CLAIM INFORMATION
LONG TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

Sandia will notify us of your claim as soon as possible, so that a claim decision can be made in a timely manner. Written notice of a claim should be sent within 30 days after the date your disability begins. However, you must send Unum written proof of your claim no later than 90 days after your elimination period. If it is not possible to give proof within 90 days, it must be given no later than 1 year after the time proof is otherwise required except in the absence of legal capacity.

The claim form is available from Unum. If you do not receive the form from Unum within 15 days of your request, send Unum written proof of claim without waiting for the form.

You must notify us immediately when you return to work in any capacity.

HOW DO YOU FILE A CLAIM?

You and your Supervisor must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Your proof of claim, provided at your expense, must show:

- that you are under the regular care of a physician;
- the appropriate documentation of your monthly earnings;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation; and
- the name and address of any hospital or institution where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:
- fraud;
- any error Unum makes in processing a claim; and
- your receipt of deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.
GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your waiting period.

WHEN DOES YOUR COVERAGE BEGIN?

This plan provides different benefit options. When you first become eligible for coverage, you may apply for any option; however, you cannot be covered under more than one option at a time.

Your Employer pays 100% of the cost of your coverage for Option A. You will automatically be covered under Option A at 12:01 a.m. on the date you are eligible for coverage.

You may apply for coverage under Option B or Option C anytime during the plan year. You and your Employer share the cost of your coverage under Option B or Option C. If you apply for coverage under Option B or Option C, your coverage will be effective at 12:01 a.m. on the latest of:

- the date you apply for coverage under Option B or Option C; or
- the first of the month following one month after the date Unum approves your application, if evidence of insurability is required; or
- the date you complete the waiting period as described in the Benefits at a Glance.

Evidence of insurability is required if you apply for coverage under Option B or Option C more than 30 days after the date you are eligible for coverage.

An evidence of insurability form can be obtained from Unum.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

Employees on inactive status because of a Sandia Corporation approved leave of absence with a guaranteed reinstatement, who otherwise satisfy the eligibility requirements of this plan are eligible for participation in the SAP (Sickness Absence Plan) upon reinstatement as an active employee.
**WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?**

Once your coverage begins, any increased or additional coverage due to a change in your monthly earnings or due to a plan change requested by your Employer will take effect immediately if you are in active employment or if you are on a covered leave of absence.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

**WHEN DOES YOUR COVERAGE END?**

Your coverage under the policy or a plan ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment except as provided under the covered leave of absence provision.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.

**WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?**

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

**HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?**

Unum considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

**HOW WILL UNUM HANDLE INSURANCE FRAUD?**

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to
focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.
LONG TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are limited from performing the material and substantial duties of any gainful occupation for Sandia Corporation for which you are reasonably fitted by education, training or experience; or
- you are working for an employer other than Sandia in any occupation for which you would not be fitted by education, training or experience, and you have a 40% or more loss in your indexed monthly earnings due to your sickness or injury.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your elimination period. Unum will treat your disability as continuous if your disability stops for 90 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is the earlier of

- the date of termination; or
- the date that you complete 1,040 hours of SA (Sickness Absence) or I-Time (Injury Time).

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

OPTION A

1. Multiply your monthly earnings by 50%.
2. The MAXIMUM monthly benefit is $7,500.
3. Compare the answer from Item 1 with the MAXIMUM monthly benefit. The lesser of these two amounts is your gross disability payment.
4. Subtract from your gross disability payment any deductible sources of income.
The amount figured in Item 4 is your **monthly payment**.

**OPTION B**

1. Multiply your monthly earnings by 60%.
2. The **MAXIMUM monthly benefit** is $9,000.
3. Compare the answer from Item 1 with the **MAXIMUM monthly benefit**. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from 50% of your gross disability payment any **deductible sources of income**. We do not take offsets in excess of 50% of your monthly earnings.

The amount figured in Item 4 is your **monthly payment**.

**OPTION C**

1. Multiply your monthly earnings by 70%.
2. The **MAXIMUM monthly benefit** is $10,500.
3. Compare the answer from Item 1 with the **MAXIMUM monthly benefit**. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from 50% of your gross disability payment any **deductible sources of income**. We do not take offsets in excess of 50% of your monthly earnings.

The amount figured in Item 4 is your **monthly payment**.

**WHAT ARE YOUR MONTHLY EARNINGS?**

Benefits are based on the hourly, weekly, or annual rate of pay for your standard full-time or part-time work schedule. Base pay does not include other payments such as performance awards, premiums, allowances, and overtime payments.

**HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?**

We will send you the monthly payment if:

- while you are disabled, you return to work for an employer other than Sandia Corporation in an occupation that is not a gainful occupation for which you would be reasonably fitted by education, training or experience, and your monthly disability earnings are less than 60% of your monthly earnings;
- you are participating in Unum's Rehabilitation and Return to Work Assistance program. Your monthly payment under this plan will be reduced by 80% of your disability earnings.

Unum may require you to send proof of your monthly disability earnings at least quarterly. We will adjust your payment based on your quarterly disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, your payment will be based on each day of disability.
HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings routinely fluctuate widely from month to month, Unum may average your disability earnings over the most recent 3 months to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless the average of your disability earnings from the last 3 months exceeds 80% of indexed monthly earnings.

We will not pay you for any month during which disability earnings exceed 80% of indexed monthly earnings.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

The following deductible sources of income apply only to Option A and to the first 50% of monthly earnings under Options B and C:

Unum will subtract from your gross disability payment the following deductible sources of income:

1). The amount that you receive or are entitled to receive under:

- a workers' compensation law.
- an occupational disease law.
- any other act or law with similar intent.

2). The amount that you receive or are entitled to receive as disability income payments under any state compulsory benefit act or law.

3). The amount that you receive or are entitled to receive as disability payments or the amount that you receive as retirement payments under:

- the United States Social Security Act.
- the Canada Pension Plan.
- the Quebec Pension Plan.
- any similar plan or act.

4). The amount that you:

- receive as disability payments under your Employer's retirement plan.
- voluntarily elect to receive as retirement payments under your Employer's retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in
Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

5). The amount that you receive under an accrued vacation plan.

6). The amount that you receive under a SAP (Sickness Absence Plan) or I-Time (Injury Time).

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable as a result of the same disability.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- no fault motor vehicle plans

WHAT HAPPENS WHEN YOU RECEIVE A COST OF LIVING INCREASE FROM DEDUCTIBLE SOURCES OF INCOME?

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will NOT be reduced by the estimated amount if you:
- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.

**HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?**

Unum will send you a payment each month up to the **maximum period of payment.** Your maximum period of payment is based on your age at disability as follows:

<table>
<thead>
<tr>
<th>Age at Disability</th>
<th>Maximum Period of Payment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than age 60</td>
<td>To age 65, but not less than 5 years</td>

**WHEN WILL PAYMENTS STOP?**

We will stop sending you payments and your claim will end on the earliest of the following:

- when you are able to work in any gainful occupation but you choose not to;
- while you are disabled, you return to work for an employer other than Sandia in an occupation that is not a gainful occupation and your earnings reach or exceed 60% of your monthly earnings;
- when you return to work in an occupation on a part-time basis that would be considered gainful on a full-time basis, based upon your education, training or experience;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum's Rehabilitation and Return to Work Assistance program;
- the date you fail to cooperate or participate in Unum's Rehabilitation and Return to Work Assistance program;
- the date you fail to submit proof of continuing disability;
- the date you die.

**WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?**

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- intentionally self-inflicted injuries.
- active participation in a riot.
- commission of a felony for which you have been convicted under state or federal law.
- active military service.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

**WHAT IS A PRE-EXISTING CONDITION?**

**For Options B and C only**

You have a pre-existing condition when you apply for coverage when you first become eligible if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

**WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?**

If you have a recurrent disability, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if you are rehired by Sandia and you return to work for Sandia for less than 90 days and become disabled again for any reason.

Your recurrent disability will be subject to the same terms of this plan as your prior claim.

If you are rehired and you return to work for 90 days or more and become disabled again for any reason, the new or recurrent disability will be treated as a new claim and long term disability benefits will not begin again until the exhaustion of another SA (Sickness Absence) or I-Time (Injury Time) Benefit period, and another application has been submitted by you and approved by Unum. The new claim will be subject to all of the policy provisions.
LONG TERM DISABILITY

OTHER BENEFIT FEATURES

WHAT BENEFITS WILL BE PROVIDED TO YOUR FAMILY IF YOU DIE? (Survivor Benefit)

When Unum receives proof that you have died, we will pay your eligible survivor a lump sum benefit equal to 3 months of your gross disability payment if, on the date of your death:

- your disability had continued for 180 or more consecutive days; and
- you were receiving or were entitled to receive payments under the plan.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made.

However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

HOW CAN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program, at our sole discretion. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum’s rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

If we determine you are eligible to participate in a Rehabilitation and Return to Work Assistance program, you must participate in order to receive disability benefits. We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you. You must comply with the terms of the Rehabilitation and Return to Work Assistance plan in order to receive disability benefits.

Vocational rehabilitation will not be covered under this plan if:

- the program is available and you are covered for expenses under any law or government program that provides vocational rehabilitation; or
- the program is available and you are covered under any other plan or arrangement in which Sandia Corporation contributes to the cost.

While you are disabled and receiving benefits under this plan, you may request rehabilitative status through Unum. Rehabilitative status means that you may return to work on a part-time basis for up to 3 months, with extensions of 3 months, up to a maximum of 12 months. If you return to work in the rehabilitative status, your benefits under this plan will be reduced by 80% of your earnings. If you return to
work and Unum does not approve it as rehabilitative status, your benefits may be terminated.

The rehabilitation program may include at our sole discretion, but is not limited to, the following services and benefits:

- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- education and retraining expenses for a new occupation.
OTHER SERVICES

These services are also available from us as part of your Unum Long Term Disability plan.

HOW CAN UNUM’S SOCIAL SECURITY CLAIMANT ADVOCACY PROGRAM ASSIST YOU WITH OBTAINING SOCIAL SECURITY DISABILITY BENEFITS?

In order to be eligible for assistance from Unum’s Social Security claimant advocacy program, you must be receiving monthly payments from us. Unum can provide expert advice regarding your claim and assist you with your application or appeal.

Receiving Social Security benefits may enable:

- you to receive Medicare after 24 months of disability payments;
- you to protect your retirement benefits; and
- your family to be eligible for Social Security benefits.

We can assist you in obtaining Social Security disability benefits by:

- helping you find appropriate legal representation;

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.
If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

**APEAL PROCEDURES**

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal
will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

YOUR RIGHTS UNDER ERISA

As a participant in this Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of deductible sources of income from a third party. This right of recovery is
enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.
NOTICE OF PROTECTION PROVIDED BY NEW MEXICO LIFE INSURANCE PROTECTION ASSOCIATION

This notice provides a brief summary of the New Mexico Life Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under New Mexico law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with New Mexico law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- **Life Insurance**
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values

- **Health Insurance**
  - $500,000 in hospital, medical and surgical insurance benefits
  - $300,000 in disability insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

- **Annuities**
  - $250,000 in present value of annuity benefits

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000 ($500,000 for hospital, medical and surgical insurance policies).

*Note to benefit plan trustees or other holders of unallocated annuities covered under the act:* For unallocated annuities that fund certain governmental retirement plans, the limit is $250,000 in present value of annuity benefits per plan participant. For covered unallocated annuities that fund other plans, a special limit of $5,000,000 applies to each contract holder, regardless of the number of contracts held or number of persons covered.

**NOTE: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements under New Mexico law.

To learn more about the above protections, please visit the Association’s website at [www.nmlifega.org](http://www.nmlifega.org), or contact:
