospital care you receive after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: If the answer to your Level 1 Appeal is no, you decide if you want to make another appeal.

- If the Quality Improvement Organization has turned down your appeal, *and* you stay in the hospital after your planned discharge date, then you can make another appeal. Making another appeal means you are going on to “Level 2” of the appeals process.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)****Section 7.3 Step-by-step: How to make a Level 2 Appeal to change your hospital discharge date**

If the Quality Improvement Organization has turned down your appeal, *and* you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. During a Level 2 Appeal, you ask the Quality Improvement Organization to take another look at the decision they made on your first appeal. If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

Here are the steps for Level 2 of the appeal process:

Step 1: You contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said *no* to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will decide on your appeal and tell you their decision.***If the review organization says yes:***

- **We must reimburse you** for our share of the costs of hospital care you have received since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

If the review organization says no:

- It means they agree with the decision they made on your Level 1 Appeal and will not change it.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by a judge.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further by going on to Level 3.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If the review organization turns down your Level 2 Appeal, you can choose whether to accept that decision or whether to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by a judge.
- Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 7.4 What if you miss the deadline for making your Level 1 Appeal?

You can appeal to us instead

As explained above in Section 7.2, you must act quickly to contact the Quality Improvement Organization to start your first appeal of your hospital discharge. (“Quickly” means before you leave the hospital and no later than your planned discharge date.) If you miss the deadline for contacting this organization, there is another way to make your appeal.

If you use this other way of making your appeal, *the first two levels of appeal are different.*

Step-by-Step: How to make a Level 1 Alternate Appeal

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

Legal Terms

A “fast” review (or “fast appeal”) is also called an “**expedited appeal**”.

Step 1: Contact us and ask for a “fast review.”

- For details on how to contact us, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are making an appeal about your medical care.*
- **Be sure to ask for a “fast review.”** This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines.

Step 2: We do a “fast” review of your planned discharge date, checking to see if it was medically appropriate.

- During this review, we take a look at all of the information about your hospital stay. We check to see if your planned discharge date was medically appropriate. We will check to see if the decision about when you should leave the hospital was fair and followed all the rules.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- In this situation, we will use the “fast” deadlines rather than the standard deadlines for giving you the answer to this review.

Step 3: We give you our decision within 72 hours after you ask for a “fast review” (“fast appeal”).

- **If we say yes to your fast appeal**, it means we have agreed with you that you still need to be in the hospital after the discharge date, and will keep providing your covered inpatient hospital services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)
- **If we say no to your fast appeal**, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends as of the day we said coverage would end.
 - If you stayed in the hospital *after* your planned discharge date, then **you may have to pay the full cost** of hospital care you received after the planned discharge date.

Step 4: If we say *no* to your fast appeal, your case will *automatically* be sent on to the next level of the appeals process.

- To make sure we were following all the rules when we said no to your fast appeal, **we are required to send your appeal to the “Independent Review Organization.”** When we do this, it means that you are *automatically* going on to Level 2 of the appeals process.

Step-by-Step: Level 2 Alternate Appeal Process

If we say no to your Level 1 Appeal, your case will *automatically* be sent on to the next level of the appeals process. During the Level 2 Appeal, an **Independent Review Organization** reviews the decision we made when we said no to your “fast appeal.” This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the “Independent Review Organization” is the “Independent Review Entity.” It is sometimes called the “IRE.”

Step 1: We will automatically forward your case to the Independent Review Organization.

- We are required to send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of when we tell you that we are saying no to your

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. The complaint process is different from the appeal process. Section 10 of this chapter tells how to make a complaint.)

Step 2: The Independent Review Organization does a “fast review” of your appeal. The reviewers give you an answer within 72 hours.

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal of your hospital discharge.
- **If this organization says *yes* to your appeal,** then we must reimburse you (pay you back) for our share of the costs of hospital care you have received since the date of your planned discharge. We must also continue the plan’s coverage of your inpatient hospital services for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.
- **If this organization says *no* to your appeal,** it means they agree with us that your planned hospital discharge date was medically appropriate.
 - The notice you get from the Independent Review Organization will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by a judge.

Step 3: If the Independent Review Organization turns down your appeal, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If reviewers say no to your Level 2 Appeal, you decide whether to accept their decision or go on to Level 3 and make a third appeal.
- Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

SECTION 8 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

Section 8.1	<i>This section is about three services only: Home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services</i>
--------------------	--

This section is about the following types of care *only*:

- **Home health care services** you are getting.
- **Skilled nursing care** you are getting as a patient in a skilled nursing facility. (To learn about requirements for being considered a “skilled nursing facility,” see Chapter 12, *Definitions of important words*.)
- **Rehabilitation care** you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you are getting treatment for an illness or accident, or you are recovering from a major operation. (For more information about this type of facility, see Chapter 12, *Definitions of important words*.)

When you are getting any of these types of care, you have the right to keep getting your covered services for that type of care for as long as the care is needed to diagnose and treat your illness or injury. For more information on your covered services, including your share of the cost and any limitations to coverage that may apply, see Chapter 4 of this booklet: *Medical Benefits Chart (what is covered and what you pay)*.

When we decide it is time to stop covering any of the three types of care for you, we are required to tell you in advance. When your coverage for that care ends, *we will stop paying our share of the cost for your care*.

If you think we are ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

Section 8.2	We will tell you in advance when your coverage will be ending
--------------------	--

1. **You receive a notice in writing.** At least two days before our plan is going to stop covering your care, you will receive a notice.
 - The written notice tells you the date when we will stop covering the care for you.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- The written notice also tells what you can do if you want to ask our plan to change this decision about when to end your care, and keep covering it for a longer period of time.

Legal Terms

In telling you what you can do, the written notice is telling how you can request a **“fast-track appeal.”** Requesting a fast-track appeal is a formal, legal way to request a change to our coverage decision about when to stop your care. (Section 8.3 below tells how you can request a fast-track appeal.)

The written notice is called the **“Notice of Medicare Non-Coverage.”** To get a sample copy, call Customer Service (phone numbers are printed on the back cover of this booklet) or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) Or see a copy online at <http://www.cms.hhs.gov/BNI/>

2. You must sign the written notice to show that you received it.

- You or someone who is acting on your behalf must sign the notice. (Section 4 tells how you can give written permission to someone else to act as your representative.)
- Signing the notice shows *only* that you have received the information about when your coverage will stop. **Signing it does not mean you agree** with the plan that it’s time to stop getting the care.

Section 8.3 Step-by-step: How to make a Level 1 Appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.** Each step in the first two levels of the appeals process is explained below.
- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section 10 of this chapter tells you how to file a complaint.)
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service (phone numbers are printed on the back cover of this booklet). Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance (see Section 2 of this chapter).

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

During a Level 1 Appeal, the Quality Improvement Organization reviews your appeal and decides whether to change the decision made by our plan.

Step 1: Make your Level 1 Appeal: contact the Quality Improvement Organization for your state and ask for a review. You must act quickly.

What is the Quality Improvement Organization?

- This organization is a group of doctors and other health care experts who are paid by the Federal government. These experts are not part of our plan. They check on the quality of care received by people with Medicare and review plan decisions about when it's time to stop covering certain kinds of medical care.

How can you contact this organization?

- The written notice you received tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2, Section 4, of this booklet.)

What should you ask for?

- Ask this organization for a “fast-track appeal” (to do an independent review) of whether it is medically appropriate for us to end coverage for your medical services.

Your deadline for contacting this organization.

- You must contact the Quality Improvement Organization to start your appeal *no later than noon of the day after you receive the written notice telling you when we will stop covering your care.*
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to us instead. For details about this other way to make your appeal, see Section 8.5.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

What happens during this review?

- Health professionals at the Quality Improvement Organization (we will call them “the reviewers” for short) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
- The review organization will also look at your medical information, talk with your doctor, and review information that our plan has given to them.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- By the end of the day the reviewers informed us of your appeal, and you will also get a written notice from us that explains in detail our reasons for ending our coverage for your services.

Legal Terms
This notice explanation is called the “ Detailed Explanation of Non-Coverage. ”

Step 3: Within one full day after they have all the information they need, the reviewers will tell you their decision.

What happens if the reviewers say yes to your appeal?

- If the reviewers say *yes* to your appeal, then **we must keep providing your covered services for as long as it is medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered services (see Chapter 4 of this booklet).

What happens if the reviewers say no to your appeal?

- If the reviewers say *no* to your appeal, then **your coverage will end on the date we have told you.** We will stop paying our share of the costs of this care on the date listed on the notice.
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* this date when your coverage ends, then **you will have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 Appeal is no, you decide if you want to make another appeal.

- This first appeal you make is “Level 1” of the appeals process. If reviewers say *no* to your Level 1 Appeal – and you choose to continue getting care after your coverage for the care has ended – then you can make another appeal.
- Making another appeal means you are going on to “Level 2” of the appeals process.

Section 8.4	Step-by-step: How to make a Level 2 Appeal to have our plan cover your care for a longer time
--------------------	--

If the Quality Improvement Organization has turned down your appeal and you choose to continue getting care after your coverage for the care has ended, then you can make a Level 2 Appeal. During a Level 2 Appeal, you ask the Quality Improvement Organization to take another

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

look at the decision they made on your first appeal. If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

Here are the steps for Level 2 of the appeal process:

Step 1: You contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 days** after the day when the Quality Improvement Organization said *no* to your Level 1 Appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 days of receipt of your appeal request, reviewers will decide on your appeal and tell you their decision.

What happens if the review organization says yes to your appeal?

- **We must reimburse you** for our share of the costs of care you have received since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it is medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the review organization says no?

- It means they agree with the decision we made to your Level 1 Appeal and will not change it.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by a judge.

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If reviewers turn down your Level 2 Appeal, you can choose whether to

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

accept that decision or to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by a judge.

- Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 8.5 What if you miss the deadline for making your Level 1 Appeal?

You can appeal to us instead

As explained above in Section 8.3, you must act quickly to contact the Quality Improvement Organization to start your first appeal (within a day or two, at the most). If you miss the deadline for contacting this organization, there is another way to make your appeal. If you use this other way of making your appeal, *the first two levels of appeal are different*.

Step-by-Step: How to make a Level 1 Alternate Appeal

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

Here are the steps for a Level 1 Alternate Appeal:

Legal Terms

A “fast” review (or “fast appeal”) is also called an “**expedited appeal**”.

Step 1: Contact us and ask for a “fast review.”

- For details on how to contact us, go to Chapter 2, Section 1 and look for the section called, *How to contact us when you are making an appeal about your medical care*.
- **Be sure to ask for a “fast review.”** This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines.

Step 2: We do a “fast” review of the decision we made about when to end coverage for your services.

- During this review, we take another look at all of the information about your case. We check to see if we were following all the rules when we set the date for ending the plan’s coverage for services you were receiving.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- We will use the “fast” deadlines rather than the standard deadlines for giving you the answer to this review.

Step 3: We give you our decision within 72 hours after you ask for a “fast review” (“fast appeal”).

- **If we say yes to your fast appeal**, it means we have agreed with you that you need services longer, and will keep providing your covered services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)
- **If we say no to your fast appeal**, then your coverage will end on the date we told you and we will not pay any share of the costs after this date.
- If you continued to get home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end, then **you will have to pay the full cost** of this care yourself.

Step 4: If we say no to your fast appeal, your case will automatically go on to the next level of the appeals process.

- To make sure we were following all the rules when we said no to your fast appeal, we **are required to send your appeal to the “Independent Review Organization.”** When we do this, it means that you are *automatically* going on to Level 2 of the appeals process.

Step-by-Step: Level 2 Alternate Appeal Process

If we say no to your Level 1 Appeal, your case will *automatically* be sent on to the next level of the appeals process. During the Level 2 Appeal, the **Independent Review Organization** reviews the decision we made when we said no to your “fast appeal.” This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the “Independent Review Organization” is the “Independent Review Entity.” It is sometimes called the “IRE.”

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Step 1: We will automatically forward your case to the Independent Review Organization.

- We are required to send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. The complaint process is different from the appeal process. Section 10 of this chapter tells how to make a complaint.)

Step 2: The Independent Review Organization does a “fast review” of your appeal. The reviewers give you an answer within 72 hours.

- **The Independent Review Organization is an independent organization that is hired by Medicare.** This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal.
- **If this organization says *yes* to your appeal,** then we must reimburse you (pay you back) for our share of the costs of care you have received since the date when we said your coverage would end. We must also continue to cover the care for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.
- **If this organization says *no* to your appeal,** it means they agree with the decision our plan made to your first appeal and will not change it.
 - The notice you get from the Independent Review Organization will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal.

Step 3: If the Independent Review Organization turns down your appeal, you choose whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If reviewers say no to your Level 2 Appeal, you can choose whether to accept that decision or whether to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by a judge.
- Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)****SECTION 9 Taking your appeal to Level 3 and beyond****Section 9.1 Levels of Appeal 3, 4, and 5 for Medical Service Appeals**

This section may be appropriate for you if you have made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals have been turned down.

If the dollar value of the item or medical service you have appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, the written response you receive to your Level 2 Appeal will explain who to contact and what to do to ask for a Level 3 Appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 Appeal A judge who works for the Federal government will review your appeal and give you an answer. This judge is called an “Administrative Law Judge.”

- **If the Administrative Law Judge says yes to your appeal, the appeals process *may or may not be over*** - We will decide whether to appeal this decision to Level 4. Unlike a decision at Level 2 (Independent Review Organization), we have the right to appeal a Level 3 decision that is favorable to you.
 - If we decide *not* to appeal the decision, we must authorize or provide you with the service within 60 calendar days after receiving the judge’s decision.
 - If we decide to appeal the decision, we will send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.
- **If the Administrative Law Judge says no to your appeal, the appeals process *may or may not be over*.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you can continue to the next level of the review process. If the administrative law judge says no to your appeal, the notice you get will tell you what to do next if you choose to continue with your appeal.

Level 4 Appeal The Appeals Council will review your appeal and give you an answer. The Appeals Council works for the Federal government.

- **If the answer is yes, or if the Appeals Council denies our request to review a favorable Level 3 Appeal decision, the appeals process *may or may not be over*** - We

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

will decide whether to appeal this decision to Level 5. Unlike a decision at Level 2 (Independent Review Organization), we have the right to appeal a Level 4 decision that is favorable to you.

- If we decide *not* to appeal the decision, we must authorize or provide you with the service within 60 calendar days after receiving the Appeals Council’s decision.
- If we decide to appeal the decision, we will let you know in writing.
- **If the answer is no or if the Appeals Council denies the review request, the appeals process *may* or *may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you might be able to continue to the next level of the review process. If the Appeals Council says no to your appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 Appeal. If the rules allow you to go on, the written notice will also tell you who to contact and what to do next if you choose to continue with your appeal.

Level 5 Appeal A judge at the **Federal District Court** will review your appeal.

- This is the last step of the administrative appeals process.

Section 9.2 Levels of Appeal 3, 4, and 5 for Part D Drug Appeals

This section may be appropriate for you if you have made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals have been turned down.

If the value of the drug you have appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. If the dollar amount is less, you cannot appeal any further. The written response you receive to your Level 2 Appeal will explain who to contact and what to do to ask for a Level 3 Appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 Appeal A judge who works for the **Federal government** will review your appeal and give you an answer. This judge is called an “Administrative Law Judge.”

- **If the answer is yes, the appeals process is over.** What you asked for in the appeal has been approved. We must **authorize or provide the drug coverage** that was approved by the Administrative Law Judge **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we receive the decision.
- **If the answer is no, the appeals process *may* or *may not* be over.**

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

- If you decide to accept this decision that turns down your appeal, the appeals process is over.
- If you do not want to accept the decision, you can continue to the next level of the review process. If the administrative law judge says no to your appeal, the notice you get will tell you what to do next if you choose to continue with your appeal.

Level 4 Appeal The **Appeals Council** will review your appeal and give you an answer. The Appeals Council works for the Federal government.

- **If the answer is yes, the appeals process is over.** What you asked for in the appeal has been approved. We must **authorize or provide the drug coverage** that was approved by the Appeals Council **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we receive the decision.
- **If the answer is no, the appeals process *may or may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you might be able to continue to the next level of the review process. If the Appeals Council says no to your appeal or denies your request to review the appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 Appeal. If the rules allow you to go on, the written notice will also tell you who to contact and what to do next if you choose to continue with your appeal.

Level 5 Appeal A judge at the **Federal District Court** will review your appeal.

- This is the last step of the appeals process.

MAKING COMPLAINTS

SECTION 10 How to make a complaint about quality of care, waiting times, customer service, or other concerns

- ❓ **If your problem is about decisions related to benefits, coverage, or payment, then this section is *not for you*. Instead, you need to use the process for coverage decisions and appeals. Go to Section 4 of this chapter.**

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

Section 10.1 What kinds of problems are handled by the complaint process?

This section explains how to use the process for making complaints. The complaint process is used for certain types of problems *only*. This includes problems related to quality of care, waiting times, and the customer service you receive. Here are examples of the kinds of problems handled by the complaint process.

If you have any of these kinds of problems, you can “make a complaint”

Complaint	Example
Quality of your medical care	<ul style="list-style-type: none"> • Are you unhappy with the quality of the care you have received (including care in the hospital)?
Respecting your privacy	<ul style="list-style-type: none"> • Do you believe that someone did not respect your right to privacy or shared information about you that you feel should be confidential?
Disrespect, poor customer service, or other negative behaviors	<ul style="list-style-type: none"> • Has someone been rude or disrespectful to you? • Are you unhappy with how our Customer Service has treated you? • Do you feel you are being encouraged to leave the plan?
Waiting times	<ul style="list-style-type: none"> • Are you having trouble getting an appointment, or waiting too long to get it? • Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by our Customer Service or other staff at the plan? <ul style="list-style-type: none"> ○ Examples include waiting too long on the phone, in the waiting room, when getting a prescription, or in the exam room.
Cleanliness	<ul style="list-style-type: none"> • Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor’s office?
Information you get from us	<ul style="list-style-type: none"> • Do you believe we have not given you a notice that we are required to give? • Do you think written information we have given you is hard to understand?

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Complaint	Example
<p>Timeliness (These types of complaints are all related to the <i>timeliness</i> of our actions related to coverage decisions and appeals)</p>	<p>The process of asking for a coverage decision and making appeals is explained in sections 4-9 of this chapter. If you are asking for a decision or making an appeal, you use that process, not the complaint process.</p> <p>However, if you have already asked us for a coverage decision or made an appeal, and you think that we are not responding quickly enough, you can also make a complaint about our slowness. Here are examples:</p> <ul style="list-style-type: none"> • If you have asked us to give you a “fast coverage decision” or a “fast appeal,” and we have said we will not, you can make a complaint. • If you believe we are not meeting the deadlines for giving you a coverage decision or an answer to an appeal you have made, you can make a complaint. • When a coverage decision we made is reviewed and we are told that we must cover or reimburse you for certain medical services or drugs, there are deadlines that apply. If you think we are not meeting these deadlines, you can make a complaint. • When we do not give you a decision on time, we are required to forward your case to the Independent Review Organization. If we do not do that within the required deadline, you can make a complaint.

Section 10.2

The formal name for “making a complaint” is “filing a grievance”

Legal Terms

- What this section calls a “**complaint**” is also called a “**grievance.**”
- Another term for “**making a complaint**” is “**filing a grievance.**”
- Another way to say “**using the process for complaints**” is “**using the process for filing a grievance.**”

Section 10.3

Step-by-step: Making a complaint

Step 1: Contact us promptly – either by phone or in writing.

- Usually, calling Customer Service is the first step. If there is anything else you need to do, Customer Service will let you know. You can call Customer Service at

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

(505) 923-6060 or toll-free 1-800-797-5343, (TTY users call 711). Hours of operation are Monday through Sunday from 8:00 a.m. to 8:00 p.m. Mountain Standard Time (MST).

- **If you do not wish to call (or you called and were not satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we will respond to your complaint in writing.
 - Once we receive your grievance, Presbyterian MediCare PPO will write to let you know how we have addressed your concern within thirty (30) working days after we receive your grievance. In some instances, we may need additional time to address your concern. We may extend the time frame by up to fourteen 14 calendar days if you request the extension, or if we justify a need for additional information and the extension is in your best interest.
 - You may also file your grievance in writing (you may mail, fax or bring it to our office, using the information in Chapter 2 Section 1 of this booklet). Under certain circumstances you may file an expedited, also known as a fast, grievance.
 - You may file an expedited grievance if we do not agree to your request for an expedited reconsideration, also known as an expedited appeal. We will process and notify you of our decision involving your grievance no later than twenty-four (24) hours after you have filed the grievance.
 - You may also file a grievance if you do not agree with our decision to take an extension involving a service you have requested or an appeal that has been filed by you. We must address your grievance as quickly as your case requires based on your health status, but no later than 30 days after receiving your complaint.
 - If we deny your appeal in whole or in part, our written decision will explain why we denied it, and will tell you about any dispute resolution options you may have.
- **Whether you call or write, you should contact Customer Service right away.** The complaint must be made within 60 calendar days after you had the problem you want to complain about.
- **If you are making a complaint because we denied your request for a “fast coverage decision” or a “fast appeal,” we will automatically give you a “fast” complaint.** If you have a “fast” complaint, it means we will give you **an answer within 24 hours.**

Legal Terms
What this section calls a “fast complaint” is also called an “expedited grievance.”

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)****Step 2: We look into your complaint and give you our answer.**

- **If possible, we will answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we will do that.
- **Most complaints are answered in 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint.
- **If we do not agree** with some or all of your complaint or don't take responsibility for the problem you are complaining about, we will let you know. Our response will include our reasons for this answer. We must respond whether we agree with the complaint or not.

Section 10.4 You can also make complaints about quality of care to the Quality Improvement Organization

You can make your complaint about the quality of care you received to us by using the step-by-step process outlined above.

When your complaint is about *quality of care*, you also have two extra options:

- **You can make your complaint to the Quality Improvement Organization.** If you prefer, you can make your complaint about the quality of care you received directly to this organization (*without* making the complaint to us).
 - The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients.
 - To find the name, address, and phone number of the Quality Improvement Organization for your state, look in Chapter 2, Section 4, of this booklet. If you make a complaint to this organization, we will work with them to resolve your complaint.
- **Or you can make your complaint to both at the same time.** If you wish, you can make your complaint about quality of care to us and also to the Quality Improvement Organization.

Section 10.5 You can also tell Medicare about your complaint

You can submit a complaint about Presbyterian MediCare PPO Sandia Plan directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx. Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.

**Chapter 9. What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)**

If you have any other feedback or concerns, or if you feel the plan is not addressing your issue, please call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users can call 1-877-486-2048.

Section 5.1	When must we end your membership in the plan?	238
Section 5.2	We <u>cannot</u> ask you to leave our plan for any reason related to your health	239
Section 5.3	You have the right to make a complaint if we end your membership in our plan.....	239

SECTION 1 Introduction

Section 1.1 This chapter focuses on ending your membership in our plan

Ending your membership in Presbyterian MediCare PPO Sandia Plan may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you have decided that you *want* to leave.
 - There are only certain times during the year, or certain situations, when you may voluntarily end your membership in the plan. Section 2 tells you *when* you can end your membership in the plan.
 - The process for voluntarily ending your membership varies depending on what type of new coverage you are choosing. Section 3 tells you *how* to end your membership in each situation.
- There are also limited situations where you do not choose to leave, but we are required to end your membership. Section 5 tells you about situations when we must end your membership.
- Contact your employer group administrator.

If you are leaving our plan, you must continue to get your medical care and prescription drugs through our plan until your membership ends.

SECTION 2 When can you end your membership in our plan?

Section 2.1 You can end your membership during the Annual Enrollment Period
--

You can end your membership during the **Annual Enrollment Period** (also known as the “Annual Coordinated Election Period”). This is the time when you should review your health and drug coverage and make a decision about your coverage for the upcoming year.

- **When is the Annual Enrollment Period?** This happens from October 15 to December 7. Or based on your employer group.
- **What type of plan can you switch to during the Annual Enrollment Period?** During this time, you can review your health coverage and your prescription drug coverage. You can choose to keep your current coverage or make changes to your coverage for the upcoming year. If you decide to change to a new plan, you can choose any of the following types of plans:
 - Another Medicare health plan. (You can choose a plan that covers prescription drugs or one that does not cover prescription drugs.)

- Original Medicare *with* a separate Medicare prescription drug plan.
- – *or* – Original Medicare *without* a separate Medicare prescription drug plan.
 - **If you receive “Extra Help” from Medicare to pay for your prescription drugs:** If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.

Note: If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage, you may need to pay a late enrollment penalty if you join a Medicare drug plan later. (“Creditable” coverage means the coverage is expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage.) See Chapter 6, Section 10 for more information about the late enrollment penalty.

- **When will your membership end?** Your membership will end when your new plan’s coverage begins on January 1.

Section 2.2	You can end your membership during the annual Medicare Advantage Disenrollment Period, but your choices are more limited
--------------------	---

You have the opportunity to make *one* change to your health coverage during the annual **Medicare Advantage Disenrollment Period**.

- **When is the annual Medicare Advantage Disenrollment Period?** This happens every year from January 1 to February 14.
- **What type of plan can you switch to during the annual Medicare Advantage Disenrollment Period?** During this time, you can cancel your Medicare Advantage Plan enrollment and switch to Original Medicare. If you choose to switch to Original Medicare during this period, you have until February 14 to join a separate Medicare prescription drug plan to add drug coverage.
- **When will your membership end?** Your membership will end on the first day of the month after we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare prescription drug plan, your membership in the drug plan will begin the first day of the month after the drug plan gets your enrollment request.

Section 2.3	In certain situations, you can end your membership during a Special Enrollment Period
--------------------	--

In certain situations, members of Presbyterian MediCare PPO Sandia Plan may be eligible to end their membership at other times of the year. This is known as a **Special Enrollment Period**.

- **Who is eligible for a Special Enrollment Period?** If any of the following situations apply to you, you are eligible to end your membership during a Special Enrollment

Period. These are just examples, for the full list you can contact the plan, call Medicare, or visit the Medicare website (<http://www.medicare.gov>):

- Usually, when you have moved.
- If you have Centennial Care (Medicaid).
- If you are eligible for “Extra Help” with paying for your Medicare prescriptions.
- If we violate our contract with you.
- If you are getting care in an institution, such as a nursing home or long-term care hospital.
- If you enroll in the Program of All-inclusive Care for the Elderly (PACE).
- **When are Special Enrollment Periods?** The enrollment periods vary depending on your situation.
- **What can you do?** To find out if you are eligible for a Special Enrollment Period, please call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048. If you are eligible to end your membership because of a special situation, you can choose to change both your Medicare health coverage and prescription drug coverage. This means you can choose any of the following types of plans:
 - Another Medicare health plan. (You can choose a plan that covers prescription drugs or one that does not cover prescription drugs.)
 - Original Medicare *with* a separate Medicare prescription drug plan.
 - – *or* – Original Medicare *without* a separate Medicare prescription drug plan.
 - **If you receive “Extra Help” from Medicare to pay for your prescription drugs:** If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.

Note: If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage, you may need to pay a late enrollment penalty if you join a Medicare drug plan later. (“Creditable” coverage means the coverage is expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage.) See Chapter 6, Section 10 for more information about the late enrollment penalty.

- **When will your membership end?** Your membership will usually end on the first day of the month after your request to change your plan is received.

Section 2.4	Where can you get more information about when you can end your membership?
--------------------	---

If you have any questions or would like more information on when you can end your membership:

- You can **call Customer Service** (phone numbers are printed on the back cover of this booklet).
- You can contact your employer group.
- You can find the information in the *Medicare & You 2016* Handbook.
 - Everyone with Medicare receives a copy of *Medicare & You* each fall. Those new to Medicare receive it within a month after first signing up.
 - You can also download a copy from the Medicare website (<http://www.medicare.gov>). Or, you can order a printed copy by calling Medicare at the number below.
- You can contact **Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 3	How do you end your membership in our plan?
------------------	--

Section 3.1	Usually, you end your membership by enrolling in another plan
--------------------	--

Usually, to end your membership in our plan, you simply enroll in another Medicare plan during one of the enrollment periods (see Section 2 in this chapter for information about the enrollment periods). However, if you want to switch from our plan to Original Medicare *without* a Medicare prescription drug plan, you must ask to be disenrolled from our plan. There are two ways you can ask to be disenrolled:

- You can contact your employer group.
- You can make a request in writing to us. Contact Customer Service if you need more information on how to do this (phone numbers are printed on the back cover of this booklet).
- --or-- You can contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Note: If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage, you may need to pay a late enrollment penalty if you join a Medicare drug plan later. (“Creditable” coverage means the coverage is expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage.) See Chapter 6, Section 10 for more information about the late enrollment penalty.

The table below explains how you should end your membership in our plan.

If you would like to switch from our plan to:	This is what you should do:
Another Medicare health plan.	<ul style="list-style-type: none"> Enroll in the new Medicare health plan. You will automatically be disenrolled from Presbyterian MediCare PPO Sandia Plan when your new plan’s coverage begins.
Original Medicare <i>with</i> a separate Medicare prescription drug plan.	<ul style="list-style-type: none"> Enroll in the new Medicare prescription drug plan. You will automatically be disenrolled from Presbyterian MediCare PPO Sandia Plan when your new plan’s coverage begins.
<ul style="list-style-type: none"> Original Medicare <i>without</i> a separate Medicare prescription drug plan. <ul style="list-style-type: none"> Note: If you disenroll from a Medicare prescription drug plan and go without creditable prescription drug coverage, you may need to pay a late enrollment penalty if you join a Medicare drug plan later. See Chapter 6, Section 10 for more information about the late enrollment penalty. 	<ul style="list-style-type: none"> Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are printed on the back cover of this booklet). You can also contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048. You will be disenrolled from Presbyterian MediCare PPO Sandia Plan when your coverage in Original Medicare begins.

SECTION 4 Until your membership ends, you must keep getting your medical services and drugs through our plan

Section 4.1 Until your membership ends, you are still a member of our plan

If you leave Presbyterian MediCare PPO Sandia Plan, it may take time before your membership ends and your new Medicare coverage goes into effect. (See Section 2 for information on when your new coverage begins.) During this time, you must continue to get your medical care and prescription drugs through our plan.

- **You should continue to use our network pharmacies to get your prescriptions filled until your membership in our plan ends.** Usually, your prescription drugs are only covered if they are filled at a network pharmacy including through our mail-order pharmacy services.
- **If you are hospitalized on the day that your membership ends, your hospital stay will usually be covered by our plan until you are discharged** (even if you are discharged after your new health coverage begins).

SECTION 5 Presbyterian MediCare PPO Sandia Plan must end your membership in the plan in certain situations

Section 5.1 When must we end your membership in the plan?

Presbyterian MediCare PPO Sandia Plan must end your membership in the plan if any of the following happen:

- If you do not stay continuously enrolled in Medicare Part A and Part B.
- If you move out of our service area.
- If you are away from our service area for more than six months.
 - If you move or take a long trip, you need to call Customer Service to find out if the place you are moving or traveling to is in our plan's area. (Phone numbers for Customer Service are printed on the back cover of this booklet.)
- If you become incarcerated (go to prison).
- If you lie about or withhold information about other insurance you have that provides prescription drug coverage.
- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.
- If you do not pay the plan premiums for 60 calendar days.
 - We must notify you in writing that you have 60 calendar days to pay the plan premium before we end your membership.

- If you are required to pay the extra Part D amount because of your income and you do not pay it, Medicare will disenroll you from our plan and you will lose prescription drug coverage.

Where can you get more information?

If you have questions or would like more information on when we can end your membership:

- You can call **Customer Service** for more information (phone numbers are printed on the back cover of this booklet).

Section 5.2	We <u>cannot</u> ask you to leave our plan for any reason related to your health
--------------------	---

Presbyterian MediCare PPO Sandia Plan is not allowed to ask you to leave our plan for any reason related to your health.

What should you do if this happens?

If you feel that you are being asked to leave our plan because of a health-related reason, you should call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You may call 24 hours a day, 7 days a week.

Section 5.3	You have the right to make a complaint if we end your membership in our plan
--------------------	---

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can make a complaint about our decision to end your membership. You can also look in Chapter 9, Section 10 for information about how to make a complaint.

CHAPTER 11

Legal notices

Chapter 11. Legal notices

SECTION 1	Notice about governing law.....	242
SECTION 2	Notice about nondiscrimination.....	242
SECTION 3	Notice about Medicare Secondary Payer subrogation rights.....	242

SECTION 1 Notice about governing law

Many laws apply to this *Evidence of Coverage* and some additional provisions may apply because they are required by law. This may affect your rights and responsibilities even if the laws are not included or explained in this document. The principal law that applies to this document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other Federal laws may apply and, under certain circumstances, the laws of the state you live in.

SECTION 2 Notice about nondiscrimination

We don't discriminate based on a person's race, disability, religion, sex, health, ethnicity, creed, age, or national origin. All organizations that provide Medicare Advantage Plans, like our plan, must obey Federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

SECTION 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Presbyterian MediCare PPO Sandia Plan, as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any State laws.

CHAPTER 12

Definitions of important words

Chapter 12. Definitions of important words

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

Annual Enrollment Period – A set time each fall when members can change their health or drugs plans or switch to Original Medicare. The Annual Enrollment Period is from October 15 until December 7.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving. For example, you may ask for an appeal if we don't pay for a drug, item, or service you think you should be able to receive. Chapter 9 explains appeals, including the process involved in making an appeal.

Balance Billing – When a provider (such as a doctor or hospital) bills a patient more than the plan's allowed cost-sharing amount. As a member of Presbyterian MediCare PPO Sandia Plan, you only have to pay our plan's cost-sharing amounts when you get services covered by our plan. We do not allow providers to "balance bill" or otherwise charge you more than the amount of cost-sharing your plan says you must pay.

Benefit Period – The way that Original Medicare measures your use of skilled nursing facility (SNF) services. A benefit period begins the day you go into a skilled nursing facility. The benefit period ends when you haven't received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a skilled nursing facility after one benefit period has ended, a new benefit period begins. You must pay the SNF copayment each benefit period. There is no limit to the number of benefit periods.

Brand Name Drug – A prescription drug that is manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

Catastrophic Coverage Stage – The stage in the Part D Drug Benefit where you pay a low copayment or coinsurance for your drugs after you or other qualified parties on your behalf have spent \$4,850 in covered drugs during the covered year.

Centers for Medicare & Medicaid Services (CMS) – The Federal agency that administers Medicare. Chapter 2 explains how to contact CMS.

Coinsurance – An amount you may be required to pay as your share of the cost for services or prescription drugs. Coinsurance is usually a percentage (for example, 20%).

Chapter 12. Definitions of important words

Combined Maximum Out-of-Pocket Amount – This is the most you will pay in a year for all Part A and Part B services from both network (preferred) providers and out-of-network (non-preferred) providers. See Chapter 4, Section 1.3 for information about your combined maximum out-of-pocket amount.

Complaint—The formal name for “making a complaint” is “filing a grievance.” The complaint process is used for certain types of problems *only*. This includes problems related to quality of care, waiting times, and the customer service you receive. See also “Grievance,” in this list of definitions.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, and provides a variety of services including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Copayment – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor’s visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount, rather than a percentage. For example, you might pay \$10 or \$20 for a doctor’s visit or prescription drug.

Cost-sharing – Cost-sharing refers to amounts that a member has to pay when services or drugs are received. (This is in addition to the plan’s monthly premium.) Cost-sharing includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed “copayment” amount that a plan requires when a specific service or drug is received; or (3) any “coinsurance” amount, a percentage of the total amount paid for a service or drug, that a plan requires when a specific service drug is received. A “daily cost-sharing rate” may apply when your doctor prescribes less than a full month’s supply of certain drugs for you and you are required to pay a copayment.

Cost-Sharing Tier – Every drug on the list of covered drugs is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug

Coverage Determination – A decision about whether a drug prescribed for you is covered by the plan and the amount, if any, you are required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn’t covered under your plan, that isn’t a coverage determination. You need to call or write to your plan to ask for a formal decision about the coverage. Coverage determinations are called “coverage decisions” in this booklet. Chapter 9 explains how to ask us for a coverage decision.

Covered Drugs – The term we use to mean all of the prescription drugs covered by our plan.

Covered Services – The general term we use in this EOC to mean all of the health care services and supplies that are covered by our plan.

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that is expected to pay, on average, at least as much as Medicare’s standard

Chapter 12. Definitions of important words

prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty, if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you do not need skilled medical care or skilled nursing care. Custodial care is personal care that can be provided by people who don't have professional skills or training, such as help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Customer Service – A department within our plan, also known as the Presbyterian Customer Service Center, responsible for answering your questions about your membership, benefits, grievances, and appeals. See Chapter 2 for information about how to contact Customer Service.

Daily cost-sharing rate – A “daily cost-sharing rate” may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you are required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is \$30, and a one-month's supply in your plan is 30 days, then your “daily cost-sharing rate” is \$1 per day. This means you pay \$1 for each day's supply when you fill your prescription.

Disenroll or Disenrollment – The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Dispensing Fee – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription. The dispensing fee covers costs such as the pharmacist's time to prepare and package the prescription.

Durable Medical Equipment – Certain medical equipment that is ordered by your doctor for medical reasons. Examples are walkers, wheelchairs, or hospital beds.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care – Covered services that are: 1) rendered by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which

Chapter 12. Definitions of important words

explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Exception – A type of coverage determination that, if approved, allows you to get a drug that is not on your plan sponsor’s formulary (a formulary exception), or get a non-preferred drug at preferred lower cost-sharing level (a tiering exception). You may also request an exception if your plan sponsor requires you to try another drug before receiving the drug you are requesting, or the plan limits the quantity or dosage of the drug you are requesting (a formulary exception).

Extra Help – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Formulary – See List of Covered Drugs.

Generic Drug – A prescription drug that is approved by the Food and Drug Administration (FDA) as having the same active ingredient(s) as the brand name drug. Generally, a “generic” drug works the same as a brand name drug and usually costs less.

Grievance - A type of complaint you make about us or one of our network providers or pharmacies, including a complaint concerning the quality of your care. This type of complaint does not involve coverage or payment disputes.

Home Health Aide – A home health aide provides services that don’t need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides do not have a nursing license or provide therapy.

Hospice - An enrollee who has 6 months or less to live has the right to elect hospice. We, your plan, must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you are still a member of our plan. You can still obtain all medically necessary services as well as the supplemental benefits we offer. The hospice will provide special treatment for your state.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an “outpatient.”

Income Related Monthly Adjustment Amount (IRMAA) – If your income is above a certain limit, you will pay an income-related monthly adjustment amount in addition to your plan premium. For example, individuals with income greater than \$85,000 and married couples with income greater than \$170,000 must pay a higher Medicare Part B (medical insurance) and Medicare prescription drug coverage premium amount. This additional amount is called the income-related monthly adjustment amount. Less than 5 percent of people with Medicare are affected, so most people will not pay a higher premium.

Initial Coverage Limit – The maximum limit of coverage under the Initial Coverage Stage.

Chapter 12. Definitions of important words

Initial Coverage Stage – This is the stage before your total drug costs including amounts you have paid and what your plan has paid on your behalf for the year have reached \$4,850.

Initial Enrollment Period – When you are first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. For example, if you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

In-Network Maximum Out-of-Pocket Amount – The most you will pay for covered Part A and Part B services received from network (preferred) providers. After you have reached this limit, you will not have to pay anything when you get covered services from network providers for the rest of the contract year. However, until you reach your combined out-of-pocket amount, you must continue to pay your share of the costs when you seek care from an out-of-network (non-preferred) provider. See Chapter 4, Section 1.3 for information about your in-network maximum out-of-pocket amount.

Late Enrollment Penalty – An amount added to your monthly premium for Medicare drug coverage if you go without creditable coverage (coverage that is expected to pay, on average, at least as much as standard Medicare prescription drug coverage) for a continuous period of 63 days or more. You pay this higher amount as long as you have a Medicare drug plan. There are some exceptions. For example, if you receive “Extra Help” from Medicare to pay your prescription drug plan costs, you will not pay a late enrollment penalty.

List of Covered Drugs (Formulary or “Drug List”) – A list of prescription drugs covered by the plan. The drugs on this list are selected by the plan with the help of doctors and pharmacists. The list includes both brand name and generic drugs.

Low Income Subsidy (LIS) – See “Extra Help.”

Medicaid (or Medical Assistance) – A joint Federal and state program that helps with medical costs for some people with low incomes and limited resources. Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid. See Chapter 2, Section 6 for information about how to contact Medicaid in your state.

Medically Accepted Indication – A use of a drug that is either approved by the Food and Drug Administration or supported by certain reference books. See Chapter 5, Section 3 for more information about a medically accepted indication.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People

Chapter 12. Definitions of important words

with Medicare can get their Medicare health coverage through Original Medicare, a PACE plan, or a Medicare Advantage Plan.

Medicare Advantage Disenrollment Period – A set time each year when members in a Medicare Advantage plan can cancel their plan enrollment and switch to Original Medicare. The Medicare Advantage Disenrollment Period is from January 1 until February 14, 2016.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be an HMO, PPO, a Private Fee-for-Service (PFFS) plan, or a Medicare Medical Savings Account (MSA) plan. When you are enrolled in a Medicare Advantage Plan, Medicare services are covered through the plan, and are not paid for under Original Medicare. In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**. Everyone who has Medicare Part A and Part B is eligible to join any Medicare health plan that is offered in their area, except people with End-Stage Renal Disease (unless certain exceptions apply).

Medicare Coverage Gap Discount Program – A program that provides discounts on most covered Part D brand name drugs to Part D enrollees who have reached the Coverage Gap Stage and who are not already receiving “Extra Help.” Discounts are based on agreements between the Federal government and certain drug manufacturers. For this reason, most, but not all, brand name drugs are discounted.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services that are covered by Medicare Part A and B.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in the plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Medicare Prescription Drug Coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

“Medigap” (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill “gaps” in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (Member of our Plan, or “Plan Member”) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Chapter 12. Definitions of important words

Network Pharmacy – A network pharmacy is a pharmacy where members of our plan can get their prescription drug benefits. We call them “network pharmacies” because they contract with our plan. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network Provider – “Provider” is the general term we use for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the State to provide health care services. We call them “**network providers**” when they have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Our plan pays network providers based on the agreements it has with the providers or if the providers agree to provide you with plan-covered services. Network providers may also be referred to as “plan providers.”

Organization Determination – The Medicare Advantage plan has made an organization determination when it makes a decision about whether items or services are covered or how much you have to pay for covered items or services. The Medicare Advantage plan’s network provider or facility has also made an organization determination when it provides you with an item or service, or refers you to an out-of-network provider for an item or service. Organization determinations are called “coverage decisions” in this booklet. Chapter 9 explains how to ask us for a coverage decision.

Original Medicare (“Traditional Medicare” or “Fee-for-service” Medicare) – Original Medicare is offered by the government, and not a private health plan such as Medicare Advantage Plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Out-of-Network Pharmacy – A pharmacy that doesn’t have a contract with our plan to coordinate or provide covered drugs to members of our plan. As explained in this Evidence of Coverage, most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-Network Provider or Out-of-Network Facility – A provider or facility with which we have not arranged to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that are not employed, owned, or operated by our plan or are not under contract to deliver covered services to you. Using out-of-network providers or facilities is explained in this booklet in Chapter 3.

Out-of-Pocket Costs – See the definition for “cost-sharing” above. A member’s cost-sharing requirement to pay for a portion of services or drugs received is also referred to as the member’s “out-of-pocket” cost requirement.

Chapter 12. Definitions of important words

PACE plan – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term care services for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible, while getting the high-quality care they need. People enrolled in PACE plans receive both their Medicare and Medicaid benefits through the plan.

Part C – see “Medicare Advantage (MA) Plan.”

Part D – The voluntary Medicare Prescription Drug Benefit Program. (For ease of reference, we will refer to the prescription drug benefit program as Part D.)

Part D Drugs – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. (See your formulary for a specific list of covered drugs.) Certain categories of drugs were specifically excluded by Congress from being covered as Part D drugs.

Personal Care Services (PCS) – Are the “activities of daily living (ADLs)” that a person is unable to independently perform because of physical or mental disabilities which require the services of a Personal Care Attendant (PCA) to perform the tasks. The ADL tasks include, but are not limited to, personal self-care (bathing, dressing, grooming, eating, toileting), shopping, transporting, caring for assistance animals, cognitive function and verbal or non-verbal communication. Cognitive assistance may be needed because the mental disability prevents the person from knowing when or how to carry out the task. PCS services for cognitive impairment may include supervising and guiding the person with cues that ensure the person correctly and safely performs the task.

Preferred Provider Organization (PPO) Plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they are received from network or out-of-network providers. Member cost-sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

Primary Care Practitioner (PCP) – Your primary care provider is the doctor or other provider you see first for most health problems. He or she makes sure you get the care you need to keep you healthy. He or she also may talk with other doctors and health care providers about your care and refer you to them. In many Medicare health plans, you must see your primary care provider before you see any other health care provider. See Chapter 3, Section 2.1 for information about Primary Care Practitioners.

Chapter 12. Definitions of important words

Prior Authorization – Approval in advance to get services or certain drugs that may or may not be on our formulary. In the network portion of a PPO, some in-network medical services are covered only if your doctor or other network provider gets “prior authorization” from our plan. In a PPO, you do not need prior authorization to obtain out-of-network services. However, you may want to check with the plan before obtaining services from out-of-network providers to confirm that the service is covered by your plan and what your cost-sharing responsibility is. Covered services that need prior authorization are marked in the Benefits Chart in Chapter 4. Some drugs are covered only if your doctor or other network provider gets “prior authorization” from us. Covered drugs that need prior authorization are marked in the formulary.

Prosthetics and Orthotics – These are medical devices ordered by your doctor or other health care provider. Covered items include, but are not limited to, arm, back and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients. See Chapter 2, Section 4 for information about how to contact the QIO for your state.

Quantity Limits – A management tool that is designed to limit the use of selected drugs for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

Rehabilitation Services – These services include physical therapy, speech and language therapy, and occupational therapy.

Service Area – A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it’s also generally the area where you can get routine (non-emergency) services. The plan may disenroll you if you permanently move out of the plan’s service area.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Enrollment Period – A set time when members can change their health or drugs plans or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move outside the service area, if you are getting “Extra Help” with your prescription drug costs, if you move into a nursing home, or if we violate our contract with you.

Special Needs Plan – A special type of Medicare Advantage Plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who reside in a nursing home, or who have certain chronic medical conditions.

Chapter 12. Definitions of important words

Step Therapy – A utilization tool that requires you to first try another drug to treat your medical condition before we will cover the drug your physician may have initially prescribed.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Urgently Needed Services – Urgently needed services are provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible.

Multi-Language Insert

Multi-language Interpreter Services

English: We have free interpreter services to answer any questions you may have about our health or drug plan. To get an interpreter, just call us at 1-800-797-5343. Someone who speaks English/Language can help you. This is a free service.

Spanish: Tenemos servicios de intérprete sin costo alguno para responder cualquier pregunta que pueda tener sobre nuestro plan de salud o medicamentos. Para hablar con un intérprete, por favor llame al 1-800-797-5343. Alguien que hable español le podrá ayudar. Este es un servicio gratuito.
